THE RASTAFARIAN

MAN'S Immortality  
Lives in HIS PROGENY

Memories! they are like echoes, always come back  
So, also with the Memories of Slavery,  
Slavery Has cause the world to be aware of a cancerous growth  
in Race Relationship. Between Black and white people in every  
Country both Races are domicile: Only a direct Confrontation  
of Both Races can prove the theory of those observers  
who continually forecast the out come of the Hypocritical  
Psychology of the Slave master in Disguise of Truth.  
The Rastafarians has a peculiar type of Truth which  
only can be recognise by careful Studies of the  
Rastafarian Movement. Such Movement has two  
Professional Paper written by Professor's of Universities.  
The Rastafarians believe that a University is an  
institution liken unto a Research Centre. The Role  
of a University therefore is to Make new discovery  
known unto the world through Educational Interpretation.  
Here Columbia University offer through Professor  
Ambrose Comitas the opportunity of Publication of  
a Paper on themselves which would be published  
in a Book form. One thing worth mention is: this  
Author was one of the Brethren who figure in  
most of the Movement Representative activities.  
He wrote The former Governor General of the British  
Colony of Jamaica the Then Sir Kenneth  
Blackburne in <sup>3/3/59</sup> 1959 - who forwarded his letter  
to the Then Minister of Home Affairs the Hon  
Dr. Ivan Lloyd, who meet a delegation of  
Brethren of the Rastafarian Movement.

1

This Author wrote the Principal of the U.C.I.N.I Professor Arthur W. Lewis asking him to Survey the Rastafarian Movement and Report his finding to the proper Authority with his own Recommendation which was done <sup>in 1960</sup> and a Mission was sent to five free states of Africa in 1961 in account of Professor Lewis's Recommendation. I also went on this Mission. The Mission on its Return was called upon to sign a Comprehensive Report and I did not sign which this opportunity will enable I to Explain why I did not sign. ~~Why~~ It will interest many Readers to Imagine How a Rastafarian thinks, and why do he think that way, and most of all How He became a Rastafarian Himself.

### Approach.

The Echoes of the Memories of Slavery resounded in the minds of the yet unborn of those who passes through the tribulation of Slavery. Truth can only be identified by Truth. So I approach the haunting Memories of Slavery. I may caution here that I believe, that Education should be a Right and not a privilege. yet I Education is limited as the Colonial System Represent. There is an old saying "They have to fool me to Rule me" The British has completely fool our Ancestors to Rule Them. But we are made products of our own produce, by our acceptance of their Political System. Here is where I am trying to paint a picture that can be seen by even the Color Blind.

The British I an I Slavemaster write various conflicting histories on African Slavery, lies, lies, lies, most of the truth of African Slavery has been written in other foreign languages but not the British. I an I firmly know that Ruler's were not made But were Born. In as, men made Rulers days are numbered. But He who Born to Be Earth Rightful Ruler, will have to Rule or else the turn and overturn will never stop until whose Right He ~~is~~ will get it. The British try to hide the identity of I an I by saying all the Slaves in Jamaica came from west Africa without explaining that the Market sold East west North and South African Slaves Sometime Asians and even Europeans. These Confusing lies create an anxiety in I an I to learn more about Slavery and the British. I an I learn that King James vision of the Bible was given to I an I ancestors as valuable ~~treasures~~ of ~~missionaries~~ which was only a Camouflage. The real purpose of the Bible was to Christianize and Civilize I an I Ancestor. This System work for upward of 400 years which seem to be I an I Sentence in this Pit of Hell.

I an I ancestor worship with the Bible I an I also worship from the Bible but do not worship the Bible.

The Parson stand upon his pulpit and orate out lies like flies buzzing around the ears of his congregation about a unknown God who have no meaning other than a Name until He ~~is~~ known. All these and many more will be supressing to the world to know How Simple understanding can come to man.

The faith of I an I is unbroken regardless of propoganda, So I an I will have to present and Represent I an I father Business, the Truth.

The Bible was given finally, to our Ancestors not before it was fully interpreted by Parson.

But faith Show I an I that words used can expound truth. in word is Power. and

Power is God. The first Father in any language I an I want to give to the world what is owed to them through the mercy of I an I God.

The Rastafarian all claim that they are Ethiopian one writer put it, and was so sure of his sentiment that they all want to go back to Ethiopia. By Ethiopia I an I mean

one continent, by Ethiopia I an I mean the Country Ethiopia with its capital addis Ababa

By Ethiopia I an I mean All for One

One for all operating in this manner there

can be no failure. The Only true interpretation for Africa for Africans. I an I being in captive

Has to admit, to names of those who did pass through great tribulation: Such as Daniel,

John, John the Baptist, Peter, Paul, David.

Shadrock Meshak and Abendego, Dreamer

Interpreter and Dreadlock Rasta: All these

Names are Biblical, but there true identity

has reproduces its manifestation So I an I

invite Man to a Travel through Prophecies.

EXPANSION  
OF A KINGDOM } 1492.

Ethiopia the Ancient Kingdom of Africa has made an unnoticed expansion of the Ethiopian Kingdom. From one end of the Earth to the other:

Africa being inhabited by invading European Nations has lost most of her written history to the invaders, who in turn copy and then destroy the original. Many tribes are in Africa that the written History of the European conquest has no record.

One of such tribes, a small but powerful in the central mainland of Niger: Ouagaougou was the Chief of the Kassala's, The Omburman, the Kordofan, and the Sokoto. These tribes stretch from Asmara, through the Sudan into the Niger and into Nigeria; warlike they capture as many lands across central Africa. The strongest resistance came from Ethiopia, but before many Ethiopians was taken away as slaves and placed in the slave market of Benin in Nigeria. From Benin, Europe had a ready made slave market.

The Walli gallas a cattle farming tribe live somewhat nomadic. Ethiopia being nearest to the Nile has its dry season in the uplands, early and late in the lower lands nearer to Kenya. When Ethiopia experiencing her dry season in the South the cattle and the tribe come north in search of grazing lands. The Blue Nile being west of main pass into Asmara the nomadic gallas usually enter through Asmara to make use of the Nile. The conqueror always lay wait them at these water hole and pray upon the Ethiopian cattle farmers which were taken to Benin from this point.

The Portugesees introduce trade in the South east  
 But find that Human Cargo was more favourable  
 than Spices and Jewels. Ethiopian Slaves were sold  
 to the British and Spaniard in the Eastern passage  
 by Portugesees. The evidences of the geographical  
 position of England and Portugal in East Africa  
 will Justify this truth. Spain were more  
 involved in the Ethiopian slave re-capture  
 through gibraltar passage. ((capture from who  
 sail the Mediterranean Seas.)) The British finally  
 bought all Slaves and Colonize the enter western  
 Hemisphere. I an I being interwoven inside the  
 inner Seal of the I an I first father Rastafari  
 I an I explain in plain truth the two passage where  
 Ethiopian were stolen. Therefore the Sentiment, "because  
 Ethiopia maintained three thousand years of Cultural  
 History Ethiopian was not taken away from  
 Ethiopia. Here it came back in I an I Song.

OUR fore fathers was taken away  
 OUR fore fathers was taken away  
 OUR fore fathers was taken away  
 Oh yes Rastafari Oh yes.

With three thousands years of History, Ethiopia.  
 Must be required to play her role in the resurgent of  
 africa which I an I venture to bring in truth to the  
 world. I an I always try to keep the light of Rastafari  
 burning even before the light was seen visible  
 moving in yamaica until it began to move  
 around the enter world.

I an I appear as the base things of the earth.  
 I an I brethren live in rubbish dumps dunghills  
 {Ghetto's} cattle farming done by I an I was a  
 creation to new generation. we move and had to move  
 about So one would ask How I an I would Manage  
 not being steady. Hunting was a much appreciably  
 sport for I an I, Hunting is the Second nature of a  
 sheperd, I an I hunt for food as is always Man's  
 demand the Hunt for food for the family. I an I  
 has a household and a family, which stay  
 Home and raise the family. I an I was  
 Created to proform this work for the  
 Kingdom Jesus Christ Spoke of to Come  
 it Sometime take I an I away from family  
 life. So I an I live as Sojourners  
 I an I feel the Spirit in I an I Song.

Leave ~~our~~ Home and family  
 to travel with the Cord of love  
 Leave ~~our~~ Home and family  
 to travel with the Cord of love  
 travel travel travel travel  
 travel with the Cord of love

The hood of I an I the hood of the Home, the hood  
 of the family the hood of I an I cattle, all this hood  
 I an I Sojourn with. I an I Suffer for this hood yet  
 I an I Suffrage bring peace to many Nations  
 Because ~~I an I~~ bloodshed to redeem many  
 knowledge is power created and made yet  
 knowledge cometh to ~~those~~ those who seek after  
 those

what History has written of Ethiopia is a stepping stone to the knowledge of the wealth of Ethiopia. Ethiopia a land of Beauty and Splendour posses all the Good wealth of creation. All the fruits and food that Service I an I. All the Gems and Precious Stones; I an I fines always be offered to Europeans when I an I came across them as a trade. Such Introduction of trading remain until today with the Exposure of the Europeans as blatant Thief who ~~only~~ only steal I an I land but also steal I an I man. I an I teach them honest trade, yet I an I were chained when I an I ask for Exchange for I an I good things of I an I forefathers land. I an I find it very hard to trade with those who I an I teaches trading: The call for the Callapability of the entire economic system of all Slave traders Nation and Government. One Noticiable Characteristic of the British I an I Slave master NOT long ago the History written of her has great Britain now is mere England and soon retain the name of Anglo Saxon. The Economy of Britain has been falling ever so fast until I an I ask that it fall a little faster. ~~This devaluation of the British Pound symbolizes the Economical Blow to British and is causing starvation the Pound get a Blow~~

This Devaluation the Pound get a blow

is causing starvation the Pound get a blow

These few lines represent the fines and refines  
in trading with another Nation  
for such trade entailed the Slave Trade

words reach the Throne Room that I an I were Caught  
and Captured and Sold to foreigners. The warning  
came that I an I should desist from going across  
the borders into another Territory for the pale face are  
making a good market in I an I as a product.  
I an I being warriors and Statesman ~~know~~ that the  
duty of a Shepard is to defend. The King defence  
of his Empire remain inside the Empire. The time  
must come as it was in the beginning when the  
entire Continent come under the king of Kings  
and Lord of Lords, His Imperial Majesty  
Haile Selassie I Emperor of Ethiopia  
The Resurrection of this disobedience was  
liken unto the warning unto the world Government  
Conscience in 1936.

If you bow to force  
God and History will

Record your Judgement.

These warning went unheeded, what happen? God and History,  
Recorded the judgement of Europe. I an I was not spared  
for such disobedience yet Rastafari send I an I down to  
Redeem mankind by making I an I watchman upon the  
walls of Zion. I an I feel it in this Song.

The Good Lord send me from Zion  
The Good Lord send me Down.

God revile himself unto mankind yet mankind  
 Remove from his thought that God is Real.  
 when the warning of God go unheeded then  
 the visitation of his wrath kindled likened  
 unto a fire ever burning. So also God send others  
 to rebuke and destroy the wicked who refused to  
 obey. Slaves from Ethiopia always feel deep  
 inside the Spirit of the African Movement,  
 and move to it in songs; as it is written in  
 the Psalms of David To Every Song is a Sign.  
 and I an I always Sing the Songs of the Signs  
 of the times:

Run away Run away Run away  
 Haile Selassie I call you  
 Bright angels are waiting  
 Bright angels are waiting  
 Bright angels are waiting  
 To carry the tidny Home.  
 Blackman

Nothing more true than the Spirit of the Rastafarians  
 Movement to move away from Jamaica or any  
 other land to Ethiopia for I an I Sing.

Ethiopia is a better land  
 Ethiopia is a better land  
 Ethiopia is a better land  
 Oh yes Rastafari Oh yes.

Ethiopia Emperor Being the Head of the Ethiopian Government always maintain thinking for the Ethiopian Empire. So He send out border guard to drive away foreign traders who indulges in Stealing Human Cargo. The dry Season in Ethiopia usually Causes I an I <sup>suffer</sup> grave hardship I an I Cattle Suffer. So I an I had to go look for I an I Cattle need being the Good Shepard. I an I had to sojourn. I an I interpret it likened unto those who lot was cast, and through the heart Volunteer to be cast into Babylon to fulfil this part of the Rastafarian Christian Discovery.

*we are Volunteer Ethiopians  
agitating for our Rights  
and we'll never stop fight  
until we brake down Babylon Wall*

I an I had to cross the Border and the Red Devils Caught I an I. Bound I an I Hands and feet Our Necks were put into fasteners and our Ankles fitter's and Here is where I an I find Self.

*Here we are in these lands  
No one thinks how we Stand  
The Hands are upon ~~the~~ all day  
So we cry and we sigh  
for they know not these God  
So they always be crying in vain*

These are words of Conscientiouness that leads I an I. know that only Rastafari know I an I These Truth make it impossible for any one to dispute I an I in Truth

The walk across The Long passage, from the edge of the blue Nile to Benin. Sometimes took as long as three months. I an I was so strong that it still marvel pale face how I an I manage to live across the passage Journey. Many Brethren Succumbed upon this Journey while others reach this great Slave market, there was other Slave market in West Africa but Benin Spell something in I mind I know the feeling of attachment and the only attachment that Represent such feeling is Slavery. I an I became conscientious to this fact, that this test was to prove the determination of the present generation. The Ethiopians is known for their great strength in their feet. It is proven today all Marathon Races is won by Ethiopians so long as Ethiopia enters. I an I uses this long walk to day to meet the economical pressure and the confusion of the people who I an I know. Having a veil over the eyes which are moving away slowly so I an I Brethren no more blind but are seeing the new changes of creation.

This Journey will end one day  
Then the white master will get his pay  
For the chain on I is not to stay  
The Lion of Judah will brake when pray

At Benin Slave Market all Slaves were put into a great big Cage or normally a Slave Pen  
 The European Traders would then Negotiate and bargain with Captors and make their Selection of the type of Slaves he needed Chiefly Male Slave to plant Sugar. So I an I family faces the bitter Sight of Breaking up of I an I family System. View the Completeness of the Slave System whole family of Small tribe were taken away one time  
 At Benin Slave Market one trader will buy your Father a uncle one of your Brother and left you and your Mother then another trader Comes along and Buy you and if your Mother feeling lonely just Say buy me too that I may go with my baby; her treatment would be of such, Undiscribable. The entire family Some times just able to look at each other and Say goodbye from the heart, but better not from the Lips for the judgement of the pale face then was so heart rending has left scars upon the minds of I an I in Our Songs  
 I an I Sings

Our forefathers feel the pangs of  
 the chains

See his blood Running out of his veins  
 and our Slave-Master still  
 provoke our yoke  
 and He tempt Our God in  
 His eyes.

I an I know that the light shore and the Steadfast  
 was able to see it. I an I came down in San Salvador  
 the Bottomless pit. But I an I God who I an I Serve  
 Swore unto I an I with a oath promising I an I  
 to come down to visit I an I in the pit of Hell  
 All this took time to manifest but it was written  
 that the Isles must wait upon His Law.

I an I waited and He came to the Isles and I an I  
 was Satisfied while pale face were Yelified other I  
 an I can not describe, Saw H.I.M. and say Truth  
 Amen!

### The Portuguese

The Portuguese was the first of the Europeans to cross into  
 the Land of Milk and Honey. Testing the Milk and the Honey  
 he Summoned for European help to come and help him  
 discover what he term Heaven upon Earth. Ice, Cold  
 Europe is now introduce to good Sunshine and good food  
 clothes and even houses instead of icy caves of Europe  
 He soon as Portugal Secure her little lot in gaining  
 why across country was difficult and Risky and  
 Portugal Cross across many resistance. The  
 Portuguese turn down into the Mediterranean Seas  
 and finally end up into the Red Sea. The Passages  
 were mapped out and other European Nation found  
 easier passages of entry. Soon there was so much  
 Slave hunters that some became Slave Hunter.  
 appear fine many entry into Africa and Asia.  
 Some so nears than Britain to Africa develop a  
 very serious economical study of the Slave trade  
 and saw it easier to Rob the Slave ships of the  
 cargo and some times these crews.

I an I know that the light shine and the slavemaster was able to see it. I an I came down in San Salvador the Bottom-less pit. But I an I God who I an I Serve Swore unto I an I with a oath promising I an I to come down to visit I an I in the pit of Hell. All this took time to manifest but it was written That the Isles must wait upon His law.

I an I waited and He came to the Isles and I an I was satisfied while pale face were Yelified other I an I can not discribe, Saw H.I.M and say Truth. Seen?

### THE Portuguese

The Portuguese was the first of the Europeans to cross into the Land of Milk and Honey. Tasting the milk and the Honey He Sommon for Ethropean Help to come and help him devour what he term Heaven upon Earth. Icy cold Europe is now introduce to good Sunshine and good food clothes and even houses instead of icy caves of Europe. As soon as Portugal secure her little lot in gunia Entry across country was difficult and Risky and Portugal ~~cross~~ cross ~~across~~ many resistence. The Portuguese turn down into the Medditeranian Seas and finally end up into the Red Sea. The Passages were Mapped out and other European Nation found easier passages of entry. Soon there was so much Slave Hunters that some became slave Hunted.

European fine many entry into Africa and Asia. Spain so nearer than Britain to Africa develop a very serious economical study of this Slave trade and saw it easier to Rob the Slave ships of there cargo and some times there crews.

Britain suffer mercilessly at the hands of the Spaniards. Britain had to do her Home work better so the Queen of England was ask to do something about the Spaniard who are affecting the British economy Her Majesty Queen Elizabeth I did not know what to do for it is a mark tradition of Britain not to have a King or a Queen in the proper sense of the word. Her Majesty was charming and believe King Ferdinand of Spain would go for her charm but to her bewilderment she was taken for a ride. The British Government decided to use Diplomacy British Diplomacy affect the slave trade immensely it affected the free travel of all slave traders so slavery was force into an organisation or cooperations. Britain Because Rich through this reorganize form of slavery other Nations became poor and fine the only way to survive was to fall in with the European cooperation. The History of Britain is written with pride and integrity of a people ever so proud of cheating and deceiving other people until they find glory in deceiving themselves which in I an I School of taught I analyses it as Dillusion.

Now you know the truth  
 you find who wearing the Boot  
 of taking people Business on their head  
 might as well they be dead dead.

This is one way to pronounce a verdict upon a Nation and watch it fall as the world watch Britain fall from Great Britain to Common England Now what next. when I an I make the next turn

Messages Run across Africa as it did across Europe  
 The Resistance of African warriors make it more difficult  
 for the invaders to carry off any more slave So Europe  
 bent in possessing the lands. Many European nations try  
 to enter Africa from different angles. The Gibraltar passage  
 was used as pass entering into the Mediterranean. The Greeks  
 and the Turks had readymade passage. The Portuguese try to go  
 further west but the Seas of the Atlantic keep her away.  
 The Eastern passage was easier until all the Seas began to  
 Roar and became Rough. Nature itself started to work  
 against as many nations as they were. They lost almost  
 all of there Ships and Cargoes. This was a blow the  
 economy of these Buchaneers Countries get from I an I  
 God in the first Place. Rough Seas damage Ships So the  
 Slave trade was affected. The Politician Report in Parliament  
 of financial losses by losing Slave ships and entire crew.  
 But the Profits were so rewarding that all government  
 would give the go ahead nod in favour of the trade.  
 Larger and Stronger Ships were built to fight the Rough Seas.  
 Only Britain was making these Successful voyage. But Spain  
 other intention so also France, being so near to England  
 heard about the Govt move to invest more in Slave trade  
 and the British Plans which naturally was to Capture  
 Africa from the Cape to Casio and from the Nile to  
 Timbucto. To do all of this Spain would have to be  
 brought under Control for they only stay near to attack  
 all Slave Ship. I an I recollect a very important  
 Circumstance which have it own answer in  
 the Matematic of the Present British and European  
 Economical position in world affairs. How can  
 one give account so accurate. if not True?

I AN I Resurrection of  
Queen Elizabeth I in the II

9

How coincidental it is to see the British Slavery in 1655 was under the Reign of Queen Elizabeth I Spain as already occupy many of the British mark lands which Columbus and Marco Polo discovered.

yet the only psychological thing Britain did was to try and trap King Ferdinand of Spain to be Queen Elizabeth Consort. The king was so Right in his Suspicion Not to carry on such a Romance without being pay a reasonable ransom. Elizabeth I was truly in love with Phillip of Greece. I an I see Elizabeth I Reconnated in Queen Elizabeth II Both are Recognize Queen of England without a King Husband Both grows up with a Similarity. This Elizabeth II actually marry Prince Phillip of Greece and her love and Sympathy for Franco of Spain is Somewhat unquestionable. During Slave emancipation yet another Queen of England was on the throne: Victoria she today Reconnate in the Enoch Powell Society. Her Committal was to allocate money in the Region of £20,000,000 Sterling to Repatriate Slaves and their Slave Children over a period. I an I soon Realize that the Corruptedness of the System to give the Slaves Hope only to fine Slavesmaster Come to one Conclusion: Now we have money at our disposal we can expand our Business So the Plantations became much larger. Some of the Slaves were sent to Nova Scotia others manage to Reach Sierra Leone. what this Elizabeth will do will have to be explain in further Chapter. The longer the Slave Remain the more the Problem set in with added victimization of Cost.

I an I am aware of the many doctrinal denomination. All have a bible system. God become meaningful to some while others, began doubting the ideas of God and his powers. King James of England 1666 Translate the Bible in English. Considering that World Power was given unto England by the Consent of Europe. yet Britain Intelligence fail in many perspective. I an I know that the Problem to know the living God came in the misinterpretation of Scriptures which is written yet not learned. Trained Missionary was used as Ambassadors of the Church to Help the State Control Political Representation. The words of the Bible was wrongly interpreted to the people concern. No one expect a Slavery to Read the Bible without being shown to. Seen? The fervent love of the Bible is one of the noticeable achievement of the Missionaries. Their job is Completed. Millions of Church goers and Bible Believers, realizes like I an I do, that some way along the lines somebody wrong. Take the Bible, I an I know it is a Book of Books on the Records of Creation of life and living. Many Illustrations of the Bible is being doubted today by ardent Christians. The Government who are Responsible for the Translation of the Bible from the Original Language has done both Good and Bad. For Although it is written in the Bible that Any one who preaches or teaches that God is a Spirit and not flesh is an anti christ. lets be fear to our Conscience. Is not the System of these various churches anti-christians for all teaches of an unknown God after studying the Bible for over 400 years? When one thinks how long it took the Slave master to really let go the Bible unto the said people who were fooled into stretching their hands unto Devils.

Students and learned intellectuals who are agnostics have and produce many arguments in support of their disbelief in the theory of God and the Authority of the Bible. I an I get a solace from the words of the Bible: for words in any language is what count.

The most important thing about I an I is the way I an I interpret the Bible as Rastafarians. Administration of a Colonial System is Colonialism itself. Such System is upheld by laws often made in Parliament Generally at Cocktail parties and luncheons. or in Bars. These laws refers to is State-laws But the Church also produces a law which synchronizes in the State. Law. The British produces an Anglican Church Order. The Roman a Catholic Order. other denomination sprang from these two Colonial Powers Babylon and the Daughter of Babylon. Both Harlots who has polluted the earth with the wines of their fornication. Checks with the views of I an I and the Bible and the Geography of earth and divide it by time multiply it by events and tell I an I the answer of it be war or Peace. Learn this Song of Zion.

WAR will never cease to be  
Till men Conscience set them free

I an I never ever tell the world that I an I God is a war monger. I an I exalteth the Prince of Peace In what manner would the world be handled if that of Love of God was not in the Heart of

His Imperial Majesty Haile Selassie I King of Kings  
Lord of Lords Conquering Lion of Judah. Elect of

The Bible was taught to I an I in like manner as all slaves were presumably. Notwithstanding OUR move away from the system should be clearly seen in this present interpretations. One point I would like to make before I attack the Subject. There is a foundation stone that Doctrines and philosophies of God and Christ built upon. These accepted words and ideas in any language must be interpreted as a Creed, we are aware of the apostle creed which I an I interpret to be Evangelism. But what of the first Creed. Christ and the life of Christ Represent Christianity. God and King and Faith and Hope Represent Religion. Christ Doctrines Manifest, the all in all Representation of God, and the Man Christ, for this Truth, and wisdom, the institution of learning are on a Revolting. Those in the churches preaches that God is the word. I an I accept: in the churches I an I learn that God have many names which he is so called, yet I an I was only allow to used the name that satisfy the church, yet still there is a doctrine of the church which said my name shall be terrible and dreadful amongst them I an I chant this chant in this time to fulfil this line.

a new name you got  
and it terrible amongst them  
The heathen no like your name  
a new name you got  
and it dreadful amongst them  
The heathen no like your name.

Such Name I and I say shout it out if you are not  
a heathen RASTAFARI: RAS-fa-ta-RI  
GIRMAWI KADAMAWI Hyta Silase

The Role of the university is to interpret in the case. A Test is taken to draw a conclusion which can be counted upon as a test. I an I take up a Bible and opened it. So I an I began in Genesis I. Question Asked who spoke? answer Given God Spoke! understand! words are life!! I an I accept the word is God: Here. but where will be go from here? God Created all these beautiful things, it appear that God had eyes to see so he looked around and said Come let us create a man and man was created Both Male and female, I an I accept that God is the word the word made into flesh and God become a man. and finish Creation as a man. So he God Created I an I in his own image and likeness He-God Created He-them.

Here I an I am aware of creation, so called Christians pretended that they do in like manner.

The evening and the morning was the sixth day and God saw that it was good. Christians now is the seventh day which is called Sabbath. This is what Genesis said. God saw it was good and bless and hallowed it and call it Sabbath: and the evening and the morning was the seventh day.

God has a image? does God really has a image? if God has a image what is <sup>his</sup> colour?

Racist Question pose. Race Relationship as an answer does not satisfy or justify for the lies which was taught to the world.

Some Readers find it amusing to air the view of the earth most Strangest man while others become annoyed by these new Confrontations, challenging what one had already learn and did not realize The holy had never yet been told, So nearly two thirds left to be prepare for the Services of Education, here is where I air I mercies endueth for ever.

### GENESIS II

God Rested upon the Sabbath of Creation and there was never a man name Adam. This adam Sounds like a well to contain water for it is written in Gen II How the time and Season has Causes the weeds to grow up and there was not much Rain and the Place became dry and some mist whet up and the ideas came down to build or Make a man out of the earth. So Adam was drilled. Adam was finally used as irrigation in Agriculture for through his lions came Adam-Abram. and these were made to beautified the Earth No Surprise to see all these Concrete jungles taking the Places of forests.

The name is attach to Brethren of the movement according to certain Sentiment. The name Ras-Tar-Tari is the proper pronounciation which is an AMHARIC word, meaning HEAD-CREATOR, Ras(HEAD) TATARI-CREATOR His Imperial Majesty - Being Born in Wedlock, His family name Makonnen. He became Ras which is an Ethiopian title of the military a head, Synonomous to a General in the British Army, TATARI was given as a Blessing. Haile Sellassie I is an embeded name written upon His thigh ~~and~~ his vesture. When H. E. M. time of Birth it was like a blessing for the coming of H. E. M. broke the DAY Season which the rain brought with it the message of a Son who is born and was given as a child, and His name shall be called Blessed, The Mighty God, The Everlasting Father, The Prince of Peace, and in His Reign there shall be no end and in His Reign all the Govts shall be upon His shoulder. ~~of His Imperial Majesty the~~ ~~Emper~~ what more evidence one want to see all Africa in particular and the world in general Govts is on the shoulder of His Imperial Majesty the Prince of Peace. His Reign shall have no end is likened unto the two System of Ethiopia in as much. Axum was and is the Ancient Kingdom of Ethiopia which had the Histories of the various Kings of the Kingdom. Menelek prophesied that in Finifini the New Flower. This New Capital shall be Establish, ADDIS ABABA the Beginning of Propheis which establish a new name in it self. Menelek II being the last Emperos of Axsum. Haile Sellassie I became the first Emperos of the New City Capital ADDIS ABABA.

David

This Very Name of the city and its Empires claim many  
whom such Name has been glorified. Jealousy spring forth  
when the Name of Ras Tafari has been mentioned.

WHAT IS IN A NAME

Our Name is our family tree where by I and I identify I  
an I by so maintaining I an I family Name. I an I  
near name yet old as time is, is Ethiopian I an I God the  
King hold the Empire of Ethiopia as one family. Not by  
Hypocrites but by natural administration Biblically speaking  
of the Names which God are called by man will have to go  
through thorough studying of these names. To maintain I  
an I possession in claiming this name which **SOUND TREBLE**  
**AND GREATFUL** among heathen nations and people. The  
period of exation which produce the Name God carry with it  
the Name and Kingdom of Righteous Nation and People. Saul,  
which became King Saul, David which became King David.  
I an I point is Jesse is the Father of David God everyone  
father, Now! How would the family tree maintain its identity.  
Why not the Bible name all the people of the land God-  
as it is mention that we use all God's children of the "MOST-  
HIGH GOD." Here is where the understanding of God being the  
Father of the Human Race including both the created man  
I an I the Ethiopians and the Europeans the Karmic Soul-  
Brothers. many famous personalities of the bible begat sons  
and Daughters which appear to be lost even the Name God  
from amongst us. These this Saul was made King. Here is  
where it appears that God gone out of this world presumably  
to outer space.

David became King by merit and appointment, God Almighty appoint him to destroy the Philistine Champion Goliath, zealous of the name of David King Saul drove David into Out Lavery. yet it was ordain that God should disapper in the time of David but Christ was to be established through the lions of David soon to this day down to H.I.M. Haile Sellassie who prove his own Synasty soon through the sagos unto King David - Christ is known by many names. **Emmanuel, Jesus, THE LORD, CHRIST, Joseph, Carpenter Son, Jesus God, Jesus CHRIST.** I an I accept all these Names and any more attach to God yet the world prove themselves to be in possesion: As it is said by Malchi the Prophet. His Name shall be Terrible and DREAful among the Heathers; No name sound so terrible than that of Rastafari which only He H.I.M. Haile Sellassie I know but himself. I an I and God Hath One.

### ETHIOPIA ISOLATION

This Histories of Ethiopia are somewhat disturbing when one come to understand that Christian Nations fighting physical warfare against each other. One hardly wanted to be called a Christian. There is many truth has to be proven in WORLD Research on the Colonial Educational System. Comparing with Independent Educational System. Why did Ethiopia decided to isolate from the outside world? It just had to happen. Here is where I am I point prove to be true. The foundation of life flows

from Ethiopia, and the mines of gold are in Ethiopia  
 The Throne of David is in Ethiopia: And it is proven that  
 the God Choose to dwell in Ethiopia that through his  
 isolation the entire Continent of Africa remain more  
 than suffer further lost to the gentile Nations. What did  
 Ethiopia gain by being isolated? One would ask, I an I  
 again said it only take God a little time to think and  
 meditate to bring down the Great Powers of Earth. How  
 God live in his Heaven and let men come and even appear  
 to turn him off His Throne and take over the  
 administration of the Empire of Ethiopians who prove  
 loyal to H.I.M. to the end. History prove that African  
 Countries that fell under Colonialism uses these Bosses  
 as Sabotage bases. Ethiopia Being the oldest establish  
 Government have more Military and civilian Might, Right  
 and Power than any injustice-ous Nations who wages  
 war against such a Kingdom, Ethiopia had to use one  
 of her Superior might which was legislation in the  
 League of Nation. To accuse the world of victimization  
 of ones Right - which is an enrollment of the Treaty of  
 the League of Nations. I an I Father of Creation prove  
 to the illiterate millions that the defence of the integrity  
 of the State of Ethiopia was defending every small and wide-  
 fending Nation. The charges was, Ethiopia Come out of isolation  
 to test the mentality of Heathen Nations who's Government  
 is built-upon the blood and bodies of dead men and women  
 which is murdered by a plan System of Disquire in-  
 justice or sometime other systems are implied. The regular  
 provocation and accusation could not settled the Ethiopian  
 Government from maintaining her age old Independence.  
 Ethiopia has come out of isolation to show Government

How long it can last when the administration is perfectly Right. Many Lesson of ethics was left for the peoples of the world to learn if they desire Peace and Love. From the trial of world conscience through their Representatives Leaders and Rulers. Who won the case at the League of Nations? When Ethiopia make her charges? "Ethiopia of course" If any nation Dare to force God and History Record their Judgement, Collective Security Remain at Stake who can deny? More Guns than Bread, meaning more Death than Life, "for what use is the Gun but Defence," which often time became a resistance against the Truth.

Ethiopia didn't have many Guns, but her Defence was so strong that it ward off twenty eight attacks in thirteen years. Akoma 1895 and Addis Ababa in 1935 is the two major attack, but surprisingly Ethiopia won all twenty eight Battles and as much wars. Now that Ethiopia come out of isolation to lead the world simplicity and Law and order. Many Kingdom of Europe has fallen and are unable to rise. Ethiopian Composos often time refer to himself as Ethiopia. Bearing this context in mind Ethiopia was excite in Europe after her isolation. Europe feel the pains of Ethiopia isolation. Germany the iron Kingdom action in Europe was a lesson of the interpretation the prediction of the Von of Tudah in Geneva 1936. All Europe was engage in war and had to suffer some isolation before they were invated and so taste a life of their own medicine. The plea of reason just began to smother prejudice. Man began to realise that Ethiopia is just not Ethiopia an underdevelop country but a special country which can be used as a

pendulum to guide nations onto success.

I an I now point you to both truth and logic. Isolation is covering blessing of good and stable Government and a striking force of loyalty to the people the realisation for the necessity of self determination the test of balance, the temptation of God by the Devil. I an I interpretations and discription of the Drama of Creation will find its right place in the minds of Intellectuals So enable them to teach the Truth in future when known of course. To move away from a system, one will have to find Hope in his or her Conclusion.

When His Imperial Majesty decided to take exile in Europe there was speculation as to whether Mussolini Blackshirt would attempt assassinations So not even V.I.P. treatment was afforded H.I.M. Not even a car to carry his entourage. Economically Britain was benefited. Time and the march of Time had begun in a new era. This was a entire test upon the faith of Christ and Christians those who follow him. H.I.M. If H.I.M. was accorded his proper treatment the wrath of God would <sup>not</sup> visit Babylon the base thing of Rome, as it was prophesied. I an I discribing the Isolation of Ethiopia and the Composition of European Hypocritical Mockies. These interpretations are not as fanatical as it may look in certain context, neither those I an I intend to be any way extravagant. Revelation explain the Educational isolation that the entire world are suffering from.

**'No one is found worth to open the Book nor loose the Seals there on'.** What other evidence one need to be satisfied that **Book** Represent **Education** and Such **Book** though available no one is worthy to open such **Book**. There fore **Isolation of Education** is the Worthiness of one to look in.

Christ intended to enlighten people through the preaching of his  
 gospel. Haile Selassie I. said: I came here to enlighten my  
 illiterate millions who will not admit to the Enlightenment.  
 What did the world know of Ethiopia before that is true?  
 How Government must expect the best results coming from  
 these Universities when the Professors are forced to face an  
 invincible line of Colonialism in a disguise form?  
 What will be the Results of the Book coming out of Isolation  
 who brought the Book out of isolation? do you think?  
 What was written in the Book that was isolated. I an I  
 says Truth. It is like the Sound of Silence, true Meditation.  
 The psychiatrist professor would find and can find much  
 out of I an I mind. The part of the Body Science can  
 not identify. The Heart is the House of Man Goddy (Body)  
 God lives there we are told. To day Heart transplant resembles  
 Scientific research on man to find if the Heart also is  
 the Mind of man. Where in man's Goddy (Body) the Mind  
 reside itself? THE HEAD? Scientist said the Brain cannot  
 die, the brain not yet ready for transplant, but the Heart  
 can be transplanted. So they may say the Mind in the Brain  
 or in the Head, and come up with a Head transplant (Smith  
 Ch. 10) may be humor, the Brain would fit more the  
 Doctors transplant ideas, for how could the eyes believe  
 or vision to see a Black head upon a white Body or any  
 other part of the limbs now available for transplant.  
 Now that Justice is introduced, Reason, I an I says  
 Ethiopia is a Body, Haile Selassie I was the only one  
 found worthy to open and expose the Truth of Ethiopia  
 that Enlightened illiterate millions. How many Governments  
 of the League of Nation in 1936 knew anything of  
 Collective Security? Ethiopia Leads in Global Security.

Christ intended to enlighten people through the preaching of his gospel. Haile Selassie I. said: **I Came Here to enlighten my illiterate Millions**. Who will not admit to His Enlightenment. What did the world know of Ethiopia Before that is true? How Government must expect the best Results coming from these Universities when the Professors are force to toe a invisible line of Colonialism in a disguise form? What will be the Results of the Book coming out of Isolation who brought the Book out of isolation? do you think! What was written in the Book that was isolated. I an I says TRUTH. It is like the Sounds of Silence, true Meditation. The psychiatrist professor would find and can find much out of I an I mind. The part of the Body Science can not identify. The Heart is the House of Man God-dy (Body) God lives there we are told. Today Heart transplant resemble Scientific research on Man to find if the Heart also is the Mind of man. Where in man's God-dy (Body) the mind isolate itself? THE Head? Scientist said the Brain can die, the brain not yet ready for transplant, but the Heart can be transplanted. So they may say the Mind in the Brain or in the Head, and come up with a Head transplant (Smile) Oh this may be humour, the Brain would fit more the Doctors Transplant ideas, for How would the eyes believe its vision to see a Black head upon a white Body or any other part of the limbs now available for Transplant. Now that Justice is introduced, lets Reason, I an I says Ethiopia is a Book, Haile Selassie I was the only one found worthy to open and expose the Truth of Ethiopia that Enlightened illiterate Millions. How many Government at the League of Nation in 1936 knew anything of Collective Security? Ethiopia Leads in Collective Security.

The fallacies of Building the Kingdom of Europe upon the blood and bones of Africans, broke the entire European Kingdom down. (Be wise therefore ye kings be instructed ye judges of the Earth Serve the Lord with fear and rejoice with Trembling)

How much does the kings of Europe Exercise these wisdom where did the follies of the wise did supersede the judgement of the Strong? Prophetic interpretations is what I an I gifted for.

The wisdom of the wise, is likened unto an obedient son to his father. The Lord is the father of Christian Nation and people. To Serve the both Nations and Kindred are obligated for such. Did the Nations of Europe Serve the Lord accordingly (No?)

Each Government is obligated to the Legislature.

Such legislation is maintained as law and order.

of and when Violated by the people of the Land or Kingdom the Seat of Authority of Government are threatened. The King then is force to make proclamations and therefore enforce new powers within his Regulations.

The Result can or Could be interpreted as wisdom or folly as the Case may be. When a Kingdom is treated by invasion of foreign nation

The people of the Kingdom invaded have no choice but to defend the Terrain. Therefore the wisdom of a Kingdom is expected to be found in the King. The folly of such King is to disrespect and disregard the Rights and obligation of other nations and Kingdom.

If Justice Spells Justice for your Kingdom what would be the Spelling of Justice in another Kingdom? or those Justice has two different meaning ethnically? I an I say it is wisdom to do good to mankind as long as one is expecting from mankind. It is folly to do wrong to mankind and expected to be treated in the opposite manner. who can deny, that the follies of the Romanic Kingdom did not destroy Rome? who can deny that the Europeans Kingdom is not at the mercy of there own follies.

### THE Prophecies of Haile Selassie I

History mark the various attacks upon Ethiopia no less than twenty eight invasions Ethiopia Recorded against Italy. It only Cause the wisdom of good and stable Government to exhibit her wisdom before the eyes of the world. It is written in the Scriptures.

"They shall make war with the Lamb, but the Lamb shall over come them." There is no doubt in I and I minds that Haile Selassie I is the Lamb that they more than one Nation make war with and he has over come them.

How did he over come them? Through the voice of Prophecies of course. When Italy attack Ethiopia in 1895 the Seat of Ethiopia Government was in the Capital adowa and the Emperor Menelik mention the expected change of the Capital city of Ethiopia from adowa to Finfini which as become ~~adaba~~ ababa. It was in this same Addis Ababa Mussolini made his 1935 attack.

The administration of the seat of the Ethiopian Government was treated with brute force. Did Ethiopia bow under to these invaders or did the people of Ethiopia stretch forth their hands unto God? The people of Ethiopia had faith in the King of Kings Lord of Lords Emperor Haile Selassie I, so they send him to Geneva to present and represent Ethiopia's case in the World Court of Justice I. Am I say with the world that the Prophecies of H.I.M. did not went unheeded although it took six years for the world to understand. This I am I say is Synonymous to the six day that earth was created. For these six years from 1935 to 1940 Mussolini and Vatican fascist Rape and Plunder and Pollute the goodly Godly Pleasant things of Ethiopia. Has H.I.M. put it, "one could not tell without feeling great pains of the atrocities that Italy brought upon Ethiopia" if any one had pity had any mercy had any understanding one could not help but look into the Book of a New Era. How much did the world learn from the Prophecies of H.I.M. Haile Selassie I. Force Force and more force was call for against unarm Ethiopians Tanks force Brute force Air force Arm force and all these forces could not move H.I.M. away from the duty he owes his people. So he prophesied: **If one should bow to force God and History will Record their Judgment.**

The Judgement of the Lord was sure Righteous altogether  
**Even you the Mighty Nazi Shall Crumble at my feet.**

The Mighty Nazi the Germans was the European father  
 the Iron force of Europe, at the time of H.I.M. isolation  
 the Germans Bomb England: Only then did the British  
 Churches advisory mission advise the British Govt  
 through these Council that the Lion of Judah  
 Haile Selassie I is in Britain and that He is  
 the Righteous King and if the British do not help  
 to Restore peace in Ethiopia the world will  
 purge in Blood as it is written in the Scriptures  
 Our Children will be killed and we also. yet H.I.M.  
 was told that according to Genital Ethic the whites  
 do not fight each other for the Blacks. The Germans  
 are white and so is the people of Europe if  
 they even say they are Red, the League of Nations  
 knew who were the white Races they understood each  
 other. How much did they understand H.I.M. Haile  
 Selassie I? it took them five years to understand.

what hurts the world today in the Sound of Silence is  
 Man fail to Recognize truth. No Government appreciate  
 or tolerate with uprising in their own Country.

This would mean attempt over throw and no reigning  
 Government would even like to Contemplate over throw.

The people of a Country must be taught to love  
 their Government and Country. Italy mounted upon  
 Ethiopia that Monitored around Europe propoganda  
 that uses as an indoctrination of Ethiopian  
 people domicile in these wicked lands of  
 Babylon. Only time will allow mankind  
 to give the Book it Rightful Place in the Mind.

All what is already said may not be of much important, what may be more important to reader is a closer look at the Earth most strangest man.

I an I Sounds of Silence sound more political than Christian. But who is more political than the King of Kings and Politic means war game on the People Chess:

I an I painted a picture where I an I can give the Reader the complete understanding of How a Rastafarian thinks: The why a Rastafarian thinks that way left to be seen if look beyond malice.

By the studies of the Bible and the acceptance of a Christ Resurrection and ascension after the Crucifixion I an I have the Right to testify about that part that was not fully explain to I an I by

I an I preacher Teachers. Inspiration through Meditation expound the Sound of Silence which causes the world to wonder if this can be true, but how simple

Man Have a time to change from Glory into Glory and also change into something else. what is important if

what I an I is offering will serve mankind as it satisfy I an I. One must not look upon the Movement by the various propoganda that has been spreading about the Rastafari movement. The Concept of the Movement

is basical as Rastafari is the Almighty God. @ I an I are Ethiopian and want Repatriation to Ethiopia.

These and other ideas of the movement is quite acceptable and applicable. I an I being inspired to apply the media of Bringing the Rastafarian movement to the world I will introduce

I an I in the preseding chapter.

How far the Movement Go.  
And where we will Go from Here. 20

His Imperial Majesty Haile Selassie I King of Kings  
Lord of Lords Emperor of Ethiopia Truly Recognize  
the Aspiration of the Rastafarian Movement and Show  
His willingness to Render the Service of God to the  
Call and Desire of His Subjects.

PAPER'S DONE ON THE MOVEMENT.

Many things have been said of the Rastafarian Movements  
which inspire two Professional paper on the Movement.

(1) One done by Professor George Easton Simpson 1958- and  
another By Professor Arthur W. Lewis in 1960- team of  
Roy Augier M. G. Smith and Rex Nettleford of U.W.I.  
Neither Professor Simpson team nor Dr A.W. Lewis's  
team of Smith, Augier and Nettleford are Rastafarian  
But have somewhat Reported what the Rastafarians  
desire. Being a Rastafarian I should venture to  
Classify in I own words and form of the  
Movement desire and Our ultimate Objective.

Since I was Responsible for Dr Lewis Survey,  
Having Notice the wanton lack in approaching this  
Subject matter of Repatriation to Ethiopia, I am I  
Committed Self to Study up's and down's in the Matter.  
These Studies had to be done by research and more  
research. I wanted to know more about Marcus  
Garey since he had advocated Repatriation  
back to Africa. I had to Satisfy Self of How this  
could ever be done. I realizes that all can  
be achieve by the determination of a people  
to cite Laws that were made especially for them  
I started thinking upon certain lines. How one  
can be born in Jamaica and claim to be  
an African and need Repatriation to Africa

This Question as puzzling as it may sound the answer was very easy: Slave's were taken away from africa Some forceably while others were bought and Sold. To accept that I an I the product of Slavery gave I an I the Right to Speak as an African. Garvey Philosophy and Opinion was Studied; I an I also Studied booklets on Washington up from Slavery, and the Maroons. what did I an I find?

### THE MAROONS.

The Africans Slave that fought the spainard with the British was called Maroons. They got an opportunity to Run away from there Slave master and soon begin to fight with the British. The white man always plan to ape the Africans, So the British plan to recapture the maroons and enslave them because they the British wanted Slave to work the lands. The British repeated advocate that they have the Right to Claim these Slave for they pay the price of Blood for them. The Slaves and the British Sign treaty of freedom only to find that the term would be so hard against the Maroon Slave that they eventually had to sign another treaty of staying and living free. This was creating a state within a state. The British Soon after had to go search for other Slaves from all over africa Britain Bought Slaves through this said Benin Slave Market. The Maroons in the early stages usually encourage Slaves to escape from off the plantation some time they even organize big Escape

The British finally work it out, that the lands and  
 privilege given the Maroons and the ~~new~~ treaty  
 to hand over Runaway Slaves, to their Slave-master.  
 This was some kind of employment for the Maroons,  
 to get benefits from the over load. This Maroons  
 keep the Tradition uninterrupted until 1956  
 when a Government of Jamaica under the  
 Primership of Norman Washington Manley outlawed  
 this Maroon Land Concession of tax-free and many  
 more concession which the Maroons enjoyed. Here I an I  
 had an experience of law and order administrated.  
 I an I know that Jamaica would one day enter the  
 United Nation Organization and soon had to be solving  
 International problems. I an I studied of the International  
 Body of Both League of Nation and United Nation.  
 Saw where the League of Nation fail in it Rights  
 to give Justice unto a people who has sign  
 treaty of Peace and Love. For such failure  
 The world Experience a Second world war.  
 Now the world is threaten with a Third world war.  
 How much can it be averted I an I will only know  
 when man Conscience become free unto truth.  
 The Role of Education as a guiding lights to the youth  
 must be teach in the Manner where mankind must be  
 benifited. A word of Caution I an I faith in the  
 things yet to come can not change no matter the  
 strength of forces and I an I introduction with  
 Special Compliment to the University of the  
 West Indies Acadimical Staff of 1960, and especially  
 to the principal Dr A.W. Lewis who get the  
 Independence of the University to be felt by

elected Government. The cries of I an I was not to  
 the church for the Churches daily expose her  
 decline. The movement became restless and worried  
 the Elected Government intention was to crush the  
 movement. The movement preached a Doctrine to the  
 people and the Politician counter such Doctrine  
 with victimization of its members should they  
 hear of any attending I an I meetings. I an I  
 Public meetings during these years 1960-64 where so  
 large it gave the Government concern when they get  
 Reports that we advocating nonpolitical slogans.  
 This could be counted as a strategy of the movement.  
 The then Government task was to destroy the entire  
 movement, to be Christian Social and Religious  
 is all good for the Politician, but to be some  
 what Nationalistic and Racial is a problem.  
 I an I advocate the enjoyment of the Bill of Rights  
 by other Nation yet we in Jamaica do not enjoy same.  
 This sound Political of all and many attempts where  
 made to get us into Political groupings. The Government  
 and Opposition view the technical situation which had  
 now become a problem and to attack the problem,  
 they need Sociological advice unnoticed by the many  
 Intellectuals who criticize DR Lewis's Recommendations.  
 It was a war between the Government and the  
 Rastafarian Movement, a psychological warfare that broke  
 out in physical and personal attack. Mr. N.W. Manley  
 is a Law Genius the most outstanding of all the  
 Barristers of Law in the Caribbean and his Record  
 can be compare with any lawyers in the western  
 world court of law the most successful.

He love law He Love to make law thats why he came  
 to Politic for his love of Law He wanted to be able to make  
 laws. it was upon this crave to make repressive laws that  
 He so acted like Nebbuccanzer. This theory is some  
 what Confusing to paint Bustamante into Manley's  
 perspective but I an I only hope Reader view it as  
 one who take a long look at an abstract painting.  
 The Social and economical problems of Jamaica can  
 be portrayed in the Rastafarian Movement, that was  
 the political Conclusion of 1960. Many Social workers  
 Advise Government on how to deal with the situation.  
 One noticeably aspect of the Movement no census  
 is taken in the Movement: neither does the Movement  
 has any form of Centralisation mentionable yet  
 I an I have such faith and Hope of a Central unit.  
 As in Ethiopia the aim is to destroy those who are being  
 prepared by the Negus himself. I an I uses H.I.M.  
 as an example, in bringing case of aggression to  
 the International world. Now every one sees where the  
 realization of this practical approach unto this technical  
 unfinished business of Repatriation engender into the Minds  
 of Both the British and the Jamaica Government.  
 Observers Speculate that it was Cladius Henry's approach  
 the Government recognize when he decided to meet  
 the requirement of the Brethren through the  
 Recommendation of the Principal of the U.W.I.  
 The University acted in the manner as a mediator  
 between the Government and the Rastafari Movement.  
 for the Government did not only blame the movement  
 with Subversion but attempted Genocide.

I an I had Reasons to arrive at the Conclusion  
 of Genocide. I an I were often times treated about  
 political Annexation which amount to Genocide  
 I an I had to fight physical battles with Partisan.  
 During these times with amuse Silence of the  
 opposition, when the University Recommended that  
 a mission should be sent to Africa since there is  
 evidence that lands has been granted in Ethiopia.  
 Although the Prime Pretended that he know nothing  
 of such land grant this was some sort of evidence  
 to prove that Jamaica is lacking in the knowledge  
 of international affairs. what lead the then Prime  
 to decide to tackle this delicate situation I an I  
 says time. For to I an I it was a very naive way  
 the British Government approach the situation  
 which was put to them then Secretary of states for  
 the Colonies Ian McLeod. Some Observer Speculate  
 that the P.N.P. Government being a Cousin-Govt  
 to the Labour party of Britain treated the British  
 Government as an opposition, when they decided to  
 handle the case of Repatriation: Ways and means was  
 drafted by the Manley Govt which was submitted  
 to Ian McLeod who in turn gave Manley  
 the go ahead nod to export this tedious situation.  
 There was speculation in Britain whether a mission  
 to Africa could solve the social and economical  
 problem that faces the Govt of Jamaica.  
 The point is, the then Govt and any other  
 future Govt will learn to accept what is Right

The Rastafarian Movement know that the International  
 Laws defend the idea of a people who claim another  
 Country Nationality; So we will follow the Mission  
 its Composition was of this Nature. DR Lewis definitely  
 Ask him the Primere to try and Select Some one to  
 lead the Delegation to Africa that is not Politically  
 affiliated. DR Leslie was asked to lead the Delegation  
 under the pretext that DR Leslie is a noted Historian  
 and Anthropologist. He was preferable to Archdeacon  
 Lennon who spend Thirty six years working  
 in Africa as a Missionary. DR Leslie a noted  
 devoted P.N.Pite's lead the Mission to Africa  
 without any meaning to the people of either Africa  
 or Jamaica. He did a private job of investigation  
 for the British Intelligence. I an I have to paint  
 a picture of the Scence in Africa. The Mission  
 was call a fact finding mission. To seek the facts  
 about lands given to black people of the west  
 through the Ethiopian world Federation Inc.  
 The general ideas given was to exploit the use  
 of these lands since such Organisation is being  
 Represented on such Mission. But in keeping with  
 the British pre organize itinery the leader of the  
 Delegation did not put the people wishes and  
 desires in a Root Representational manner  
 He was doing a job for his boss and when  
 such was detected a stoppage had to put to  
 it. So I an I had to exert certain form of  
 pressure that got DR Leslie some what  
 uncomfortable and started on the Right track  
 But the British deserve a marks here

Dr Leslie was not a delegate on a back to Africa mission because he said in Africa he has no intention of coming to Africa he is alright here. He was not interested in giving the true feeling of the spirit of the Rastafari movement for he was not a Rastafarian neither was he any member of any Back to Africa organisation that I an I know of. So with his Edinburgh type of approach the schedule time of the allotted half an hour visit to each minister is taken up with the history of this politician qualifications and his work on honour. How bitter some African intellectuals feel over the answers of these delegate when question is put to them by African journalist to give the reader an idea. The University said the movement in a state of unrest, and a mission be sent to Africa. What did we expect to find when we went to Africa is another matter. I an I knew that only Ethiopia had already make land provision for Expatriates. I an I understood the African situation quite well, but watch things being confuse on the evidence of non-intelligence of the Black people who want to go to Africa. Doctor Lewis's team discover; it was not only the Rastafarians who want to go to Africa but other Back to Africa organisation. The Realities of Africa for African can not be felt, until I an I overcome many social obstacles. The people are not trained into organisational operation for the strong arms of politics, disorganize and dissocialize all Back to Africa movement.

Being one of the foremost Representative of the Rastafarian Movement Since 1958, I was <sup>the one</sup> who ask DR A.W. Lewis to make his Survey. The Rastafarians and the Ethiopian World Federation Both are movements which attract people to them by their Back to Africa ethos. I an I being Rastafarian know the Rastafarian Movement is not an Organisation but a Movement often time call a Revolutionary Movement. The Ethiopia World Federation is an Organisation, and not a Movement. The Composition of the E.W.F. stem from a movement in America. The Ethiopia Peace Movement. DR Malaku Beyen Establishes the E.W.F. as was requested of H.I.M. while in Exile in England. H.I.M. knew that Victory would be Ethiopia's lot, so He prepare the ground to walk upon as a foundation. H.I.M. Spoke Strongly in Geneva about Sanction. The Ethiopian World Federation was used as an institution that could create the Sanctions needed. Ethiopians are domicile in Every land and the Organisation was incorporated. Its member were committed to promote the good and welfare of Black people throughout the World. To I an I this was an invitation of Leadership, offers, the Black People of the western World, to I an I this was the Collective Security of the Black man and in truth for all Humans, H.I.M. came to enlightened his illiterate Millions of all Races. Mankind fail to Realize what is injustice, and what is good for the Goose is also good for the Gander too. Man is Man who can Think, the Conditions that certain System create is always anticipated by the initiator of the System. How Strong the E.W.F. he was and How Strong it is now, left to be Seen. The E.W.F. he. has move away from the original Standing. The Raste's has gain more

Since the 1960 Survey But a further form of  
 Astrology has been notice. In England Marcus Garvey  
 usually keep rallies and run a Commentary on the  
 Situation in Ethiopia. Garvey having this large following  
 belief he should advise H.I.M. on the wars in  
 Ethiopia. H.I.M. knew what was going on and  
 Now he would be fighting His Battles. This move  
 can be clearly seen. In 1927 H.I.M. Send an  
 Ambassador Dr Wyncliffe Martin to England to try  
 and Recruit 24 Black professional people to come  
 to Ethiopia to Help and Build Ethiopia. The Record  
 Said not one single person was available in 1927.  
 The Task was to get certain information known to a  
 people in a strange and far off land. Ethiopia  
 was prepared to open her doors but always appears  
 as if too slow. Africa could not do anything to the  
 cries of Marcus Garvey Back to Africa exodus.  
 I an I took into consideration the freedom of the  
 African States. I an I also took into consideration  
 the type of Colonialism these African States Suffers.  
 These studies poses problems in moving the thoughts  
 of the Movement into these states and the state  
 reactions. I an I could not overlook the British  
 action in Using Africans against the Germans  
 both in Das ves Salen. and Cameroon.  
 all this was to Confuse the Marcus Movement  
 in the early part of the Century. The west India  
 Regiment was used against the Achanti in the  
 Gold Coast, against the Egyptians in Egypt.  
 These were total Confusion to off set the  
 Garvey works.

Stop

The Back to Africa struggle did not ~~x~~ Here, neither does it intend to stop anywhere until the struggle is realized by all Black people concerned. I and I am aware of the various changes that the enemies of freedom have made since the scene changed.

Africans become confused because he is not allowed to operate peacefully. I and I notice the time peddling of the Colonial power. I and I know what these powers have to lose, when they allow the operation unmolested.

I and I try to warn the western world Government of these impending doom that awaits them:

I and I faith is not shaken by confusion in this warfare. This system of confusion has created the type of opposition that is expected.

Many try to brush away the ideas of I and I claim. Who can deny that Africans were taken from Africa to come and do Plantation Slavery?

Who can deny that the said Africans and their children desire to go back to Africa?

Who can deny that at the time of emancipation the Queen Victoria of England granted £20,000,000 for the slaves and their children settle in Africa?

The problems of colonialism was already in Africa. Ethiopia was the only state of Africa which was free and could take any Africans into Africa.

Ethiopia was the only Africa and still remain the same to this day. All other African states poses Neo-colonialism in challenge to the aspirations of the Back to Africa Movement in the western world. This is what the world are yearning for the solution to - Peace.

Peace and Love is the early greeting of I an I. Economically this greeting change for Free-man. The Politician soon uses our slogan and set propoganda base for opposition accusation of attachment. This method caught some of the Brethren in thinking that such Party Politically intend to do any thing in the Movement favour.

Dr Lewis Reported the easy way noticable for infiltration and Political manipulation, and a servicable grounds for Saboteurs. All these Circumstances is truly added to the Movement. A Movement with so much Complexity cannot be Successful according to most observeers.

I an I Realize that any movement moving away from a System which is intended, to reorientate a Culture through a Doctrine and Philosophy which poses problems for over three hundreds years. in this present Slavery ~~are~~ many free and Educated people hoping for a day when mankind Truly work unto Peace + Love.

### THE Hypocritical psychologies

I an I want the world to know of certain System which has been perpetuated upon I an I beyond our acceptance. Such a System of the disacknowledgement of I an I Rights toward our Claims. This I an I Draw as a conclusion to prove a case of Govt interference in our Organization of our people.

The Political order of the day is base upon Developement; which would bring the Rastafarian Movement in line with a program of Rehabilitation

although Some of the Brethren would accept Rehabilitation until Repatriation is made possible the Majority of the Brethren in the Movement do not accept the Ideas of Rehabilitation. **The Rights of holding ~~to~~ your own opinion with out the interference of any party or parties is tested.**

I an I learn the Lesson of the Maroons very well, the termination of the Maroons treaty came at a time when the Gentiles prepare for war. It appear that the people of Jamaica could attain the type of freedom they desire and not impose upon them. Here is where I an I made use of the opportunity of freedom of Speech.

**I an I Reason about creation of the world and come to this Conclusion: By Mathematical laws we prove that the Universe was created by a great engineering intelligence. Such intelligence is built upon and around word System. So God becomes The word the first father.**

**I an I took political looking approach to tell the people about the Rights and freedom set forth in the Declaration of Human Rights and International freedoms. I an I know that these Rights were needed now, not only by the Aimless Ethiopian people that was invaded by Italy but by Many of the Same Small Independent States of Europe and the world at Large. In other words.**

**The taste of war is the Realization of Freedom.**

Bear in mind: Freedom means more to some people than walls build around it. So thinks I an I.

The many Nations who advocated Freedom did so because Hitler type of administration was a force of Recognition of the German Government and people as the Master-Race which is white in colour of course. Not even the white Race of

another country apart from Germany who wanted this type of administration. If Hitler type of forceful administration could not be accepted by white-people how must forceful administration being accepted by Black people. The Second World War is the political eye opener of Stable Government administrative System. An administration of Justice was needed to maintain world peace. The hypocritical psychologies of European Nations was to use the Asians and African Countries to pay War indemnities. Do you not think that the same trouble England found her self into when they fail to heed into the warning of the Lion of Judah in 1936. the world found themselves into right now. I an I Logic.

Justice does not Represent a Country by its size nor its population. Justice must be done to a people by the administration of that Government which control those people. The promises of each State to adhere unto peaceful treaties in future. How hypocritical those Europe government operate since. How much trouble these Government find themselves into? Take England and France as the two major Colonial powers in Africa lost practical all these Colonial lands and people in Africa. what did they do? They were able to Manuvere with Hypocritical Political Strategy. These Strategy works through there Ambassadors and High Commissioners, but are they achieving Successes? No! Britain has lost her prestige. France is also losing her prestige.

All this add up to total disrespect of the treaty which represent the peaceful cohesistance. Through the war many families of Europe was dislocated and need a reunion so they advocate a Repatriation System Not bearing in mind the feeling of other Colonial people who need the freedom to rejoin there families.

Universal Declaration of Human Rights  
and International Freedom.

I an I get a seense of Comital unto the Rights and obligation of Government to make this charter Meaning-ful. who can not understand that the failure of Government become the order of the day. They are instances to be refered that coincide with I an I affairs

DR Lewis has being working with the U.N.O for many years. His special assignment was in the Economical Dept of the U.N.O. I an I had to look for an economist of African personality to come on the scene to plead I an I Cause. I an I mind keep telling I, it is only Black people can tell the truth because what is not said still remain Silence and the Sound of Silence must be broken in favare of Justice

As the Psalmist David prayed: 'my help cometh from the Lord' The Lord was found worthy to open this Book. This Book that was opened, reveile truth about Justice. Man kind unable to administrate Justice was force into the unwarranted experiences of war, so therefore was force into war against in justice. I an I know David Suffer the injustices of King Saul. Saul being the King and his administration was so much unjust David after winning Victory for Israel was force into out lawry. Is liken unto

Many brave Soldiers who fight and win the war against the enemy are being Court Martial for charges laid against him by the minds of jealous individuals who imagine that they should be the valour. Many things can be learn from Haile Selassie I Text at the League of Nation Assembly in 1936.

The attitude of Government satisfy I an I that this white race have to feel before they can either Realize or accept the present of the almighty God. To Compare the Ideologies of God. One will have to look at the Heads of Government who always say they are Christians. Christ already show the Christians who is God and they Believe. This whole Subject of God is equally important as the world and its Materialism itself. Many Reasons Draw I an I to this Conclusion, the Mathematics of Right and wrong of Good and Evil of Truth + Lie. How can the Professor stands before his students and say he can not explain this Subject to them because He found out it to be a lie: what will be the Result or the Reaction of the students then. who thinks of the drop out, what will be these contentions when the University have to admit the method and system of Colonialism is being Carrying on by them the Professor of these Universities. How much longer will the professor be expose to student, assaults and demonstration? what will happen to Education then? Truth of the Rastafarian movement may give the answer.

Dr Arthur Lewis try to bring to the western world the only solution to these many economical problems that faces these Government. I an I know man will understand Simple Truth. Here is where I an I faith have to Conquer the might of Satan. {Sat-on?}

The Rastafarian Movement Can be used to illustrate the mode of the African people in the western world How economical it would be in giving to people their desire, or by opposing such desires with force of arms?

Univercities are professional institution or suppose to be, that train people in the professional manner to serve mankind. These Service is in Education. Education is the foundation of all Government activities or suppose to be. This theory must be accepted! Since it is accepted: I an I give unto the Univercities, Principalities, and power to the State. Most Government Maintain an Economical Dept in these Univercities. So an economist can help to solve a Government Economical problem. All newly emerging Independent state have Economical Problems.

Jamaica Politicians was Speculating abroad about her Economical problems and the Rastafarian Movement was used, in many of the Country approach in getting aid. When I an I ask Dr Lewis to come and make a Survey I an I only hope was, that the facts finding of the Movement be Reported to Government with the Economist Professional Recommendations, and that was what he did.

Dr Lewis being a professor knew this would be a Challenge to him and the entire University Curriculum Since Back to Africa is the only

answer to the movement desires. The only one thing Dr Lewis had to do was to put it to his colleagues and ask that he may be advised on these matters. Everything coincided with time and the right time prove mathematic to be right.

It so happened that no one could be blamed to be an opposition to the Government from the University yet it was on the political platform that the U.W.I acted in an oppositional manner a traitor to Society and is not fitted to be call a university.

The Daily Gleaner of 1960 July and August and September carries many full page criticisms of Professor Lewis's paper. All the people at the University wanted a survey of the movement; but not all wanted the report to be made in the manner it was made.

'Why Did They Had to Leave?'

The Game of Diplomacy has been notice and was attack: To I an I DR Lewis was not only a Diplomat but an Angel of the almighty God Rastafari. Regardless of the consequence Dr Lewis had is own opinion toward the Justice's and the Injustices done unto a people. His Brother Justice Lewis may give him some illustration about the Justice for the Rasta's.

In Jamaica there is many type of Justice one Specially for the Rastafarian, and this justice unfortunately take as its name injustice. This is to be bore in mind DR Lewis had no former contact with the Rastafarian Movement for all we know.

He was not born in Jamaica and had't no contact with the movement before coming to Jamaica. Can you imagine what he was told about

The Rastafarian Movement by those who are  
Truly inspired to be enemies of Ethiopians.

In I letter to the Professor I mention the system of information officially carries wanton amount of bias I pointed out the acceptance of the Movement, of the General Ideas of the U.N.O. toward world peace and Peace is what was important to him, so as a pursuer of Peace he had to come and speak Truth.

NB less praises is unworthy to the team of three other Students Mike Smith Roy Augier + Rex Nettlesford None are Rastafarian although DR Augier wears a beard and DR Smith is an Agnostic and fair in Completion Have not known of their Political Status or Affiliation

I have no reason to say they did not done their job well, in Service of Mankind where'ere the journey ends. The Scene is set to show I an I System of approach. While the movement was left reasonably unmolested the movement began to grow, when the growth look too big and is attack by political system

The movement again grow larger. No one can easily understand how all this happens.

at face value to I an I it is mystical. Seen.?  
The University team explain that they are trying to help the Government to solve problems by tackling the Rastafarian Survey of Kingston.

These Question poses: why the Brethren had to ask for a Survey of the Movement by the University?  
Because the Government accuses I an I as being Subversive and wanting to take over the Rules of Jamaica. This Government himself know is a lie  
How could we swap a Continent for an Island?

I an I will quote from the University Report  
 what Rastafari Brethren want. {page 33. chapter VI.  
 U.C.W.I Report on Rastafarian Movement }  
 Kingston Jamaica 1960.

### WHAT RAS TAFARI BRETHERN WANT.

The U.C.W.I was invited by Ras Tafari Brethren to tell the public what the movement stands for, how it is organised, and what the brethren want. As we have shown, the movement is not homogenous, and most of its members recognise no single leaders or group of leaders. Nevertheless, certain common desires can be formulated.

All the brethren want to be repatriated to ETHIOPIA. There is no agreement, however, on what should happen in the meantime. The majority recognise that they have to live, and would welcome efforts to provide employment, housing, water and other amenities. There is, however, a very vocal minority which regards any effort to help Ras Tafari brethren in these ways as a plot to keep them in Jamaica. They profess themselves to be violently opposed to any measures which might have the effect of rehabilitation.

At a meeting held on July 15<sup>th</sup> between the U.C.W.I. team, the Principal and a large number of brethren, it was agreed that the following is a fair statement of what Ras Tafari brethren want. In commenting serially, we also include our own recommendations.

Readers will find how very hard it is to tackle a problem like this: And how easy things can be done, when people recognise one right and act.

- (1) The Ras Tafari brethren all want repatriation.
- (2) All the brethren want local recognition and freedom of movement and speech, which are essential human rights.
- (3) All want an end of 'persecution' by Government and police.
- (4) Some brethren want improved material, social and economic conditions until repatriation.
- (5) Some brethren want educational provisions, including adult education and technical training. Many brethren are skilled men seeking employment.
- (6) Some brethren have suggested that a special fund be set up, to be known as the Ras Tafari Rehabilitation fund.
- (7) Others have asked for a radio programme to tell Jamaica about their doctrine; some for Press facilities.

The goals and needs are specific and operational. There is nothing inherently impossible about them. The most important are also the most difficult and the most generally wanted. Of these, repatriation, that is, return to Africa, is undoubtedly the most passionately held and widespread demand of the Ras Tafari brethren.

### REPATRIATION

We are strongly of the opinion that the Government of Jamaica should take the initiative in arranging for the emigration to Africa and settlement therein of Jamaicans who wish to go there. Several reasons lead to his conclusion

- (1) Every citizen has a right to emigrate if he so desire, and change his nationality if he so desire.
- (2) While many Ras Tafari brethren would stay in Jamaica if they found work and good social conditions, a large number have strong religious and emotional ties with Africa, which cannot be destroyed.

- (3) Jamaica is over-populated, and cannot provide work for all its citizens. Every effort should be made to facilitate emigration.
- (4) Jamaica now facilitates the settlement of emigrants in England; from a racial point of view emigration to Africa seems more appropriate.
- (5) Substantial emigration to Africa will not be possible unless the Jamaica Government takes certain initiatives.

The first step is to find out which African countries are prepared to receive Jamaicans. There is evidence that the Emperor of ETHIOPIA has granted a few hundred acres of land on a trial basis for settlement of "Black People of the West." His willingness to admit Jamaicans to ETHIOPIA should be formally explored. Some Ras Tafari brethren fix their eyes exclusively on ETHIOPIA. Others mean by "ETHIOPIA" the continent of Africa, and would be glad to emigrate to any African continent of Africa, and would be glad to emigrate to any African country. The first step is therefore to send an official mission to visit several countries of Africa, and seek permission for Jamaican immigration. Such a mission should be led by a prominent Jamaican, preferably not indentified with one of the political parties. It should include civil servants, and prominent Rastafari brethren. Since the Movement has no universally accepted leaders, this presents rather a difficulty. The various groups will be able to nominate people to discuss with the Government the necessary preparations, and also to go on the mission. However, if the mission fails, the brethren will probably repudiate their representatives. Failure of the mission would not prove to the brethren that repatriation

is a marriage. This should not be used as an excuse for failing to take the initiative. Emigration is necessary, and the Government has a duty to discover whether it is possible, and to exploit every possibility.

If any African Government agrees to permit immigration it will probably impose tests on the immigrants. Possible such tests are literacy, artisan skills, and economic viability. Many Rastafarians could not pass such tests without preparation and help. They would have to use opportunities provided for learning to read, or for acquiring technical skills.

Settlement of migrants costs a great deal of money, which is required for opening up land, for roads, houses, water supplies, and industrial capital. Even if a Government is willing or able to spend the large sums required for settling them.

Opportunities for emigration could not be confined to Rastafari brethren. Many other Jamaicans, who do not accept the divinity of the Emperor of ETHIOPIA, would gladly seize an opportunity to emigrate to Africa. Indeed, since so many Rastafarians have had long spells of unemployment, Rastafarians in general may find it more difficult to pass the tests which the African Government may impose than would other Jamaicans. The immediate step is for the Government to invite a small group of representatives of the movement to discuss practical moves.

### RECOGNITION

The Rastafari cult is unique, but it is not seditious. Its adherents have, and should continue to have freedom to preach it. Their demand for freedom of

movement is wholly justifiable.

The public should cease to believe that all Ras-Tafari brethren conform to a stereotype.

Those Ras Tafarians who advertise themselves by wearing beards or the dreadlocks are shunned by the general public. They have difficulty obtaining work. In every part of the world, including Africa, people who insist on looking different from their fellow men tend to be persecuted by their fellow men. This is not a justification for persecution. The public should learn to recognise that religious people have a right to wear their hair long if they wish to do so.

Some teachers cut the hair of Ras Tafari children, so the parents react by keeping the children away from school. Some of these parents are asking for special schools for their children. There is a much simpler remedy: the Minister of Education should prohibit teachers from cutting the hair of children without their parents' permission.

### THE POLICE

The police and the Ras Tafarians are in a state of exasperation with each other, which can lead to no good. The police have had to cope with a violent section of the movement, and have had to conduct security operations designed to discover the limits of violent intention. Such operations are seldom gentle. Add to this the complications of ganja hunting, plus the fact that policemen share the public's prejudice against men who wear their hair long, and it is not surprising that there have been many cases of arbitrary action by policemen against innocent people.

This has had the unfortunate result of wasting a valuable opportunity of enlisting Ras Tafari support against violence. Many Ras Tafari brethren were checked by stories of stocks of arms, of foreign mercenaries, and of murder of Ras Tafari, and so the moderates, who are the great majority, might have been enlisted in stamping out violence. Instead, by treating all Ras Tafari brethren alike as outcasts, the public and police have stimulated their sense of common grievance, and may have strengthened rather than weakened the ideological respect for violence.

The police have to keep in touch with potentially violent sections of the movement. Apart from this, they should leave innocent Ras Tafari brethren alone, stop cutting off their hair, stop moving them on, stop arresting them on, ~~stopping~~ arresting them on minor pretexts, and stop beating them up. Violence breeds violence.

The police have to keep in touch with potentially violent sections of the movement. Apart from this, they should leave

As for ganja, all experience shows that this trade cannot be stopped by trying to catch the individual smoker. Police efforts should concentrate on finding out who are the big traders who are making money out of ganja cultivation from a helicopter.

### SOCIAL CONDITIONS

Any self-respecting Jamaican who passes through such slum areas as the Foreshore Road, Back o' Wall, Davis Lane or the like cannot but be ashamed. Several of these slums result from squatting on

private land. No water is available. Pit latrines are illegal in Kingston; human waste is deposited between the shacks. K.S.A.C. carts will not enter upon private land to collect rubbish, so that too is deposited between the shacks. If these people were not squatting, the landlord would be obliged to provide water and sewage disposal.

The trouble is that squatting is tolerated, but not recognised. It is tolerated because the Government is not building sufficient low-rent houses to eliminate squatting. It is not recognised because to recognise it might involve buying the land from landlords in areas where the market value of land is counted in thousands of pounds per acre. And because it is not recognised, the squatters get no amenities.

Did The Brethren get what they want?

Yes and no as the case may be. Some of the things said about the Movement's desire vary in acceptance. What is important is, did the Premier N. Williams do things advised to? Yes he did some of things, not as he was advised; and so bring about the confusion. It is written in the Scriptures: "where there is no vision the people perish" Professor Lewis warn the Premier! about the composition of the Mission that was to go to Africa and it should be an official Mission.

- (1) The Mission was named an official fact finding Mission
- (2) The Leader was a political partisan of the P.N.F.
- (3) The Doggy approach of the Premier in trying to wind the Back to Africa voter Support.

The Movement do not have any political sympathy for any political party. The economical pressures of a Government may cause the Movement to take side with any party that acted in a sympathetic manner toward the Movement. This is another of the Political mistake of the P.N.P.

In thinking that they could win the Back to Africa Movement Support, by sending a mission to Africa. Remember the University acted independently in surveying the Rastafari Movement; but the Government thinks otherwise.

I and I assume that the University was approach with a Government proposition. Some thing like a Coldwar threat. The Government decided to accept the Recommendation in principle: while the University suggested the why and where fore's of the Recommendation, the Government was at liberty to look for its benefits if there is any, and apply a system to help restore peace in the movement, for it was notice that a section of the Movement was moving away, from the Peace and Love System, to a more attacking System. Non cooperative.

I and I claim is Classified to be Specific and operational. there is nothing inherently impossible about them.

Here is where the importance of the Movement's Claims become optional internationally. Anywhere these Claims are made by these Children of Slaves, they are made on practically the same grounds: of course it is the same claim: The Africans being brought here in Slavery have the International political Rights toward these Refugee Rights, which are set forth in the Bill of Rights. The Rastafarian Movement regardless of its numerical problems are satisfied of the turn toward Conscientiousness and Self respect

of the Africans domicile in these western Concrete Jungles of Europe and America. The forceful adaption to another people Culture and Tradition

can not hold on to such a people forever. we had to move away for this System it is ordain that way. The base things of the earth Confound wise and prudent. I an I become the base things of this part of Earth, yet I an I see the Confusion of Hypocritical Society.

The failure to recognize Truth and wisdom from they that are inspired by Rights of the acceptance and demonstration of Human dignity. Poverty is both a Sin and a Crime, but Poverty also exposes the dignity of a man.

The System of Colonialism give the appearance that the Africans {Black people} should be the most poverty strickened Nation and so set them to Confusion. which Synchronize with the Tribal warfare and assassination of the leaders.

Some observers believe that the Rastafarian failure to Recognize the turning point of time. Some even accuse I an I to be lazy and do not want to work.

When a movement moving away from a System it have to decide to Suffer a lot. The more the Sufferage on the Movement the more the Movement gain the Confidence. In the Resurgence of Africa who also gain all of her experiences through Sufferage

Politicians believe in their own method of approach. When these approaches fail then the propaganda all ready made for a group or any group that is moving away from the System. The intention of the Government in this case, was to confuse or further confuse the movement into a tribal hysteria. Once the Movement is incited into any form of hysteria it could be used against them. It can be plainly seen, as is expected that the Government intention was tricky and the wicket was also tricky.

The Movement was not given any time to formulate the Back to Africa Movement desire. The delegates on the Mission was worked upon by Members of the said delegation something sinister. As it is mentioned by those who often have reported on the Movement intelligence will tell that most of the members of the Rastafarian Movement is illiterate. The African in Africa has certain noticeably mannerisms chiefly notice in the Tribes. Similar dispositions are noticeable in the Rastafarian Movement.

One thing mentionable is the Personality warfare. either doctrines or personalities often time separate hand on battle of unity. This lock's and Combhead war started at the time when the Movement was to choose nine members to represent the movement. by the Premier request. I wanted to test the Sincerity of the University Studies, so I ask them to make available the word Theatre so I can I could choose the Representative in a more Representable form. The entire idea was attack by the House of Dread Locks Bono Bee's Sons of Thunder.

They Argued in favour of a prophetic saying of the Hon. Marcus Garvey. "Nine shall Rise from the Dungle and overthrow the Government! When some of the Brethren learn that it was upon Marcus Garvey Birthdate August 17<sup>th</sup> the Premire decided to meet the delegation of nine.

The Drums Beat Louder and the voices goes up that Hon Marcus Garvey will appear on that night This allow the Security forces to communicate with Manley, and he change the date and time of the meeting. The Brethren then declare that it should only be dread lock Brethren go on the Nineman Delegation

Although I were the first to be chosen I was not in favour of the Selection, but one of the principle's of Democracy is Majority Rule. This was one time when the Reasoning of man became under the par of I understanding. For all I know the Rastferians stands for all African Unity and Solidarity to descriminate against one self its just too bad. Here I notice Tribalism which is Substituted by Nationalism in I School. I was advocating a Back to Africa program which had it foundation on The Arussi land Grant of Ethiopia. This land was granted to Black People of the west who aided Ethiopia in her days of travail. You want to know what make one ligible to this land Grant? Since it sounds like a Stipulation. Every Blackman woman and Children are entitled by God Grace. Although it may be technical to sort out one will find it very easy if follow closely with your understanding moving with the Sequence of events which they did not control in learning lies and now have to accept truth.

The kingdom of Ethiopia preserve lands for this occasion. Ethiopians know that the just shall live by faith and the faith of our forefathers. Record the cries and the sighs of the 400 000 000 scattered Ethiopians throughout the world. Laws and orders when maintain is recognize as Govt. Ethiopia maintain this type of Law and order and adhere unto such laws and orders and respect and Honour treaties and above all accredited for the very way it respect her International obligations. for this H.I.M. knew He could guide parliament to sign a Land Grant of this nature. H.I.M. himself came to the west and sight when and where the net could be cast to catch Ethiopians abroad.

How can I be a Ethiopian being born in Captivity?

Being Born in Captivity do not mean you are a slave all the days of your life. So H.I.M. point I an I to Recognition of treaty. for inside the Treaty of the Declaration of Human Rights and International Freedom Charters. The Rights to claim and change Nationality, faith, Opinion, Religion, Slave masters, etc, are enacted and I an I cite such through law which becomes psychological both in approach and attitude of Continuity. By now, Reader will be confronted with a Case that is very puzzling to even see.

To charge a Government and have a Case as sound as the Rastafarians with all the evidences attack the only thing to do is to move.

I an I claim to be Ethiopian? Ethiopia say yes.

I an I say I an I want to go to Ethiopia to settle Ethiopia said send the Right people. why?

The wrong people will want to go along too from these western shore which will be hot.

The half hearted approach done by Manley is not quite good enough. He Manley fail in publicly accusing the Rastafarian Movement for acts of Subversion in the manner of wanting to take away Jamaica. The Rastafarian movement do not want to take away anything from nobody.

The trials of any movement not recognize by injustices is not properly contested. The significant way to interpret injustice is to compare injustice with Justice. The legal and illegal way of claiming one's rights is also significant to explain. It seems that Gansai form of Govt fail to recognize International obligations in this case.

Here is a group of people, who are claiming to be Ethiopian and want to go to Ethiopia: How legal is such claim? How much does the Government of Jamaica understand those claim: Not until they were explained by the Professor before Manley knew he were obligated to such claim.

I and I are not concern about who is Right, but what is Right; I and I and the people are made to understand that the acceptance of adult suffrage Constitution in 1964 brought us up to be a people moving into Self Government. without giving any regards to those whose aims are above accepting any form of compromise. Meaning the Back to Africa Movement. for Self Govt would it be the answer to the desire of the Back to Africa Movement. The British knew they are the ones who should set the Records straight. But they aim to continually confuse the issues that, the legal claim look so much outdated. all these big talks and promise of modernization and mechanical minds and computerize brains and a very high standard of living, incomparable to recorded any where else in the world.

MARCUS GARVEY experience something of this same nature. Unintelligent people are persuaded to follow their overlords. when a people have to depend solely upon their employers, for food, Raiment, and shelter, the Slave System in view. To work unto Self-Cost, was not less a political training than to work for a Colonial-Court. All this and Heaven too, as to be blamed to the Politician that emerge from this Acceptance.

No Politician Approach this new Constitution with any of their own political knowledge. Some of them had haunted political memories of Marcus Garvey's betrayal.

Garvey was politically betrayed by Collegates, who could not easily accept the challenge to fight for his Right. fighting does not mean combat on a battle field only.

But by fighting systems that is set against a people.

Review the Records of Slave Emancipation in Jamaica. Then you will find that the Majority of the Slaves where send away from the Plantation; saying you are free.

Some think it would be better to stay on with Massaboss. others think like could go away and if paid for his work he could reach back Home. These are trials upon a people not Educated to a System, but by the System.

These action of our slave masters Teaches us How to Overcome the trials of Economical pressure regardless the Consequences.

while many stipulate the actions of the Government Concern other Concentrate on preventing the Movement from grow. The Movement do not have any set principle for any one to follow No Jurisdiction to impose, No master-nation. This Movement Move by and through inspiration Many Scientific Manipulation is notice by the way Movement Operate. Moving away from the system of a reorganize Colonialism.

Those who are in favour of the System take the movement as their personal enemy: why? because of Colour. The Movement have Racist tendencies. So does the Colonial System: also have Racist tendencies. The white man do not have to go around preaching white Power, Such a System is already established. This system brought about effective Political Control. The Question Pose: Since it is realize by the Movement that the white Power System is politically Controlled why not adopt a political Method of approach. The Hypocritical psychologies of the white man was more than what Marcus Garvey could challenge and gain victory. Politic is the after math of war's. How much I an I know of War's? and there after math. The legal way of keeping an issue alive, is to indorse it into a political issue which Command the Jurisdiction. The House of Justice is Classified by I an I as the House of unjustious Lords of the Earth, a Curry favoure set of Crooks who are Conceited in there dispensation. What is Important To know the truth about freedom. One Conscience have to be free before any form of enjoyment in these lands. The leader do not satisfy us that they have any more interest of the people more than to used them To form Government. When a government is form by the votes of the people. The legalities of administration can only be tested through the choice of this said people who do not know what to choose or who to choose.

The Proverb of the 'Race being not for the Swiftest  
neither the battle is for the Strong but he who  
can endure it to the end.' How much more one can  
endure these system is left to be seen. I an I is  
seen moving away from these Systems. To the astonish-  
ment of those people who do not care about  
the others. These are the same people looking for  
these great expectations. The opportunities always  
have their price. I an I know dues have to be  
paid, but what do you decide to pay as dues.

The changes gradually appear in policy making.  
These policies are made to suit those who make  
them. If and when these policies were in the making  
my consideration was given to the people who they  
notice persistently show their inclination to move  
away from the system it would not become a  
problem today. To refuse from calculating in the  
right manner causes the politician to come up  
with some wrong decision against the people.

Every time the politicians contest elections and fail to be  
successful they sure to be blaming the people. The people who  
try very hard to secure a job for one of these white collar digry.  
and received abused and sometime physical assault from Tugs.

Human dignity will be uphold by mankind when men began  
to realize the importance of the other man's freedom.

Again I will say why free the dumb to talk fuckery?  
Better he stay dumb. what does people expect of I an I  
after these many years of Slavery. I an I outlook of  
Slave always observo Slavery in all these form of  
disguise. The Doggy approach to this Back to  
Africa desire by the people unnumbered is

Both Questionable and Challengeable. So I an I  
 Challenge was recognize as Rights and ties that  
 can not be destroyed. Not with standing the approach  
 must be made with Caution. How Caution was Maulay  
 After public Criticisms took effect upon Him. He gave  
 away to the pressures of the Criticisms in favour of  
 those who criticize. Most of these Critic are black  
 African people who ride and alway ride upon the  
 Band wagon of freedom. The Conclusion of the  
 U.C.W.I Report on the desires of the Rastafarian  
 movement and how these desires should be implemented.  
 To purposefully send a mission to Confuse those  
 who are left behind, and used the necessary  
 provocations and propoganda, to further Confuse  
 a movement that the Government Pretensively  
 Say they wanted to help is a stab in the  
 Back of Democracy and a dagger in the hand  
 of a killer who try and fail to kill himself.

For this I an I uses the voice of prophesy upon  
 Him and his Govt and they were Remove from power.  
 At the time of the mission to africa Departure  
 the Govt did not care if the facts found in  
 africa, could be politically used against him.  
 To say you are a Rastafarian is quite alright  
 you would be accepted into the House of I an I  
 even some of the Houses of the Politicians  
 but just say you are an African or an  
 Ethiopian proper then. You are watch and  
 arrest by Police who are advise in like manner

The Government did not want to help, but at the said time he did not want any one say he was a coward in law. what we wanted was more important to us than what the Govt wanted we wanted Repatriation to Ethiopia that's what we said. The Govt accept the ideas of Resettlement in Ethiopia if facts can be brought back as to the effect of a Land Grant that is willing to settle those who wanted to go to Ethiopia. The lands are there alright He knew that before that these lands are there. Other aspect of a fact finding Mission to Africa was also important. What is very much important is the Composition of the delegation. Personally speaking when one put his heart in the struggle of Redemption then the almighty power of Rastafari will direct I an I to Victory. It did not need any draft or plan of progress to go to Ethiopia, ~~to~~ where I an I are concerned taking the term those lands were granted, <sup>under</sup> into Consideration I an I find out where our Claim stand far more out than just our desire to go back to Ethiopia Just So.

How possible I an I could present such case before a Govt. To retrieve the legacy of Slavery.

To implement Repatriation under the term of claiming a Nationalist or changing your Nationality from the country you now domicile is worth

Thinking about such thought are not mere thought of the day. They are problems which must be solved. It is quite reasonable for one coming out of Slavery should Rise and Reach to the highest peak in life, but Remember your Brothers I an I do not truly fail in carrying this torch any further, but the mess have to clean up before

venture to go any further. No one likes Confusion  
not even the highly Confused in a mental Hospital.

The laws were made to meet the anticipated require-  
ments. These laws had to be Repressive if they are  
to be Considered Colonial. Right is Right, wrong  
is wrong. Man can do Right things and Man can do  
wrong things. I an I know Queen Victoria's grant  
of £20000000 Sterling is to send Home black  
backs to Africa. The Money was invested not by  
I an I Trustee but political Trustee from that  
day in other Country they name Tom or Uncle Tom.  
Dr George or Massa Boss. Plantation Slavery seem  
about to begin all over again. The Rights to these  
money started to deny us from it was invested into  
Sugar and Banana Plantations. I an I advocate  
that these Business Cooperation who operates  
business through the Sources of financial Cooperation  
and such Cooperation is the £20000000  
left for the side purpose but to Repatriate  
Slave and these children. How possible can  
I an I make trained Thief to admit Stealing.  
How possible can one of such Cooperation  
a foot the Responsibilities of this Black  
movement that has a Goal

Look not now of who and who when to Africa but how they were chosen. Manley said He has to Choose those who would go on this Mission. From what we were told, many more Back to Africa Organisation was interested in going upon this Mission. So He Choose Both DR M.B. Douglas and ~~Dr~~ Monroe Scarlett from what they call Afro-Jamaican welfare League. DR Douglas make it clear and plain in Africa that he do not have any intention of coming to Africa what he wanted was to make Jamaica an African outpost. Monroe Scarlett was a stalwart in the sense of the word, he said he came to this back to Africa struggle as one of Marcus Garvey Cub and Grows up into the W.N.I.A. Westmore Blackwood was also president of a U.N.I.A. division Cecil G. Gordon is an president of the Ethiopian World Federation Inc Victor Reid De Leslie and Mr Lake from Antigua and the three Rastafarian Brethren. Douglas Mack Philmore Alvanga and your Truly MORTMO Planno.

The Rastafarian Movement Representatives was somewhat Technical. Both Bro Mack and Bro Phil had a pessimistic view of the Rastafarian Unity then the Jamaican Unity and the African Unity. Brethren of the Movement had faith in all things must be worked out through the powers of Jah. The W.N.I.A. as an organisation was equally disunited so was the E.W.F. Inc. This was a psychological discovery of the Movement. This to I was faith testing locally. Internationally the Question bigger than the most urgently needed desires of the Movement. Not even member on this delegation could overcome

### The Jealousies of the movement in lot Casting:

This was also surprising to I. A movement with so much Reverence for H.I.M should not act in the manner of disuniting a program of unity, it was likened unto a Cow giving her milk and kicking it over. With all fairness to the Truth, those who acted in the manner should be ashamed of themselves and try to take what ever mistake might have made the sudden misunderstanding of our Love Brotherman Doctrine that had taken the nation as a hurricane.

Season changes so is man in regard to time.

I have no blame to attach to those who are involved in this mis sight of social unity for all Black People the world over. Noticeable provocation was always around testing the illiteracy of the Rastafarian Bro Phil + Mack was able to be less impulsive but I emotions was often time above my consciences.

ness. when an African is so convicted to Africanation as I then we will share the same pains in the head. I only intention was to used the instrument of International law to Resurrect the unfinished Business of Repatriation. By Repatriation I an I mean a people leaving one Country and to Return to his Own Country: The ownership of the Countries intending to Received such people must be a peculiar Country in History.

Most of the Rastafarian Movement is somewhat attached to the Ethiopian World Federation as is illustrated only a few local of the E.W.F. have bearded members while locksman could only found at two locals. Faith without works is dead and if a people move away from one system choosing another let it be the Right. So that why Readers will notice along the line why some of the Brethren attach themselves to the E.W.F. The E.W.F. central Executive body lack the proper administrative authority in transacting the business of the Federation.

*This western civilization can not mesh into the culture and tradition of a people who uphold a culture of 3000 yrs. It can be plainly seen the obedience of those Brethren take spiritual leadership from His Imperial Majesty Haile Selassie I. A new world is to be born; when? faith answer in many various ways. Time materialize and justify the prophecies of Jah Rastafari. Intolerance causes many young revolutionaries to be lead into assassinating Presidents and other important political figures. Killing is done according to how you're pictured in the minds of the Assassins. In speaking of Assassination I an I does it mean killing only the man, but what he said he stand for. When will mankind accept this logic if peace is to be maintained.*

'Seek peace and pursue it' not by the forceful mean of conquering and domaineering weaker arm people. The Just shall live by faith and faith without works is dead. Here I ~~is~~ agree to disagree with the very idea to forget to struggle.

How well we have learned from Slavery down to Colonialism? The Rastafarian is the Earth most Strangest man. How Strange the Rastafarian accept African History written by European colonialist. Journalism is what form propoganda as Adam was form from clay and Adam became a living Soul so also ~~does~~ propoganda. The System apply upon the fact finding mission was more than highly intelligible that if should be combat would have to have equal intelligence. Africans noteworthy, for bickering among themself or eye with great suspicion His Brother and doubt every movement and the very first evil is to preach against his brother charging Corruption, Rieves and other Melprectisa Made propoganda.

This attitude was handed down to Colonial people by the System of Sabotage. This work in itself is a great Setback to the Entire earth desire of peace. Nothing can prevent the Rastafarian Movement from making Claim unto Ethiopian Nationality and such Claim constitute Repatriation Through International Law. Rastafarian bases this transmovement responsibility upon the Shoulders of the financiers who fraudulently converted The Queen Victoria Grant of £20000000 to uses of great benefit to politic and Political parties in so much Collaboration with each other in this defraud. The System of Colonial freedom is to accept through Voting procedure a Govt which will work in the interest of the people. How much does such system hold to the Voter has shown itself for four five year period.

For a Parliament to legislate a Problem like Repatriation that Government would have to come to many understanding:

- (1) Our Claim of Repatriation does not base on economical pressures.
- (2) Neither ~~do~~ I. in I desire to change our Nationality stem from political pressures.
- (3) The Rastafarian are consciencious of their African Affiliation.
- (4) The Rastafarian peaceable demand Recognition to the Human Rights set forth in the Human Right Charter.
- (5) The Rastafarians know the type of aid they offers Ethiopia during Ethiopia time of perils which is every day.
- (6) The Rastafarian has conquered the fears of Colonialism and became the first real Separatist moving away from the system of Colonialism in a Neo Colonial Society.
- (7) The Rastafarian know's the attitude of the Colonialist in applying Parliamentary Democracy to Quasi Independent Government.
- (8) The Rastafarian view with interest the different type of Colonialism impose on Africans at Home and Africans ABROAD.
- (9) The Rastafarian know the Hypocritical psychology of these Colonial Powers to try and regain lost boundaries in disguise and sacrifice of other whites or Black Nation.
- (10) The Rastafarian are aware of the propoganda of setting tribes against tribes and Race against Race and Nations against Nation and people against people.

Human dignity has been made out of stuff more expensive than any metal used in production today. The sentiment of Peace no longer exist amongst a people when their dignity is trampled upon by members of the same Regime.

The facts about Repatriation to Africa was not fully accepted in 1961. But as it was written and said by the Hon Marcus Garvey: "if the changing tide of world conflict do not change the Negroes then Economical Pressure will".

How true are these sayings, what causes Black people to be looking into the get together ideas, why forming so much Black Nationalism: All things work together for good; so is all these New Conscious Groups. Many Negroes approach the struggle half heartedly only to find his mind keep on swaying all the time. He claim to blow where the winds blow. I an I will classify this ninge to be an Economical Negro and I an I the oppressed Blackman.

I an I are oppress by our own ideas which must be done as we expected. But others benefit from the action of the Movement. Some call it illogical to believe: o/c The attitude to attack the System I an I portrayed.

The Government to count-attack must used propaganda against the truth; The Result, a crisis: I an I speak truth that hurts our very soul Brothers + Sisters.

This whole theory about Negro is only a form of Co-operational name attain by some of the larger institutions of Slavery. The opposite of Negro is Blanco yet if call Blanco it would not fit in, The Spaniard uses the Term Negro to describe the Blackman and Blanco to describe the white, yet if a word have another meaning the other meaning of the word can not be used without

Confusion. The British Government was afraid to openly tackle This Back to Africa affair just as it accustomed in doing in other issues concerning Africa. For the love of mankind I am I Remind the world of the doom that await it from the hands of the almighty God His Imperial Majesty Haile Selassie I. Warning the world from the Postum in Geneva.. H.I.M. ask all nations to Review their Conscience.

I am I are not afraid of Arms might for the truth must conquer the strong arm of force. The most important ~~thing~~ message to get across to the world now and is to send the people who are willing to identify themselves with the people of Ethiopia. Ethiopia is willing to take the initiative to Resettle Black people in Ethiopia very hard task.

Very hard because of Suspicion of western Ideas. The every remaining Scars of the West India Regiment during the two Ashanti war 1912-14. The West India Regiment in Egypt and the Boer war in South Africa. The anti political warfare against African Nationalist the Refusal to cooperate with the African approach to the Colonial and Economical struggle by the Africans at Home. The unsympathetic attitude toward African Colonialism and the white man attitude to further Colonize the Continent. all these are tasks before Black People

Did God mean to be Racial by Making men of Colour?  
Has God any Colour of His own?

How one would classify these Saying: **I God Am a Jealous God and thou shall have no other God before me?**

Racial Relationship with Understanding of both Races by both Races peace and harmony could embrace each other. How can one expect love and peace when deep down inside his heart there is a plan to enslave the very dignity of the other man. Oh Lord God Rastafari how long would you look on. Rescue my darling from the lion. It took other Races Centuries to make the grade up to ward independence. The Preservation of Peace, the Maintan of law and order the Rule of law will only and can only upheld and Recognize by Sober people to I an I observation this world is the product of mad people. western world Govt is producing more derange people than Sober Collective people.

Truth and Right I an I defend, by our attitude I can prove to be an (Ethiopian proper) an African in General.

I am trying to Confine myself to write about a Movement moving away from a system through inspiration.

I intend to show some practical aspect of the Movement operation and achievement since 1960. As N.I.M.

Speak with an interpreter so also ~~that~~ the Ethiopian abroad: so much things to be explained in an un-Orthodox manner. The only freedom of expression is to express without interference. Although the Rastafarian Movement is non committed in the affair of Jamaica Political State Parliament. There is a time when the dissatisfaction of the movement come upon the table of the House of Representative

I an I is trying to explain some of the complications of the Back to Africa Movement, and the Rastafarian Movement achievement since the evidence pointed to the Rastafarian Movement as spear heading this Back to Africa program. In the Hansard of July 1948

Jamaica House of Parliament, Reported the very first attempted approach of taking this Back to Africa unfinished business through Parliament by the late Hon. B.B. Coke.

Mr Coke Motion was asking the Govt. of Jamaica to Remove from the House the difficulty of these people who have showed the willingness to go to Africa and develop themselves since they believe that such opportunity is denied them in Jamaica.

A scheme started by some travel service, resulting in fleecing the people of thousands of pounds toward passages to Liberia. Mr Coke contended that no hindrance should be made, against those who want to go and to take whatever money they had with them. The House broke up in

Confusion for this matter is too technical for a Jamaica Govt in the year 1948, just four year old adult suffrage Constitution. This piece of legislation brought new hopes to the Back to Africa Movement.

This was taken into a political vote seeking vote.

The next five years the P.N.P. Opposition gain more and came out the winner of the 1953 Elections

The year 1955 was like a new era, for here more New Locals of the Ethiopian World Federation Inc. was set up in Jamaica, and members of the Rastafarian Movement got a charter and this was where something effective happen since 1955

The Ethiopian World Federation is used as an institution of learning about Africa through Ethiopia. I an I realizing the now forward march of Egypt and Gold Coast toward freedom it gave I an I the inspiration of liberation. The Kenyan Mau Mau operations was an interested affairs of the Africans in the western world of the type of defence the Africans offer against the intention NOT to mention that in Ethiopia 1935-40. Africa is used as a black board and what is written there on, was considered as lessons for those who are convicted to African liberation from Colonial Rule. The pace may look slow to those who are over anxious to ride upon a Band wagon. In Jamaica where Marcus Garvey was born there is always this great hope of the Redemption of Africa and Repatriation Back to Africa.

The Question pose here. How Can be Repatriation before Redemption of Africa? Was the Representation in 1948 was too early. Time Say No; So the politician used this people who are economically unstabled and politically illiterate to form Court and create opposition.

Events in Africa over this period causes I an I to keep an international eye on Africa and by so doing did not find any time to be interested in the local political affairs. The unity of purpose between the Rastafarians and other Back to Africa fractions become dissenting.

The Rastafarian Movement can not fully accept the offer of the British. So there Constitution was only accepted by I an I because we could not give it back to England but what I an I could reject the Constitution by accepting a more suitable Constitution for the Rastafarian Movement, a total rejection of the Society.

To I an I this period 1944 when Britain offer Jamaica her Constitution was the same time a world Body was drafting the Declaration of Human Rights which was ratified 1945 and adopted by the World Body. To I an I the world Body Constitution was the freedom Constitution we were looking for. One that would offer Repatriation. How did the African state view Repatriation in 1961.

Ethiopia was the first African state visited. How well Ethiopia view of the concept and ideas of this Complex Back to Africa Movement? very well indeed. for the British was there and set up intimidators to ask erroneous Questions and giving foolish advice to members of the delegation. That was not so important what was important. How did Ethiopia threaten the Delegation. The Govt of Ethiopia final decision was acceptance.

The Land Grant was one of the important visit while the Delegation was in Ethiopia. It spell out the fact that lands have been granted in Ethiopia.

I am not prepared to create any more anxiety on the part of elaborating and describing the lands. The fact was to find out if lands are available. The answer therefore is Yes! lands are available for Resettlement of the people who can identify themselves with Ethiopia.

The fact finding Mission Delegation visited the Church. now the Church is where all the misunderstanding is. I an I as Rastafarian is very strange in saying Rastafari is God, we Sing *Haile Selassie is our God and King*. It look as this was one of the orders from Jamaica Hypocritical Society to find out if Rastafari is God. This discussion started somewhat critical when one of the Dirs on the Delegation point out these ~~Rastafarians~~ with the beards are those who worship H.I.M. Haile Selassie as God. The Abuna said through an interpreter that *His Majesty is a Christian* which spark off the discussion: I an I told the Abuna that I an I see H.I.M. as God through the Prophecies of the Books of the Bible. I an I ask these Questions. *If the Throne of David is the Said Throne that H.I.M. is now sitting on? He said Yes! Does H.I.M. bear these titles as King of Kings + Lord of Lords Conquering Lion of Judah; Prince of Peace? He said yes!* I an I classified our understanding of certain Chapter of the Bible which points to the coming of the New Messiah. The Abuna said if its ~~the~~ *the* we are interpreting then we can continue in so doing. This particular case was not brought up before H.I.M. I an I did not doubt that H.I.M. is the New Messiah. I an I would not ask such question while in Ethiopia there was many who doubted these sayings so they were prevailed to ask the Right Authorities the Right Question. So in asking the Head of the Church the Question must satisfy them with the answer to such Question. Although when the Delegation return from the Mission the Question was put to I, if I ask H.I.M. if he is God.

The Third factor was our Nationality Claim. for this  
 The Ethiopian<sup>Govt</sup> Gave the entire Delegation a National  
 Robe and was told not to take it as a Robe or  
 a gift But to Consider ourselves to Ethiopian.

His Imperial Majesty said. He know that the people  
 of Jamaica and the people of Ethiopia are bloodbrothers  
 and when we are Sounding please send the Right People.

Ethiopia. Satisfy the delegation that there is enough lands  
 to Resettle the entire West Indies population. Personally  
 Speaking of Enjoyment of freedom. Only in Ethiopia

I and I enjoy the love and Spirit of Brotherhood.

Not to say we did not feel free in other parts of  
 Africa, but being former Colonial people who are  
 equally Suspicious of the ideas of Coming into

Africa. Nigeria our Second stop we learn of  
 the total disgust of the federal System of Govt and  
 the desire to change the Govt, this was what the  
 people in Lagos of the Action Group Party said.

The Government on the out hand said, Nigeria  
 being a federal Government will have to  
 put the Case to the federal Parliament, then  
 they would be able to give us any  
 Answer about getting lands to settle.

The then Governor General Namoli Azikiwe  
 Told us about the problems of Tenure.

The Government of Nigeria does not own lands.  
 Lands are vested in the Chiefs, but his certain  
 that the Government can acquire lands and  
 will get such land. But we should visit  
 the other regions and hear what the  
 ministers have to say.

when we visited the Western and Eastern Regions we got favourable argument about Supporting our desire in parliament. Dr Okpara in Enugu told us that He knew all about Slavery and The works of Marcus Garvey He is very glad to know that we in the Western world want to come back Home He knew a day would come when the people would want to come Home.

In the Northern Region of Kaduna the Sardauna of Sokoto Chief Amalio Bello said if we can come and identify ourselves to our tribe we would be let in. He pointed Monroe Scarlett to be of a special tribe. The British was side by side of the Nigerian Govt in the North with Administration. We were told by other Nigerians in Lagos that we shouldn't go to the North, for we won't get anywhere they are so hard to understand. We found that to be true the Northerner was very hard to understand although many of them can speak English they refuse to even speak to you or greet you as a Brother. We knew trouble was in sight by 1962 the trouble started and the outcome is a Civil war up to this time of writing 1969. --- we went to Ghana Here Nkrumah knew what the mission was all about so he got down to business He wanted to know how many people wanted to come to Ghana: we did not have any ideas so He told us we are go back to Jamaica and make him a Memorandum and send it to him. Then He can do something effectively He knew Garvey and Dr Aggrey. He was in America and feel the Spirit of the Brothers in America He is hoping for the day when the people

in America should say what the people of Jamaica say they want to come home.

Not very much of the British influence was visible the people of Ghana to my opinion was in keeping with the task and Realization of the Redemption of Africa. In Liberia DR Tubman was that grand old man of Liberia & America. He pointed out, the awareness of the Liberian Government of the desire of the people in the West who always want to come home. He explain article 58 of the Liberian Constitution provide for the Resettlement of Africans coming from the West since Liberia is built upon the very ideas of Resettlement. Shoe-making as a trade could do anyone who wanted to come to Liberia a good Business for there is not one single Shoemaker in Liberia.

As with the Rest of African leaders all elaborate about the Setback of the Country Development unaccount of Colonialism. Sierra Leone was our next step but DR Nappah complain of the newness of his Govt and he is unable to do any thing now but in future time he will get land.

In Sierra Leone there was an important political struggle MR Sakhaha Steven was just back from Britain and was under House arrest. Some of the members of the Delegation went to visit him. He complain of the British interference in the affair of the

the state and the desire to establish their own Quasi Neo Colonial Govt. Speaking about the Desire of the people of the west to come home back to Africa he said the British one tried to settle some people from Britain and the West Indies, but things did not go on well, and the Chief of the tribe after many raids on the settlement finally got a separatist state order from Britain. Eventually the people learn to live together in peace after a period of and when he gets into power he would take African people in Sierra Leone but they Colonial Master have to remunerate them. So far the facts found.

Ethiopia is the only African Government is in any position to take any large groups of Black people to settle. What have happened to the other Govt can easily be explained. 1961 when the mission went to Africa all the so call free state of Africa was sorting out their economy. These emerging free states of Africa in paying dues for their independence often time pay a little bit too much. As the Congo pay the Belgians. When Africa have to suffer in the field of Education Trade Agriculture and mentality deficiencies. The only Govt can come from such a people is a Corrupted Govt. we witness too much blood purging and assassination. The grievances when explain do not warrant death of your own Soldier. The Americans kept all the German Scientist Capt in World II with out being in fear of any Reprisal. They are all white one and to kill his white brother he did not want to no matter how much he is force to.

I am I say there is not one speck of Justification

in killing your Brother. To build a Race or a  
 people take this advice the material to start  
 your building, is <sup>up</sup> Love. Love is tolerance and  
 understanding of the other man. Colonialism is only  
 another name for Slavery and if our Leaders fail from  
 Seeing how close they are taking us back to this  
 Slavery it would be time to Start think in a  
 different perspective. It takes a lot of Sacrifice to  
 overcome the ~~obstacles~~ which is set before the  
 entire African People. Let us all commit ourselves  
 of Learning from the Pass, what I an I have done  
 why we are to be brought into Slavery and  
 when the Time come for us to be free  
 we notice another type of Slavery. we notice  
 the slavery in economy no money no ownership.  
 Ownership tend to keep one away from the Task of  
 the struggle of Africa liberation. I an I try to endorse  
 to the World a New System of peace and love  
 in poverty. Then I an I began to show signs of  
 claiming our King as our living God, it started  
 to worry the church Leaders because this  
 doctrine broke open a new era, Evangelism.  
 The church goes stop attending church regularly  
 and so bring down the church's economy  
 to bring Christ to the Nations we have to show the  
 Road of the living God. Christ to the Christians is a  
 man man's Son, for describing the God in man  
 He was charged for blasphemy, and death was  
 the sentence. I an I know two things. (1) when  
 the peoples of the world accept that The man Jesus has Colour  
 (2) then it wont be any hard time in knowing the truth.

Racial discrimination is a germ that enters the orbit of Mankind's minds. When men fail to believe in God. Believing and knowing, being concluded belief; when a people began to have knowledge of their own histories, then a tree will grow by the root which gives the tree greater strength.

So with the African people and their history. The Africans are coming to realize that all of us are being used as pawns whether we fight against another race or just groups of people fighting each other or killing each other. Will this be the type of peace hypocritical tongues preaches of. Let those whom bend on subjugating Africa and Africans know that to be victorious every Black man have to be buried and that's impossible, and our country Africa must be free. Be free of the intentions of enslaving people; even your own people with these ideas which of course are ideas taught, but not learned about as yet: In this I mean the political schools teaches these New African Leaders politics. The politics taught bases upon development with a commitment. This development program when not completely understood will create many problems. This will create an attitude to disregard God's laws and accept a political power God. Here men deceived themselves by their own acceptance. In what they believe ~~men~~. Men believe to enslave people will justify their greed and lust for luxury at the expense of hard labour by these same slave owners who has form these large cooperation. Their aim is to use any method of transforming this world colour people Great Rome the Medes and Persians The Saxons Anglo Saxons now it come to Caracassians

A Race that is build by the Rape and Corruption of domineering Race Group. For those who have faith in God, while pray away threatened disaster - will fine the hands of God who guard the powers of the Natural forces of Creation that have more atomic power than any Stockpile in the Command of men. Peace loving people began loosing faith in passive resistance and now avocating violence. I an I know that most of, not all European Countries can boast of their Countries development. Which is made from the Resources of other Country and Nation being Raped and plundered.

It Seems as the Nations modernly develop themselves to the level of Arms Might, the Political leaders began feeling as they are the God since so much is at is Command. Education Come in for all the attacks, and Teachers and professor's of Education who are honestly trying to give their Service to Humanity becoming some what annoyed over many personal disapproval of the Govt. dispensations of Laws. I an I can make or create trouble with and without Thinking of the Consequences as the case may be. The importance about this concept, what is trouble? myth of conquest in one respect, by politically brainwashing unintelligent people; by creating System of poverty which is offered as bribe to those who the Analysis prove more easily successable. Technology, is needed in all phase of life, for the materialism, and individualism, that is adapted by mankind prove beyond any doubt that Modernisation can be the world most

disastrous programs faces mankind one should think of it. Mankind is challenge with conceptions and acceptance, which become the challenge of the Survival of the fittest. Many large scale international program has come upon mankind to burden one's mind with the conceptions of men with ideas and ideals, they have or enjoy more sophisticated names; in more acadimical phrasiology. But to I an I, this wicked serpent whose only intention is to corrupt the earth must be stop. Be stop and stop now is one of the sign of this time.

Lets think of the Book or what Education teaches from a Book. This Book I'm referring to is a Book from the Books of the Bible: Revelation: in this Book there is a man looking upon a Book, which according to passages of the Revelation no man has ever power to loose the Seals of 'this Book' Education was at a cross Road, The Book represent the Symbol of Education: Education was having trouble as it is having troubles today. The voice that said weep not for there is one who is worthy of opening this Book. also represent Education. At the level of a lecturer he told this young man in is sorrow, that one professor in this Universality of the University of the Studies of Mankind, his found worthy to Read the Book. I an I know this is the Book of Peace I an I also know the ONE to be worthy to Read Such Book has won his examination and become graduated in this field of higher Education. Now the time for Education Revolution is at Hand what will the world expect from the Prince of Peace in this time of Educational

warfare? He came to the world, and they knew him  
not, So they refuse from take heed unto truth  
which can only come from the Book with the Seven  
Seal. When one work out the facts in this context.

How easily they will understand other facts coming up.  
The Revolution of today is for Education. The  
wickedest thing could be done to a people, is to  
destroy the very existence of one Culture  
and tradition. How much a challenge to us.

Then, when one notice the type of Education, offer  
or expose to a people and being force through the  
opportunity bribe offers. Then the time has come for us  
all to face the challenge of war. Ask yourself this  
Question How can I serve the Lord with my whole  
heart and listen to the answer coming from the  
immediate enlargement of the heart. The heart may  
flutter according to environmental conditions.

But the Question will pose many more Questions.  
The many doctrine come from the pulpit about  
peace and forgiveness, yet day by day the same  
ministers of peace, are seen in Council  
taking Council against the Lord and His Anointed  
Saying, Come let us brake their bands asunder and  
cast away these Cords from <sup>US</sup> U. S. He that sitteth  
in the Heavens shall laugh for the Lord have  
caught them in Division. Doctrines and  
philosophies will then create their own  
Audience to convert as many to such Doctrines  
and Philosophies. This also have the same  
appearance but it is real.

How will the africans approach this liberation struggle?  
How will those african being in the western Hemisphere  
<sup>approach</sup> the Same Struggle of liberation. The System that has created  
all these problems also know to Counterattack the Said System  
and establish effective Control. Here is where this danger word  
Revolution Comes in: This word Revolution has many  
definition: but the real meaning of Revolution is,  
braking away from the Colonial System, which seems  
undetectable in the eyes of those opportunist who  
does not care at who's or what expenses they haveid,  
Materially achived these desires. How well we understand:

Colonialism have many applicable forms of Exploitations.  
These forms are created and enacted by Colonialist with  
different or Simular dispositions. The French Colonial  
The British Colonial the Belgians Colonial and the American  
Colonials to mention a few of the Colonialist with  
both different and Simular disposition, and the people of  
Africa with Conflicting Colonial Ideas that have to be  
understood by all Concern Both the Colonialist and the  
Colonials. Boast not thy self of how much you are British,  
French, Belgium, or Americanly Trained or Educated.  
By chance one of the Colonials should Complete Studies  
in a particular Subject and should be distinguished  
His only distinction maybe expulsion from His University,  
or One totally disregard the logic and the Truth of  
his own discovery of true Self. The Africans both at  
Home and abroad have some very interesting story  
to tell the world how he or she survive the test  
of liquidation of the Race through an applied system  
Some of our most learned Brothers of our Race  
Have blinded the eyes and mind of the Vision of

Realization. Africans are learning these lessons well through the mistakes of these opportunists. The real face of our trainers are now showing up in the arenas. Like a matador without a sword and mad Bulls who are well trained to destroy the matador at sight. In other words Colour Blind Bull. Watching a bull kill an unarmed Matador is a much appreciated sport in the eyes and heart of those who promote such sport. Something of attraction is needed to tempt the Bull to be in rage being furious the Bull always develops a killing instinct. a bit of silk is introduced but it has a particular colour. Red:

Racial Relationship is also a sophisticated term for this tyranny. Does the Colonial Government had any right to colonialize the African people? No; what will be the expectation of these Colonialist from the wrong upbringing of a Race of people. Many contributors of peace find it very hard to give their true worth under the circumstances of Racism. The African seem to have no right to think for himself without being advise how to think and what better for him. It may be true in saying that Africa is not fully developed. why is Africa not yet developed? because they the Africans have a traditional pattern of development which is being interfered with by alien Nations. The pace of development with the limited amount of Technology is known to be the greatest set back. yet the period of great expectation is at hand. The scheme of socially breaking away from these system, is to be perpetuated by a New African Group

The Organize Africans easily form govt but with other Govt advisors in their drafting of such Govt. This exposes two type of Africans. An Old Ancient African and a New young African. These two Africans have ideas of liberation both realize the need of liberation. The older African prepare to stand by his old custom and Tradition making it very hard for those who are trying to beat the other with his own punch. Both African have a point, the old and the New points can be seen and be taken to the table of Reasoning but at such table the metal that makes an African can be seen and felt. Both would stand firm upon what proposal they make and either refuse from dissenting with all kind of Suspicion and accusation of each other. Both will accuse each other of certain tribal warfare and leave the whole issue in the air causing time and tactic to be wasted and often time informing the enemy of their intentions. This is the Result of an unblame understanding of the issue: The two Africa are ideas of one old person and another by young Revolutionaries. The youth has got causes to Revolt because he is the one more familiar with Books. Education has been changing ideas for centuries nothing will stop these ideas from changing one African into Another African. By this I mean. The old man who has the knowledge of the true History of Slavery and Colonialism, pass down to his Son the truth. His son in turn seek to find the method of approaching this Colonialization. Which by all means his search is in education. That's why these Schools and University Revolutionary demand is so much felt because the cry is Disatisfaction of so much things

The Old African Method, which he uses always been interpreted to be neo colonial - The New African in the Youth has been branded as Communist: No African can be Communist Africans are Communalist; We live in Communities where our Communal undertakings is such that we deserve notice to be people who have a very high sense of value. even by the way the sounds of the Dumb beat is understood by the entire tribe and other tribes afar off. Disorganize them, Disunite them, and we will conquer them and that was what the Colonizers did. Disorganize the Tribes, Our Community was broken up. This tactic was applied by the Jamaica Government against the Rastafarian. As soon as I and I settle in a Community; the settlement is somewhat infiltrated by political elements and as soon as they are being advised by their advisors they began picking around the Settlers and trouble often started this way. The method of attack varies. Sometime with the Priest or pastor of a church who always come to these Settlements saying they have a lot of help to offer these poor people so they always call us, poor people. To ask one if he would fight for his right is a silly question to the New African; this depend upon the status of the individual. History has prove that tribal chief has often time be made by these Colonizers. by killing one and setting up his lackey. This lackey will do any thing he has been advice to do: Because he always can not read the Colonizers language and need interpreters and advisors. who always be one of the Sympathizing Hypocrite. The tribe is broken up when the chief is found out to be a lackey for the enemy have to show power and Brute for to Stop the Drum.

from Communicate the message of discovery of that chief. Propoganda go hand in hand with these program of Selecting or Electing a chief to disunite other tribe and start the tribes WARRING. This type of Africanisation Began to change over this period of the pass twenty years. The white man got drunk for he drinks alot, and say some rude things to this young African in School, and Causes him to work out a problem. Calculating the whys and wherefore of this man's insult. The call for youth Organisation was made. The Responses Come quickly. So the African youth started a program of Socially organizing all youths of Africa. A Mental Transformation was in the Making; The youths began to think about Africa the Continent and not the piece of Africa under your feet. The History of Africa learned by the youth widened their scope and broaden their vision; and decided to substitute Tribalism for African Nationalism; to the Ancient warriors this is a blow to their Cultural understanding. Some would not even Contemplate the Subject matter. While others see where much more Unity could come from this Move. Here is a next sign of Revolution Propoganda was taught to the Chiefs of the Old African Propoganda is also taught to the youth in school. African began to suspect each other, and blame each other for false accusation which the white man made up. Tribal warfare always existed when the white man is around. The intention always been around to advise and when advice is not applied on one side then the propoganda have to be applied and a further descent of the unite among tribes.

These youthful Africans losing faith in this tribalism supported the general political ideas of his Country if it is large enough to unite the tribes into political parties they would act as vanguards in organizing the tribes. MR Intention does not intend to allow his setting to be utterly destroyed. So His propoganda used against the youth is Communism.

Since to illocate the idea of being a Communist is committing one of the most grievous sin the only real name the youth could be call was a Communist. The entire Social Structure is Colour motivated.

The white elements of Europe was supporting fuckery when they practise the lip service attitude of peace but in their conferences their votes is felt with the brutalities against youths and youth Movements and Organisation. These youths have ideas of their own.

Some of these ideas is said to be Marxist ideas. Ethiopia History has on Record, the Military and Educational Training Ethiopians gave Russia, by Peter the Great and Alexander Puskin. Carl Marx's learn from Ethiopian Scholars. Ethiopian Have their own ideas about world affairs, Not only Ethiopian but other Africans brothers began to learn the other fellow ways. we had to feel each other pains, we had to experience for ourselves the pains and Torture of our brethren the other Africans. fate is playing its part equally in the minds of some of the younger generations.

To get strange idea formulated on the Continent of Africa is a quite a bit of struggle, languages become the greatest barrier in Communicating the ideas across the Continent.

To Organise was the greatest problem yet in Africa  
 The youth had to Mobilize, Revolution was attack to  
 The youth Movements. but the true Context of Revolution  
 is to move away from the Colonial System, and to  
 Socially organize the tribes. To the Enemies of freedom  
 this task looks impossible to achieve. but being ahead of  
 time the enemies were too pessimistic too early.

The Elders who broke away from the tribal System  
 came in as very good advisor to African youth Organizers

A social psychology of the African is, once bitten twice  
 shy. How many African say the same thing in a different  
 manner. All Africa say the same thing: Liberation for Africa.

They are many catching ideas, set by political organisations:  
 Systems. Such System if not set in the interest of the people  
 the said people will be soon moving away from that System  
 How many different political System the Africans already  
 move away from. The History of Africa has the mark  
 of European Colonialism and the youth Africans when  
 learned more of the Colonialist they began breaking away.

The inner kernel of the Africans can be notice right along  
 Anxiety of the youth to be free and self ruled and  
 enjoy their independence. Some youth take this  
 liberation struggle as a game, and began playing Games.  
 African youths being organize and playing games became  
 teams. So we find one team up against the other  
 according to Circumstances. African Political match making  
 Many great philosophers has shape the Struggle for  
 liberation. Some began when they were young and became  
 old in the Struggle. Each team took the Struggle with grace  
 The old man Captaincy is Suspected and often time  
 challenge by prominent Youth. This seem a threat.

Black people all over the world are claiming their African Nationalist. But to claim that you're an African is not enough. One will have to identify himself with an particular African State: As I an I claim Ethiopia with Ethiopia backing. The Third world Americas and Caribbean Have Africans and are making and producing new Africans. These groups produces similar repercussions. As the Africans at Home. They claim not to be tribal, they are Nationalist. In these groups the colonialist find grounds to manipulate. The news papers are used as the greatest agents of this concerted propoganda which often times create a dilemma. The troubles today is with misunderstanding the African Question, and such understanding is like the slave history. Africans become victims of their own circumstance. Those who project themselves to be leaders of these groups being without the intention of directing his followers of going back to Africa causes the most trouble. The followers also to be blame also: for being fooled into following a leader without intention. This must not be counted as an attack upon leaders of black Revolutionaries. But the call for unity, must be realize by these leaders: Unity without purpose is chaotic. The most Recognize of the Leaders in this western Hemisphere is Marcus Garvey without any doubt. Garvey Leadership set the pattern for all other leaders to follow. Mould the African produces the African as a man with all that it takes to call yourself an African. To say you're an African because you are born being black is not sufficient. Many of these black group leaders fail in many respect to be call a leader; and many are following influential people to there grave. Many brothers are not worthy to be called thy brother, but there is other things to it.

One-God-One-Aim-One-Destiny, these words are meeting words of the Black African Slave man.

Marcus Garvey teaches every black man these words. They were the Motto of the Universal Negro Improvement Association the biggest African Organisation in the Western Hemisphere. Making all these leaders aware of their commitments. Every one learn a lesson but who learn his lesson well. It is said that I an I also came from the Garvey Movement.

One Movement, with one God: who would be this one God that Marcus Garvey talking about? one movement with one aim, what would be that movement aim? One movement with one Destiny; what is that Movement

Destiny? God is the Saviour of mankind we are told, God is the father of us all we are told, God is almighty we are told; yet that God is but One God and we the Africans Scattered Sons and Daughters should seek him, One God. This does not mean that we should be going from one denomination to another searching for this One God: One Organisation, His, God Organisation. The teachings of Marcus Garvey was The Black man lost his kingdom because he fail to think who the other fellow was. I an I say the other fellow is my Brother, of course that fellow looking like I is I Brother. But Knowledge produces different aspect.

my Broth. e's are the Human Race, yet my Brother is the African people who suffers because he is what he is. many Question pose between Secular and Spiritual teachings of God for we accept that God did tread earth

The Time is now when men realize that the influence of the Doctrines of the Church is less recognize by the youth. In Jamaica the Social behaviour pattern of the youth is to be viewed in the Social and Economic growth of the Nation there acceptance of *Class-quo*, as a Compromising system of Colonialism. The immediate family of youth often time youth themselves are not face with the problems of just civil disobedience but a complete Break down in Society through Youth Radicalism, which is anticipated in some quarters as Socialism, since Socialist Nations also apply youth Revolution. How much youth is attracted to the Rastafarian Movement since 1960 can be seen at a glance. Here is where the Crime Element can be easily be identified Police often times approach us with the Argument that we are supporting a criminal Element. Honestly we never support crime, but the Coincidence of crime in Neo-Colonial and former Colonial States as Jamaica, often time find people in the *Class-quo* status of underprivileged coming for the Social guidance of a Community. Could one blame the Community for lacking in Development on the lines of behaviour pattern? The parents of these youth who portray Rastafarian ethos are ignorant of the fact of Slavery and Colonialism in its specifications and therefore have to support a System that bring them in line as Civil, Morally empty. Cannot support the youth in the family upbringing and so often time abandon them. The Problem of these youths only become a problem when they are caught entangled with the Law. Sometimes the parents are brought before Juvenile Court and get back the child to try and Rehabilitate them, but that is when the parents have notice the youth intention of serving the living God Rastafari - apart from being born for Jah

The youth had to be a problem to Govt and a child of God. School, House, and other facilities are lacking to these youth. So, Survival is the only resort.

Santa Claus and Jesus Christ is the two white bearded philanthropist who the children are taught to love because they always give them charity. Although only at Christmas Santa Claus appear with toys for the children and Jesus Christ, who should be born at Christmas is not the Santa, but never came throughout the year. The children look upon the Rastafarians as the Santa Claus of the Year Round, not Christmas Santa. "I an I feel the youth woe!" Brotherman give me something nuh" Compassion is what I an I owe the youth. Some of them become so loving I an I own them as I an I own Son + Daughter.

Mothers who get children through protitudious deeds and never really have a father for these children, are often times given to Brotherman. Mothers who's Husband had been shot by Cops and other political elements these children also are given to Rastafari, for the Govt of Jamaica differently dont want them, so God have to take them.

The Birth Control system is easily taken by these mothers. Why? because they are poor and glad to be legalize prostitutes.

Politics in Jamaica is defended more by women than men yet Home training is lacking in them and bringing up children is far from them. It would be quite prophetic to say here that children will be against their parents in this time when the Home economy fall far from the grip of the immediate family of these youths.

Pride, Ambition, pretiges and all the attributes of life is engendered in these youth so they come for God Control.

we love to have the youth around us happy and not sad. When adult can scope with govt new Reforms the youth can not why? The Teacher's Compromise, the Politicians also Compromise. The people are force to Compromise under the present System. The youth Revolt against the orderly Colonial System is nothing but a clear demonstration of dissatisfaction of the System. To tell it like it is, who can deny that slaves were brought forcible from africa to come and do slave labour for a Colonial master Boss System that seems everlasting until the pattern of the youth become's challenging to orderly Society. The total Colonial System is threatened in the Caribbean with a bearded Revolution as the pattern is clearly showed by che. The Rastafarian being the largest group of beards such Revolution is set at the doorsteps of the movement. How much possible it is for the Rastafarian to Join the Struggle of the Third world is also left to be seen. Take into consideration the Rastafarian make certain social demand which is not meet, we make political demands only to find that we are not considered a people who should be entertained in this Community. Time is important Time is Running out, and frustrations are setting in and the trouble maker's are making enough trouble coming near with the type struggle that is long awaiting jamaica. How well the Govt of jamaica see these struggles? The Police who have to come in first Contacts with these social problems always Report them to Govt with their own Recommendation- which is put aside through political pressure from outside states with competitive interest in jamaica. These are the powers of the County America is playing a steady game of take over, the people began to feel the pressure of America take over.

What will become of the Rastafarian Movement now the Nixon Administration began to take over the Commercial aspect of the Country? The Republican party may keep to her original policy of hate for the Black people, or may not think twice to assist the movement, to resettle in Ethiopia if America is peace loving as they say they are.

America Govt is built upon the tenets of Cooperatives which is very competitive is all these undertakings.

The British had possession of the economy of Jamaica. Some of her assets were placed under the disguises of the Canadian Govt, Industries as the Public Service, the Telephone Co. These Canadian holding come under fire since the British left.

The Vice trade in Ganja is coming to an abrupt end. Canadian Bauxite is being competitively threatened. Tourist Trade is being reviewed in Jamaica and bringing Jamaica into an international conflict with Jamaica Economy threatened and the Country balancing power is in a very poor state if the peace and tranquility of the Country should be suddenly be distorted by uprising.

He pointed out that the Continental moral is based upon Liberation, He as an offspring of the founding fathers of Marco Polo, and the Spanish invaders help in proving that the support of this Liberation ideas is respected he pointed out the form the Revolution will be taking. Bearded and supported by the youths and those who love freedom and when he spoke of freedom he did not mean free the dumb tongue so he can speak but free the mentality of man so they can think for themselves and choose what they think are best for them - also.

Mexico is cited as the Country who supported the Castro Revolution of Cuba, with American Dollars that drain out of America into Mexico Ganga + Narcotic trade. The C.I.A. was very young in its operation then and could not adequately cope with Che-Castro. America also assisted Cuba people's Revolution, but was double crossed by Castro. A people who's will could never be broken with promises or compromises what came out of this type of determination exhibit by so few a brave people.

What are the Results of the Cuban People Revolution? The People of Cuba was face with a challenge of hard work to Rebuilt the Cuba they want Cuba to be.

Did the Kennedy Administration like Castro Administration no! So they Quarantine the waterway and effect the trade of Cuba, pressure other countries that support Cuba and now Mexico who teaches American tourist how to shoot professionally are prevented from travel ~~freely~~. Britain is one Country that fought two world war, and lost both only to be saved by her allied, which bring Britain indebted to her allied which can not easily be paid. Britain can not afford to keep any white Colony just now ignore there obligations to the Blacks African States development and offer great support to his white face brothers only to find the African states prepare themselves for liberation from Colonial Rule.

The white's nations like Australia ~~and~~ New Zealand, and Canada automatically obtain there freedom in Education because the system of white Education is realized by Britain but the poor African people ways of life are befuddled. Nothing to do but fight for a new change all the time no matter how much change come up.

How long off is this Revolution? Not very far off if the Govt wont take heed to wisdom. It wont cost the Govt any more money to deal with the Rastafarian Desire, than ignore it. The Rastafarian has add to the Jamaica economy in this way. The Tourist Board advertise the Rastas to bring Tourist to Jamaica. The Rastas are the Group who has indentify himself with Ganja as Twin Brothers for God also made ganja grows and even trying to prevent it from grow ~~and~~ <sup>so</sup> becomes the Service of man. why ganja becomes so dangerous a drugs? because the price and the people who used ganja are not helping the Govt in his reforms. Money drain because ganja is not legalize. and if it become legalize Govt Control is not eminent. so Out go The Ganja.

what Special interest does Rastas have for Ganja.?

The Bird that name ganja is a very back bird with green eyes is eyes find any ganja plant subtract the seeds and sow them elsewhere. The Rastas used this ganja in all our Ceremonies. Our Trade in ganja was not international because we knew the uses of herbs of this Nature.

The Doctors some of them love their profession and would not belittle the profession to cooperate with the immoral principle of killing a sick because he is poor and Black others are as deadly as death itself, and do not fail to show any black poor man woman or children that they have no love. The medical association is in the upper class status quo of the Society and often adopt political pressure to frustrate the Govt through the Ministry of Health. The Teachers the Clergy and almost ever essential service workers always have their political affiliation. Can any one now exist under a system that envelope every strata of Society into a political Camp.

Birth Control - Unemployment, and your Political affiliation  
 is the New Set of Chain found now to frustrate the Law of Nature.  
 Bear in mind the Rastafarian want to leave the Hemisphere  
 not to join in a warfare to Safeguard the Rights of the Spaniard  
 in getting the Hemisphere under Their Control. Neither do I an I  
 intend to Secure the transitional Rights of America is Securing  
 payment for her war indemnities. Will the Americans take over  
 the British Responsibilities or Obligations owed to the Rastafarian  
 many of the British investment are sold or change over  
 to America inclusive of the people in the Caribbean territories  
 I an I had made any approach to the United State Govt. as yet,  
 Neither we are in doubt of what steps America will take when  
 we make such approach. I an I is <sup>not</sup> looking forward for any  
 separate State in the Caribbean to settle. We are looking  
 forward to be sent to Ethiopia because Ethiopia call us Home.

According to the way the America interest is realize and felt  
 in Ethiopia is purely observant toward the Land Esant.  
 The lands in Ethiopia was granted to the people's of the west  
 because they serve H.I.M. They are loyal Ethiopians  
 abroad who have done much more for Ethiopia than  
 some who sold their Country short to Italy. How is it the  
 Black man's Black Mother, Africa, Can not yet hear the cry  
 of her Children who are really in a part of hell,  
 who want to come home to find a place under the  
 Sun where I an I can be free, The Ebony Beauty  
 of the Crest of the African Sun shine upon the face of  
 Mother Africa a woman of Beauty who's womb are  
 nourished with the Seeds of God, of Giants, of Saints  
 of Angels of warriors of patriots of prophets of Kings  
 of princes of Princess, of Silver and Gold and the  
 precious Stones of Jewels and health of Nature.

The Call to Africa I an I mother is heard over there. Africa has Realized that her young Sons must come home now if we are to save the Race from Compromising with Genecidal practises, practise upon the Nation of Black people! The Confrontation of the Races of Colour is in the making only God himself can change the Course of time. Do the Black police and military realize this in Jamaica to be fear to them some of them began to find out, what are they doing about it? many prefer to Resign. But is this the Right thing to do? I think so for they too are Jamaican Brothers. Does the Police perpetrate any Sternes policy against the Rastafarian Movement since the Mission came back from Africa? yes and no as the Case may be. Since the police become aware of the desperation of the activities of those who are fighting for Survival. Police are looking into what he can get out of the host.

The Police of Jamaica demonstrate their dissatisfaction by joining the firemen Telephone Co The water Commission The Doctors the Nurses in a go Slow tactic, while other essential Services strike for more pay to scope with the High cost of living. The Regrading of the Police Salary brought about Satisfactor in the police force but in the Army and the teaching Profession no money is available. Two Technical Security is threatened. The Teacher who lost respect of their pupils and therefore set a very bad example toward the discipline of the youth of today. The Army show their resentment by coming in combat with the Police who are unable to handle the major Security of the State

## BLACK MOTHER

- (1) Hold my hand Black Mother, Hold,  
I need to rise, I need to stand on my feet  
To rise to stand and to accuse.
- (2) Though I were forbidden to suck your breast  
Black Mother.  
Though the sweet bird of youth is crippled.  
I need to draw courage from your stretch arms  
To draw courage ~~life~~ ~~to~~ draw strength  
To draw hope from what flow in the veins of your  
Stretch arms.
- (3) Am I the lost child of your womb black Mother  
The abortive fetus of a false love  
being drawn in the depths of obscurity  
Am I a fading page in the dead eye of history  
Is anonymous now my name.
- (4) But once I had a true name Black Mother  
A name like the mighty spirit of chaka  
A name like the spirit of hererezo, of Namaqua  
Of Zululand, of matabelle...
- (5) I was not the abortive fetus of your raped womb  
then  
I were one of the strongest sons of your tribe, then  
I were the home of the glory of your tribal dances,  
of your wars of the mystery of your witchcraft.  
The home of the glory of your free laughter

- that you are proud of  
 .... Only yesterday I had a true name.
- (6) Shame. no more glory now... it is raped with you  
 Black Mother  
 No more laughter but the echoes of its mock...  
 Free laughter is dead in me.  
 Only hatred is victorious... how can I not hate  
 Isn't that the last passion left in me  
 To help me survive in the claws of those who  
 raped you.
- (7) Do I sound a stranger to you my black mother  
 ... a passion for hatred in place of the glory of free  
 laughter  
 But what else should one expect  
 From the wrong upbringing of a false love with  
 a false root...
- (8) Yet only tonight I dreamt a dream black mother  
 is it a dream to realized  
 I dreamt that all the eldersheperds of your tribe  
 Joined hands  
 Have joined hearts... to raise a question...  
 ..."who is the lost one from among us.. who"
- (9) Hold my hands black mother, Hold,  
 I need to rise to give an answer  
 I need to give my fellow elders my true name  
 I am the lost sheep my ninety-nine brothers are  
 searching for.

Hold my hand I need to stand on my feet -  
 I need to rise  
 I need to accuse the world Black Mother Hold.

Home coming

Look where you walk unholy stranger.  
 This is the land of the eight harmony  
 in the rainbow: Black.

It is the dark side of the moon  
 brought to light.

This is the canvas of God's master stroke.

Out of your foreign outfit unholy stranger  
 feel part of this great work of art.  
 Walk in peace, walk alone, walk tall,  
 Walk free, walk naked.

Let the feeder's of the Motherland  
 Caress your bare feet

Let her breath kiss your naked body.

But watch, watch where you walk unholy strangers.  
 This is the very depth of your roots: Black.  
 Where the tom-toms of your father vibrated  
 In the fearful silence of the valleys.  
 Shook, in the deep chests of the jungles.  
 Walk proud.

Watch, listen to the calls of the ancestral spirits

prodigal son,

To the call of the long awaiting soil.

They welcome you home, home in the songs of the

birds,  
 You hear your suspended family name.  
 The wind whispers the Golden names of your tribal  
 warriors.

The fresh breeze blown into your nostrils  
 floats their bones to dust  
 Walk tall, the spirits welcome  
 their lost son returned.

Watch, and out of your foreign outfit boother  
 feel part of the work of art.  
 Walk in laughter walk in rhythm, walk tall,  
 Walk free walk naked.

Let the roots of your motherland caress your body.  
 Let the naked skin absorb the home sun and  
 shine Ebony.

1936 was the year the western world heard the voice of H.I.M. Haile Selassie I in Geneva. 1963, New York heard the voice of H.I.M. in the United Nations. 36 - turn figures and 63 is the answer. The time was due in 1963.

So H.I.M. Make know the Cause of his visit to America

H.I.M. began by saying: twenty seven years ago I am the only one in this building witness the injustices of the Governments of the League of Nation, it was a time of travail for Ethiopia. Mankind has realize from then that when Nations fail from taking heed of the wise they face face with Calmity of earth destruction.

Racial Discrimination

is a universal Moral Problem.

Discrimination violates fundamental Human Rights, it violates the Laws of God and also the Laws of man. I cannot emphasize too strongly the importance this Problem of Racial Discrimination has in my mind. I believe both, The eastern Countries and the western Countries will have to collaborate to remove this problem which is the Scourge of mankind.

I am pleased to noted, that President Kennedy and his Govt. are making great efforts to solve The Racial Problem.

We would like to see more Coloured American come to Ethiopia to work and Help our people develop our Country and improve the standards of living of our population. They can render valuable assistance, Our doors are open. Unfortunately, few Negroes have come so far, but they will be warmly welcomed.

Trade unions and Political Parties are illegal

We must become bigger than we have ever been, more courageous, greater in spirit, larger in our look we must become members of a new race, overcoming petty prejudices, owing our ultimate allegiance not to nations but to our fellow man within the new Community.

18<sup>th</sup> U.N. Session

ON the Question of Race discrimination The Addis Ababa Conference taught to those who will learn, that until the philosophy which holds one race superior and another inferior is finally and permanently discredited and abandoned, that until they are no longer first class and second class citizens of any nations;

That until the color of a man's skin is of no more significance than the color of his eyes,

That until the Basic Human Rights is equally GUARANTEED to ALL, without regards to race;

THAT UNTIL that day, the dream of lasting peace and world citizenship and the rule of INTERNATIONAL morality will remain in but a fleeting illusion, to be pursued but NEVER ATTAIN.

AND UNTIL The ignoble and unhappy REGIMES That HOLD OUR BROTHERS in Angola, in Mozambique and in South Africa in subhuman bondage have been toppled and destroyed; until bigotry and prejudice and malicious and inhuman self-interest have been replaced by understanding and tolerance and good will; until all Africans stand and SPEAK AS FREE BEINGS EQUAL IN THE EYES OF ALL MAN; AS THEY ARE IN THEIR EYES

OF THE ALMIGHTY:

UNTIL THAT DAY, THE AFRICAN CONTINENT WILL NOT KNOW PEACE, WE AFRICANS WILL FIGHT IF NECESSARY, AND WE KNOW THAT WE SHALL WIN, AS WE ARE CONFIDENT IN VICTORY OF GOOD OVER EVIL.

DR. L. K. WILLIAMS OF CHICAGO

WE WOULD NOT WANT TO SEE THE LAST BLACK'S NATION IN AFRICA LOSE ITS INDEPENDENCE AND ITS CULTURE, <sup>LPS</sup>  
 WE SHOULD BE WILLING TO AID ETHIOPIA THE WAY THAT PATRIOTS AND CHRISTIANS SHOULD:

EMPEROR HAILE SELASSIE IS THE 225<sup>TH</sup> HEAD OF THE WORLD OLDEST INDEPENDENT STATE, A 3000 YEAR OLD NATION THAT EMERGED WHEN ENGLAND AND FRANCE WERE UNCONCEIVED

WE FOLLOW WITH THE GREATEST INTEREST THE STRUGGLE OF THE COLOURED PEOPLE OF THE U.S. TO ACHIEVE EQUAL RIGHTS AND HUMAN DIGNITY AND WE CONTINUE TO FOLLOW THE PROGRESS OF THAT STRUGGLE WITH INTENSE PAIN AND PLEASURE; PAIN, BECOMES COLOURED PEOPLE IN AMERICA EXPERIENCE INEQUALITY AND PERSECUTION, PLEASURE, BECAUSE OF THE EFFORTS NOW BEING MADE IN THE UNITED STATES BY NEGROES THEMSELVES. AND BY THE GOVT. TO RESTORE THE FREEDOM and privileges TO THE COLOURED PEOPLE WHICH HAVE SO LONG BEEN DENIED THEM WE HOPE FOR AND WILL CONTINUE TO WORK FOR THE SPEEDY AND SATISFACTORY SOLUTION OF THE RACIAL PROBLEM IN THE UNITED STATES. WE WANT OUR COLOURED BROTHERS IN AMERICA TO KNOW THAT WE ARE WITH THEM IN THEIR GREAT STRUGGLE FOR JUSTICE

MILLIONS OF BLACK AFRICANS ARE PROUD OF THE AMERICAN NEGRO'S CIVIL RIGHTS FIGHT. WE IN AFRICA DESIRE SUCCESS IN THIS STRUGGLE. I PERSONALLY REAFFIRM OUR BASIC UNITY OF PURPOSE, WHAT WE AFRICANS AND COLOURED AMERICANS SEEK IS IDENTICAL. WE BOTH DESIRE DIGNITY AND FREEDOM AND AN END TO OPPRESSION AND DISCRIMINATION BASE ON COLOR.

MANKIND FACES WITH THE TASK OF DISTINGUISHING TRUTH. THE TRUTH WILL SET THE FAITHFUL FREE. BUT WHAT DOES MANKIND EXPECT OR EXPECTING FOR THESE WRONG UPBRINGING WHICH IS A TRUTH NOT EASILY ACCEPTED.

Rastafarian always have in mind the Responsibilities of the falsehood teach to a people; is a creative art science.

Rastafarian demonstration for right against wrong. Misunderstanding seem to be the answer to disunity.

I an I Suggestion to unity is only a method of approaching a complex system. what wrong with mankind can only be answered by the everyday confusion of self.

The Materialism of the Luxurious world has created a cloud of darkness on the mentalities of the great world thinkers. when a system is created to prove a theory in its final analysis the creator of such system has come to the realization that such a system in itself is a problem. The theory is a transition of a former system, and how it can work. **Mankind in his Consciousness Self desire peace.**

'Tell me not in mournful numbers that life is but a empty dream' Mankind intimate that the desire for peace is only a dream. **Love is a different substance from peace, and can be created in similar fashion. Love is an Orthodox Mannerism which evolves and revolves. Peace is viewed in a very different perspective. The Necessities of life the Materialism of life. The Enjoyment of life; life in the face of truth is good, Mankind determine the kind and type life man should live. A Realization of God and man power.**

Man power is felt in and through state laws which bring mankind in line with two stage of Classification.

(1) Prejudice - **Class System** - Complex System. Relationship.

How I an I view the entire issue of Repatriation cannot easily balance with a peace and Love - **Doctrine only.**

The Time has come when I an I have to challenge mankind with the power of God. Regardless of man achievement, for the Lord gave and the Lord taketh.

The Political procrastination, the Victimization, the Brutalities, the Social and Racial injustices all amount to, How does Mankind Desire Peace + Love and administrate in this fashion what must man expect. Who is wrong or Right as the Case may be? None:

Education in it self is or should be a reality to the truth. None can deny the System of Slavery and the method of Colonialism. Both Colonialism and Slavery has been taken in the very same Context. Peace + Love, Right + wrong.

are Moral Standard of attributes which can only be engendered by mankind the way mankind appreciate the facts of Life. International Morality is at stake? who can say No? where is your Collective Security? Does it only Rest in Guns? Brite force is the Standard of mankind Morality today.

The Entire world population have to be giving thought, to Revolution. people are moving away from the System of domineering. Here I an I have call attention to the fact, that the African people suffers two different type of Slavery in Africa, and two different type Slavery outside of Africa. for the Africans to forget and totally eradicate the Memories of Slavery the So Call powerful Nation will have to realize that they also have to harken unto truth. As people with brain and can understand some of the British words spoken unto us; we Realize what word like freedom mean to us. Not only to loose our Tongues to speak anything apart from the Right thing, a jusos Verdict. So say one So say all, The world need peace + love so we have to pursue peace in the manner set by the King of Kings

Colonialism is kept alive by a Colonial police force & Laws that are repressive to the people. What I an I have to say of the police since 1960, is no less than what I will say of all the Ex Colonial policemen anywhere in the world. The Ex Colonial policemen have a mentality that cannot be adjusted to the Sequence of events. Their duty to keep the peace of the State, and to see that the Laws are kept. This knowledge about Laws, not even expose to the policemen who are to see to it that it is not broken. It is not a Secret to see the policemen breaking the Laws as they like; Some times not realizing they are breaking the Law. They themselves do not know the British Colonial Laws. And the Laws does not change although the Constitution change: The Rastafarian in 1960 was a target to the police in 1969 I an I are more targets not only to the police but to those who are Satisfied. The police realizes that they are being used as a tool to do dirty jobs. Some of them are leaving the force as fast as they go in. 1968, 123 Rank policemen Resigned. 1969, 155, policemen on the list for Resignation. So much things has happened to this poor Chap the police. Since the New political era the police had what was coming to them come abundantly. There is three or four particular instances of police Realization came to them, that they are members of the Colony and so remain a upgrade or privilage Slave. As young as Jamaica Independence is; the Government should realize that, if they do not handle the Police force in what they the Police call justify or Satisfiable manner they can easily upset and embosage the Government that's what happen

Jamaica Government expose to police criticism for.

- (1) The crown prove a prime facie case against a police man for murder with malice and he was sentence to be hang only for the Governor General reprieve him from the gallow to a ten year prison term. In this case the law took its course Justice seem appear to be done. in this particular case. But it was said to be a political issue.
- (2) A minister of Government coming from a football match at the National Stadium, His car was stop by a signal police acting Corporal in Uniform. He open his car door after the driver stop and he went up to the young policeman and Box him twice. He was prosecuted through the Director of public prosecution The Resident Magistrate found him guilty and fine him £30.- - He appeal and lost. The young Police man was given another stripe so he become Corporal Brown. This case also was listed as a political matter. The young Cop Sued but somewhere along the line it was made up. But other policemen took different look at the new treatment of the Police force.
- (3) A minister it was said marching a head of his political followers march up to a Superintendent of Police and held him in the Collar and Bot and Kick him and his followers man handled him. Other Police men witness and had to run for cover, This case was contested in Court the result no case against the Minister. So all the police involve was force to resign. not to mention his tears.

The people who support this strong political Party who Ministers can beat policemen and send them to prison then the police is only a little boy we can beat them too. Know this never in the history of Jamaica so much things happen between the people and the police. The Rastafarian Movement began to grow during these period for the down fall of babylon was in sight. Both political parties wanted the policeman to be hang for the Murders. One of the two major party began to be in fear of the newness of the fight for power employ in the 1967 Elections. This is the very first time I an I notice politic in Jamaica. Before the Games was just hold them we two, which is used as political Party Sign a Clench fist, and a finger Victory Sign. The Rastafarian is the earth most strongest man. Thousand of Rastafarian. Could be seen in the west Kingston Area, and from 1962 Election this areas is the most concentrated on the political maps of both party, neither party was certainly if the Rastafarian would abandon their non political policy to make a vote. Politicians and other advisors Advices Samuel. E. Brown better known as Cobra as a professional Cyclist' to enter politic they gave him some money and he was able to Contest the 1962 general Election in the west Kingston Constituency. How much money the politician pay Sam to Run as a Split Vote Candidate did not use him in that Capacity in the 1967 Election for is total in 1962 was only 82 votes. Bustamante Announces That only 82 Rastafarian he knows. Bustamante knew Sam Brown very well so he gave him a Contract.

people began to use propoganda against the Movement when they heard Bustamente's Knowledge of how much Rastafarianism in the Area. Many things happen after the 1962 Election between the Rasta Movement and the political people all over Jamaica during this five year period 1962-66. The Sentiment of evil was born in the Movement since one set of the ideas of going to Africa changed for political power.

The Rastafarian Movement still remain non political, but 1963 saw the Police and a group of Rastafarian clash in Montego Bay, the Rastas was force to defend him self against one of these sporadic raid from these wild beast bothers of mine. The group manage to kill five policemen it was Reported, by the next day the Prime Minister fly down to Montego assuming his Ministry of Defence he Commanded the Army to Slaughter any Rastafarian in Sight, the people of Montego Bay was given a police order to hunt down Rastas and bring them in. Hundreds of our Brethren was killed and buried in the Hills of St James the same place where Amier Palmer the white witch of Love Hall buried the bodies of our fore fathers. The Church's got an opportunity to preach a doctrine against the Movement. This action of the Govt and people of Jamaica causes number of the Movement to remember that David was a warrior and his lions bring back the Saviour in Christ and such like Brought forth H.I.M.

The Church of England and these offshoots Missionary Churches  
Take great stand against The Earth most Strangest man  
Religion and politic is the order of the day, all are advised to  
be organize in these Organisation to inherit benefits of the State  
There is noticable illiteracy in these Mission Houses church  
but they serve there own purpose: Christianity become a challenge  
to this falsehood, this myth of God invisible, living beyond the  
Cloud. The Earth most Strangest man Challenge the myths with  
a natural philosophy of the King of Kings and Lord of Lords.  
men of the Clergy always preach a dislike to the ideas of  
the Rastafarian movement. It cost them nothing to attack the  
movement on the pulpit. Viewing it from the true standpoint  
This was a One for One affair. I an I Sword the parson  
as liken unto prophecies. beware of the Parson, false tongue  
preaching as he go along about the Kingdom of Heaven.  
I an I come in direct contact with this Parson and the  
result, he is the one who look for the exit. Even when  
the Rev. C.V. Henry came in 1958 He suffer the same treatment  
until he began to accept the King of Kings + Lord of Lords.  
In Jamaica the idea of God is a man, is well known and  
understood. This god is a spirit only appear as 'hussling' in the  
churches. Since 1961, the churches benches become empty, almost  
more people stay at home, you can hear the Sunday genial  
on the Radio every Sunday trying to bring souls out to  
the Church. This is undoubtedly a Commercial undertaking  
So it also is expose to competition. The Evangelist also  
join the Race for competition. Always ending Send your  
Contributions to a given address. Many of these Sermon being  
directed to us. Abusing us for keeping away the peoples  
from the churches. The Parson have a right to gather  
the people who they scattered throughout the world.

Mafia cloak and dagger system is notice in the Roman Catholic Churches. Mussolini exposes much. How effective is the Earth Most Strangest man doctrine to the Roman Catholic Churches? I am I expose a lot of the Mafia action of these gangster type R/c Priest. Every R/c Priest is so trained that he can be a fighting general in any Army Revolution. The Ecumenical Council produces certain reform that causes much dissatisfaction that brought about many Revolutions in the Churches of the Vatican. The Church of England under Godfrey Fisher and the Church of Rome under Pope John XXIII.

The American S.J. wanted freedom from Rome. American Catholic became different from Roman Catholic. Priest began to Marry, something contrary to the Pope doctrine. Some Catholic Priest leave the Church entirely. The entire Roman Catholic System seem to be crumbling. In Jamaica one Roman Catholic Priest leave the church for a wife and to found a family and wear his beard. Food for peace was the method of catching souls through it was distributed by the R/c Church. Much old and very poor people visit these distributing centre but very few are able to attend Mass, if you do not attend Mass then the church do not gain a thing. These records show how much attendance the Church receive over these period and find it going down. In Schools the Boys and Girls are breaking away from the Roman Catholic System. The exposure of Homosexuality and the participation of the Homosexual debate by the Church was sounding the death kernel for the Churches. The girls and Boys want to know the true meaning of sex and sexual behaviours. The church stand   
 around

The Politician try to get the Movement interested in  
politic only a small faction of the movement even  
listen to political meetings. None of the two major Party  
could interest I or I, neither a third party couldn't introduce  
itself in the like manner. So here we are a target to the  
Politician. A target to police, a target, to the parson & Priest  
The Politician who are Teachers of ~~factories~~ set the people to  
take target of the Rastafarians. 80% of the children born  
since 1961 become Rastafari DREAD LOCKS Sons of fire and  
thunder. This make parents mad at Rastas, The few that still  
go to church, when the parson or Priest preach anything  
against Rasta's you can hear it hearding across the news.  
Steadily the faith of the Movement, develop where the Politician  
had to act and act quickly. So laws were made more  
Repressive than the British Colonial Law only to scope  
with the ever increasing growth of the Rastafarian.  
Laws were strengthen to secure against bogus voting, by thumb  
printing and photographing of the votes. This was rejected  
by the entire Rastafarian Movement, other claim to reject  
the ideas of photo + thumb printing, but soon had to fall  
in and go all over asking these members to secure  
these vote. It was so amusing to hear these Politicians  
going over the same people who was told not to be photograph  
telling them go take photo and come vote, they lost many votes  
for all now people still don't know what they are saying  
Repressive as the Law of British Colonialism the steady  
increase in penalty for having Herbs in your possession  
was unable. This law was not to hurt the herbs but  
was directed against The Rastafarian movement who  
was the principal user of the Herb. All this could not  
move the movement, so they bulldoze the herbs and set

The Prison was set to brake the will of the young from becoming Rastafarians. The prison only make more Rastas out of those who was stiff necked. In Prison the good old Queen Book of King James version of the Bible. The Bible is the only book not prohibited to a prisoner. These younger Brothers learn from the pages the great stories of Courages, the trials the fortunes of Some and the Misfortune of Others. without a person to Confuse the issues surrounding the Bible stories, the youth become more convince that God is a living Man. Prison may not change the young man right away for sometime he himself can not comprehend his own reading. youth always believe in youthful Company. Company always causes involvement, which sometimes take one back to prison. Once the youth become an offender of the law he become an automatic victim of Circumstance. Crimes Committed daily by Criminal not known to Society these charges remain in the offices at police station only to be given to one of these victim of Circumstance. The penalties the crimes and the cost of living everything rise, unemployment also on the rise, production cost and other demand prevent wage rise, so in every department the system is looking for crime. youthful Civil Servants Being Convicted for theft, as a servant, the Postal agencies, have these quota of new prisoners for letter stealing. Police men, Soldiers, Bank Clerks, Politicians, Ministers Reverend, fire men and any imaginable essential workers, all come in for prison for the cost is more than what they are earning. The entire prison system come from the disguise of Social indiscipline to just another universality of this universality.

The Personified person God is not fully Recognized by Mankind. yet Mankind in his ability to administrate jealous after personifications. Many Politicians expect us to believe that they are the Masters of Love. The way they talk about the Country one always wonder if there remain in them the Love of a person. How Hypocritical is these fuckers, these blood suckers, who never ever stop to realize that a person blood is in there earnings and when people have to pay taxes without earning. Then the final analysis, is, Revolution is expected. How far away we are from a Revolution no one knows. The cycle for a Rebellion is visible, but the Revolution is already in full gear. How long it will take the people of Jamaica to fully disregard Political leader, in lieu of Social rebellion, Rebelling against the same political system that seem to offer any real hope for the have nots. as the less privilege is called. Jamaica with an area of 4,411 Sq miles, only have 1,274 arable lands Mountains and precipice engulf the remainder. The population now stands upward of 2,000,000, which overcrowd the lands that are made available for the people to live. Then the Politicians have to make friends and he have to reserved lands for his friends to be. These friends always ascast to this luxurious living Big House Big farms and Big Cars. The Roads must be bigger for these Bigger Cars. The Houses must be bigger for this Bigger guy. His oversize lawn and his bank balance quite reasonable for him. To keep these big Guys Company these Politicians have to get big quick. This get rich quick system is already in the frame work of the Jamaica Govt Politicians, get Rich no matter at what or who expense. This is what the Person mean Self.

People always believe in Politicians, while Politician always tell them of an uncertain promise for his Secure Job. The Politicians Job has a standard Salary but he always have so many bosses. Many of this guy friends become his New Boss. My New Boss promise to do this and he promise to do that for you. if you can only meet his term. One of the older Politician who have diploma in foreign Languages of Spain, Portugal, and Italy. No distinction in English the languages are by his people. At a political meeting he said my people I'm going to give you a little more butter on your BREAD, "you leave out the A Chief" one person in the crowd call out, "Give your BREADA, another person said you put the A, in the wrong place Chief!" well said the Chief. "weather it is Breda or Breda I'm going to give a little more butter on it"; this was more than a political joke but it also remained in my mind not as a joke but as a reality weather Butter is given on or to your Bread or Breda.

The political intention of giving was at Hand. Rubbing butter a puss Mouth is one of the old time saying of the Jamaican people. a bate, a trap, to catch. This is also a bate that catch the material aspect of the would be political Supporters. Butter + Bread. Politician has to own many things so he can have some thing to give his Supporters. This Theory spread wide that the jealousies of the Small politician who are being drag into politic because of his popularity find himself crush if playing his game on too radical a ground. propoganda from the other party always leave this Small man penniless.

of all the British Colonies Jamaica Among other west Indian Islands are training ground for this Mix raceism Any Politician want to be Successful Marry another Race Person The Black men Marry wife of different Racial background He Catapulte through Space as fast as a Supersonic. The talented black women always marry to their white men This System hold for upward of three hundred years. This System has created a New Race of Light Brown people can pass for white, This System Make a buffer Between black and white, This System delete the Mentality of mankind and create in Man a destructive element of Social discontent. Remember not one fucking Soul ever give thought to those of us who are not satisfied with the system. what the hell they can do when the Question of these people dissatisfaction is known. Down the Road of Slavery we went only to find we get weary and discontent, soon we have to turn back to give one last look upon the chap who use those whips to bruise my back only yesterday. Today the freedom bell rang and we are set along the Road of Sorrow. Here we return what to see. The Brownies and the whites living as one family.

I could not believe my eyes for the Brownies mother is also my mother, that why she was killed only yesterday. yesterday Massaboss took away Black Mother Brown Son and fair daughter as they were called. He send them to be groom by a old Nancea brown bitch She did not tell them that they must grow up and learn how to plant the Sugar cane, but you all are to grow up and learn how to own and administrate ownership over those mother bleeding Cunts. we are must hate them for they are too Black

These training was specific and operational so they were put into operation, these Brownies was thought that the lands are the legacies of their fathers. They are the ones who are convinced that they are Jamaican and not African, not English as the case may be. In my lamentation I cry into truth. The Truth is just not what one believe in. But what is truth and what is Right. Bravo to the defence forces of these Nations build purposefully to Surpass truth and Right I an I may sometimes broaden the scope of I vision. That it appear I an I stray from the track of the Subject matter. But one have to cover the grounds of affectivity, who it affect, <sup>people</sup> Now any move any group of make to free themselves from a system the effects must be felt by other. The Economic interest is in Stability of the Govt. Not many Colonialism's fall in line with the Colonialism of Jamaica. The changes from Spanish to British Rule the change from British to Self Rule now we are experiencing a change to America. The Rastafarians prediction of Economical Bankruptcy for the Jamaican Government, is seen in the manner and rate of Jamaica ~~borrowing~~ <sup>borrowing</sup> money from America. The Ministry of Development have all the Political ideas a politician need to reach the top. No one can ever doubt His ability to get things to be done his way, when a man know his job that's the way he feels. The System of Jamaica Political administration has taken a very different face since 1960-61. what I would like to bring to the world is the important aspect of the Subject and the manner in which this delicate Subject is handled by the present Government and people who support this party Government.

There is enough Suspicion in the Jamaica Labour Party signifying that all is not as well inside as it is said of outside. There is always a hush hush policy adopted when these Suspicion reach the man in the street, In all countries where the politic is fought strictly on party lines there always be some mystery attach to certain party scandals. How Honest is the Labour party and their intentions to help the poor who they say they love so much can be seen on Record. In the Ministry of Education, two former Ministers was sent to Prison for Corruption, a third also was sent to prison while being a M.P.R. It was rumoured that Suicide was also committed in the J.L.P. Ranks which remain a mystery to John Public. Suspicion still remain Speculated throughout Jamaica inside and outside of the party Ranks, in the mysterious death of F.L. Jones Donald Sangster, and Tavares, but lets count them all as politic which mean work and work mean death. Somewhere in the Readers minds there will be a place for a Question How Come so much unfortunate things are happening in the Political Ranks of the J.L.P. Believe it or not things began to look sinister for all its worth, The Big Boys are at each other throat as their financiers dig deep in the bloodstream of the fat poor and leave them bloodless a chink or a Mosquito type of Bloodsuckers preying upon the health of the unfortunates. Men health is enjoyed when he can so balance is mind, living in a proper mental Harmony a sober mind. The politic of today has taken a trend where the idea of Ballot or Bullette are the order of the day. If you are Blind and can not see and can hear you are told pick a candidate; the politic is thought by a teacher If you are deaf or Crippled the Politic need you. The mentally derange and the Hospitalize all are needed.

I make mention these people for they all are sick people and need care and some one to care for them. But take the strong healthy man who is kept out of employment because he is non-political or of other political opinion.

No one is afraid of the consequences of death as I am I.

So I do not seek death through the means of securing a life time job for people who are more educated than they can get things done how they want them to be done, changes men mind and outlook through the power of financial influence, and intimidations, and Brainwashing men into thinking of a political God. Great men in a new era.

But how great is one who tend to forget God; a warning God is no respecter of person or persons, how much people can be be fooled in the end will left to be seen.

The hands of time is slowly but surely coming upon its zero.

The pessimism that brought I to the conclusion of an inside fight is the prevalence of the colour power talks that enter inside both party. Man is affected more by environment than Continent. Man committed himself to many condition because of his environment. God is for us all, while man is for himself.

The minister of Govt, talk much of his Country strength in defence arms. The Educational System of Defence is threaten with the Power of God leaving the mighty men of war. Oh when will the Blood of the Saints stop bubbling.

Many Rastafarians have been killed because they know otherwise. Men began to realize that there is a God over all politician. The job to praise political Powers are still given out to these neo colonial islanders through a very large Operation. Jamaica System of giving Citizenship and finally accepting a change to the Nationality of Jamaica. So anyone can be a

The Most Noticed politician in Jamaica today undoubtedly is Edward Seaga: why? He was born in Boston Mass. U.S.A. His father is of Lebanese stock while his mother is Aunt Sam. How much of Aunt Sam milk from the breast he sucked no one knows as yet, but one thing can be seen the chip never falls far from its block. This chap grew up in Jamaica, went to school in Jamaica but he finally graduated in the USA Political Science he Major but I will give this Scientist a warning: Although Jamaica is situated in a Basin or kidneyshape basin a political turning point is foreseeable not in favour of one who propaganda can identify as a foreigner. Politics was not much understood, when Jamaica first accepted the adult suffrage Constitution in 1944. But politics has paved a way for a special propaganda which can be used against the most ablest of politicians. Che Guevara is an example, he suffered death for what he believed in. He chose the way of a liberator, he fought in a warfare which found him floating in the breeze of time as one of the twentieth century heroes. Political ideas of Development fall into three major categories. (1) The people awareness of the Economic Cost of Development and their obligation to foot the Cost of such development. (2) Cost of living and Cost of Earnings of the people who are depended upon to pay price of the Bugatti through taxation. (3) Where the Govt can get the money to borrow for Development. How the money will be repaid, all these take planning, fortunately the Ministry of planning falls under the portfolio of the Ministry of Development, and Finance in Jamaica with one Minister. This Minister has made two successful political approaches in contesting an election in a Constituency which carries a political history of Strong or what suppose to be Strong Social Outlook. Bustamante did not stay long in this his first Constituency Western Kingston. He left it when he saw Ken Hill.

gaining support on racial grounds, he sacrifice H.W. Shearer in the Second Election in 1949 Shearer going under to Kenneth George Hill one who was branded a socialist of Marx Political theory. He soon was branded as a Communist by his own party leader H.W. Manley and was expelled from the party, himself and others with the H initials. Henry Hart, Hill, & Hill. Shearer won 1953 Election in Western Ken. But did not stay for the next Election. By this time the Political Observers seeking to find out how subtle these people can be. while others Speculated upon the changes actions as the Ideal System of a Democratic Policy. Political over throws.

This Area is build largely by Squatters Settlement, Shanty Towns of The Dumphill Back 'O wall adcee walk, fore shore Rd. These areas produces some organize bands of socialists with barnyards or Seats as these Mission houses are called. Is in these Mission Houses This New Candidate for the J.L.P concentrated and of course the Earth Most Strangest man On a party line this Constituency was properly Studied. So Seago approach was a determination to break all records of the Constituency. His form of Organising began earlier than his real Opponent Dudley Thompson, who believe he could win the election on a Common Charter. He Concentrating on the added support of the Rastafarian and other Back to Africa Movement since he identify him self as the Burning Spear, Sam Brown showing his willingness to Run as a Candidate was supported by Both major political parties. He was used to split vote He got 82 votes the P.N.P go under to Eddie Seago by over two hundred. The Rastafarian came under attack from both parties since other Brethren who went on the Back to Africa mission was suggest in

a Serviceable political scheme in Representing the T.L.P. it seems like the whole movement has gone astray when it was notice most of these Representative began to serve. How long this flavour of the movement was to be remain was still left to be seen. Men have to pay dues so Sam Brown believe to pay his dues by serving two parties at the said time was to obtain opportunities ~~his~~ matter who has won the General Election of 1964. He was made a Contractor of the K.S.A.C. by Bustamante order. His Contract during the year varies from £400.0-0 to a £1,000.0-0 which of course was keeping in the ambit of the promise which was made to him. He would be supported according to the number of vote he his able to split. 82 vote was what he got so his contract money was in the 82 men pay bracket. Rastafarian began to experience a crosscut type of politic brought upon them by opportunist leaders. Things soon began to happened, notice by these Luxury Seekers in the disguise of Rastafarian appearance and movement. Men are changeable but one could not expect such change as I experience of Sam Brown. - He was my best friend walking together for a period to me Sam was a genius. He used to manipulate unto the unintelligible. Some time he sound so much leftist I also calculate him as a Marxist, but to the end of my walking with him career I found him to be an egotist of the meanest order. I would have killed him for trying to Sabotage the delegation from carrying the Back to Africa movement to Africa. He was hurt and being hurt we decide to split. For the one who labour for peace and love now see war

The Rastafari movement on a whole make up of all sort of African people, this is how the true meaning of Africa could be express, One who wanted Africa and the world to know, we are catering for African Nationalism hoping that the purposeful meaning of Nationalism be realize by Continental Africa. My partner Samuel E. Brown sound like he understood the intention of the movement; but he had different political ambition. No one could blame him for his ambition; but should realize that the Movement is not a political movement, and could not be used as such. MR Buchanan Sam advisor has a good political Record of being a member of every political party and Movement in Jamaica and claim other political affiliation outside Jamaica. Sam did not know much of my political awareness so his manipulation was not contested by any of my propaganda method. I manage to meditate and found out to get what one want was the only objective. The movement wanted Repatriation while the **Jamaican** Government wanted something else. **Elements in the Caribbean as always been Manoeuvring, so the easiest way for politicians to make approach to** imperialist nations for aid is to introduce the discovery of new left wing method. The Rastafari movement endeavour in getting the Black people of this western sin full world to realize the importance of going back to Africa to Build Africa as Our Home. Here some of the most famous observers fail to see between truth and false Right and wrong love and Peace, Justice or Judgement. Today for some content man will admit that Slavery is wrong then tomorrow the same man will agree with it.

WAR will never cease to be until men Conscience set him free. Freedom do not mean Subjection to the braking of one will only to be Replace by Oppression and Methods of Brainwash. The Rastafarians know that Ethiopia was at the mercy of the Penned Journalist propoganda. When the Church of Rome and the state of Italy attack Ethiopia, Loo has directed I an I brethren to hear and Understand the Voice of the One who crieth in the wilderness. This awareness not only leave the worlds political leader open-mouthed but the Science of new Creation has appear unseen by the Sky gazers. The unrealistic drama of the ascension, became real on the imaginary lives of the Rastaman meditation. Ethiopia elevation is upward of 9000 miles above Sealevel I an I what him decending in like manner as it is written that Christ ascended into Heaven. When H.I.M left Ethiopia for Geneva it attracted the worlds attention. Every known Country Representatives and observers was in Geneva 1936 to hear what the Lion of Judah had to say. He said I Came to enlightened my illiterate Millions no better term could be attach to Such Situation of Complicated propoganda of Western Civilization Mission as Mussolini expedition was called. Men often time attribute poverty to the total disrespect and disregard of the African demand for Education in its true perspective. Saying Education Cost so much and the Negroes as we are called in the western world has none money they are ugly and want to use force to take of our position since we are getting weak. How weak is this powerful white getting since 1936. Only can be seen when one check the Record to see the Aggressor.

It was five years ago in 1961, that H.I.M. Haile Selassie I received a deputation from Jamaica seeking the facts about a land grant, that people in Jamaica claim was granted to them also. How strange are these people come so far to receive their reward. I would like to pay your Country a visit H.I.M. said the time was not ripe in 1961 but ripe enough in 1966 for Jamaica attain Independence 1964 and 1966 the King of Kings was invited to Trinidad & Tobago and while he accepted the invitation the Jamaica Government through their High Commission Office in London arrange invitation of H.I.M. to Jamaica which was readily accepted.

Mr. H.L. Lindo Jamaica High Commissioner in London on March 22nd 1966 met and sign with Ethiopian Charge <sup>casual</sup> Affairs Ato Assefa Legesse diplomat, Relation with Ethiopia. The official party accompanying H.I.M. Haile Selassie I on his state visit to Jamaica on April 21<sup>st</sup> 1966. included two ~~members~~ of the ~~Royal Entourage~~.

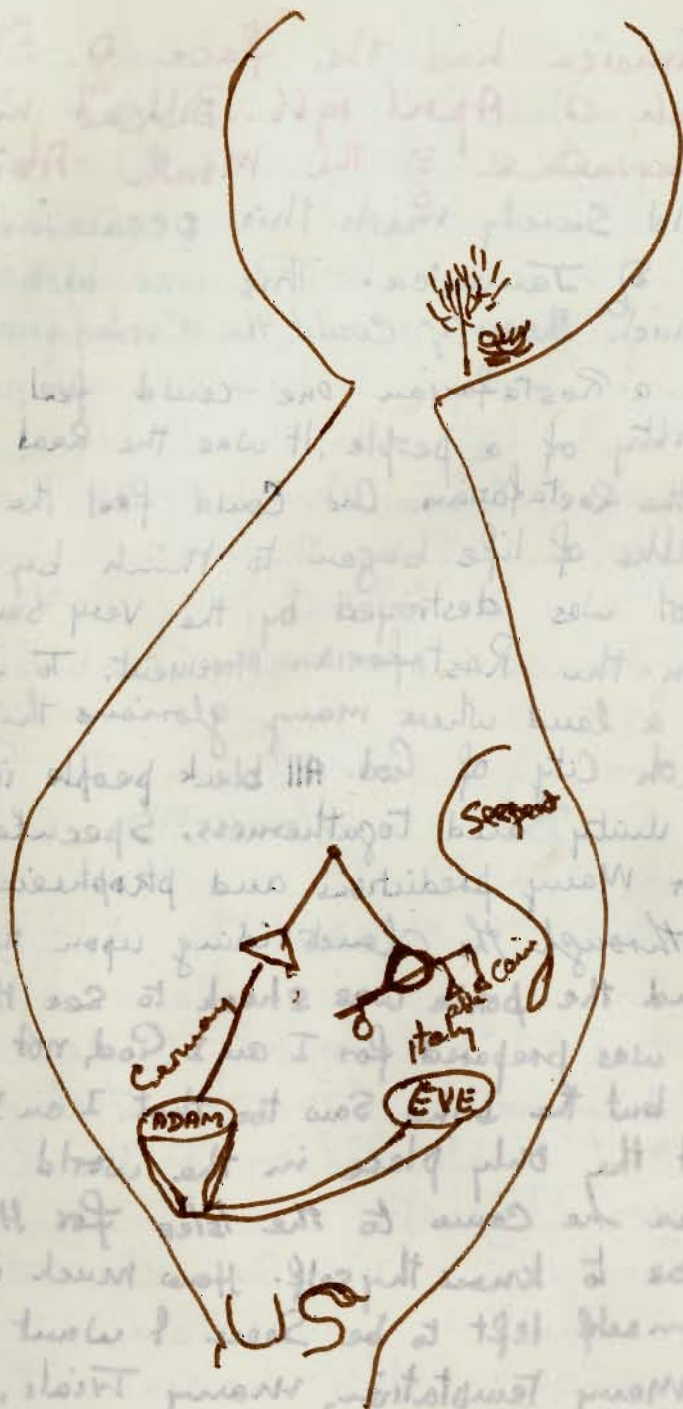

Included in this entourage are two members of His Imperial Majesty's family. Her Royal Highness Imebet Sofiya Desta (grand daughter) and His Highness Prince Mikael, (grandson) other members of the Official Party are His Highness Ras Imru His Excellency Lt. General Abiy Abebe, President of the Senate. His Excellency Ato Kameta Yifra acting Minister of Foreign Affairs Brigadier General Assefa Demise, Principal A.D.C. His Excellency Gotachem Bekele Ethiopian Ambassador to Haiti. Ato Yohannis Kidanemariam (Private Secy to H.I.M.) His Excellency Dr. Minasse Haile, vice Minister of Information - Ato Meba Alemu, press attache, Emperor Cabinet Dr Yohannis Wroneh, Physician to His Majesty and Blatta Admassu Retta in addition there will be 16 other persons accompanying the Emperor including an Assistant A.D.C. two valets & Radio operators. A film technicians and photographer.

DR Eric Williams Prime Minister of Trinidad and Tobago visited Ethiopia in the Summer of 1965 and invited H.I.M. Haile Selassie I to visit his Country; which was accepted. H.I.M. Visited Trinidad on April 18th 1966 when the Majesty arrive in Trinidad. Thousands of people went out to picao Airport Trinidad apart of the Terminal Building Collapse, no one hurt many trees that people crowded upon broke loose of its branches; yet no one get hurt. H.I.M. visited the Ethiopian Orthodox Church, lay a Cornerstone for a new Ethiopian Orthodox Church, visited the House of Parliament, functions laid by the Governor General + the Prime Minister. He and His Official party visited Tobago and then left for Jamaica en route Barbados.

*is reputed to be out of their Commonwealth  
Service at some peculiar time* The Govt of Ja. Told Members of the Back to Africa Movement that the Govt of Jamaica have not got any money to spend in decorating Jamaica to resemble a country fitted for the visit of the King of Kings. Two months prior to the visit of H.I.M. Her Majesty Queen Elizabeth II of England visited Jamaica. £74,000 sterling was spent for decoration and Beautification of the City in welcoming Queen Elizabeth. One could understand why the Queen of England was so much welcome in her Dominion. I an I brethren was told, if we want to spend money on any added decoration of the City we would have to find our own money in so doing. Matafarian do not have any money it is known I an I Brethren had Ethiopia in mind. So we make the necessary it took to decorate Kingston and start Anderson to resemble Ethiopia. One couldnt help saying that Jamaica is little Ethiopia.

of a fact Jamaica had the face of Ethiopia during  
 The third week of April 1966. Biblical interpretation  
 cited the observance of the Mouth Aibib. This time  
 The world could surely mark this occasion as a special  
 Historic period of Jamaica. This was also a test for  
 I an I. How much Beauty could the Rastafarian add to Ja?  
 Apart from being a Rastafarian one could feel the scene  
 of the transformity of a people. It was the Real Conclusion of  
 a true vision of the Rastafarians. One could feel the tension  
 people of all walks of life began to think by 11<sup>00</sup> a.m on  
 April 21st. Protocol was destroyed by the very same people who  
 blamed it upon the Rastafarian Movement. To I an I God came  
 or was coming to a land where many glorious things has been  
 spoken of there oh City of God. All black people in Jamaica  
 feel the spirit of unity and togetherness. Speculation soon began  
 to run high, for many predictions and prophecies was fulfilled  
 God did come through the clouds riding upon the winds.

Both the Army and the police was shock to see the type of  
 welcome which was prepared for I an I God, not only to show  
 people with eyes but the blind saw too, that I an I God knew  
 before hand that the only place in the world that his Temple  
 quake was when he came to the Isles for his laws that  
 he brought use to know thyself. How much will the black  
 man know himself left to be seen. I want to write of  
 my true self, many temptation, many trials, many tribulation  
 battles daily but not very much wars. The mind now open to  
 The world and I want to hold the Moral Conscience of  
 Mankind at bay with very puzzling Questions.  
 before I ask the world to view with patience what  
 are the Result of the Earthmost strangest man  
 works of prediction may not be a Charlatan

you know that American Democracy has been usurp by an  
 unnotice ~~Fagist~~ and Nazism? Did you know the U.S.S.R is  
 also indoctrinated by Nazism? Believe it or Not, I an I will Prove  
 From the viewpoint of the World Racism Problem I an I research  
 Studies send us back to the Books of the Bible we start  
 where the Bible say Adam was made. of what material Adam  
 was made? clay of course! what was the reason given for  
 this Adam to be made? Be cause some one ~~Added~~ to tend to  
 the garden and water it? Make a dam of Clay and put  
 water in it, you can drink from it, you can Cook from it  
 you can even get heat and light from it. It can get polluted also  
 and Breed GERMS like Mosquitos who are deadly carriers of  
 Killer ~~deceases~~ <sup>deceases</sup> like Typhoid and Yellow fever and other Viruses.  
 This is the GERMANS I an I am painting. It was said that Adam  
 disobeyed God and hide when he was called upon. He started  
 to have children, Eve two Sons and a daughter, the daughter  
 being the child of the Serpent, we are told. Cain and Able the Sons.  
 Able was killed by Cain went to God found his half sister the  
 Serpents Daughter which he took for wife and she bore children  
 I an I hear people calling other people Serpents. So we knew of Serpent  
 people not because they are such called but they are Serpent  
 Italy the Serpents daughter became fascist while the father Germany  
 which is Cain half sister became Nazi: you are thinking  
 what has happened to her two Sons. Cain kill able So Cain  
 Took is sister. Who was able? look for yourself through the  
 pages of this book and see if you do not find Abel.  
 Adam Race becomes fallen, Christ, came after Abraham who was  
 commissioned to scatter his seed abroad. to die for Adam fallen  
 Race. That's what the Good book say, who will go down  
 and die for Adam fallen Race. Racism started because the  
 Race mixed with the Serpent and became fallen, seen.

It take time to See what I'm I coming to paint.  
 A picture of Kaiser Wilhem 1914 carries the German into a war  
 which set down in History as the first world war. what was  
 the Germans motive of war, was undoubtedly Racism. why?  
 It seems like England and German declare war against each  
 other in Africa and not in Europe. <sup>watch</sup> watch them for I Rastafari  
 Germany fight a loosing battle under Kaiser Only to rise up  
 more determine to perpetrate the Racism of the Master Race  
 The Mother of the daughter of Harlot the Serpent daughter show  
 her ~~her~~ Husband brother she also had to take part so by  
 1935 Ethiopia was invaded I mean Invaded, by Italians  
 Italy said Britain gave her permission to occupy Ethiopi  
 The Germans who is Britain father war against her 1939  
 This was the Second world war the Nazi Hitler is upon  
 Europe as it was spoken three years before you have struck  
 the match in Ethiopia it will burn Europe? Did you  
 not see Europe going up in Ruine, from the fires of Nazi  
 Germany? yes we saw Hitler even burn Jews with fire.  
 Hitler burn Europe half down economy an all. Russia  
 and America fighting as allied nation was able to Capture  
 Germany and keep instead of Killing those who were killing  
 them they are the German Scientist, Russia using them  
 america using them. They were sterilized by Hitler they  
 are Nazi's. Both those in the Russian Camp and Uncle Sam.  
 Tell me American Brothers and Sisters cant you see 'The  
 leopard can not change is Spots and the Ethiopian  
 cant change his Skin'. After all kill and Destroy  
 is always the Nazi motto. people of America open your Eyes  
 if you bow to force God + History shall record your  
 judgement who bow to the forces of Science.

No matter what people may say the German Scientist and the Russian and Americans are one in the Science of the word, both realize that they are trap by the German's and none shall escape. It appear one time that Russian was gain an-another time it like America is gaining but both has lost their own way of thinking and taking too much Computer advise in dealing with world affairs.

Scientific Argument about an over populated world and the only survival for Mankind from utter destruction through starvation and heat, which will be fire, fire, fire, and more fire, according to the Sounds of their Guns and Bombs. Both Camp Scientist see no way out but going up to the Moon. Even here there will be no escape from the destruction of the Germans. Believe it or not, The Baltic state are thinking, so is the organization of African Unity and the Americans of Cause. The Germans bend to destroy America. Because America destroy Japan when the treaty was signed by all peace loving Nations of the world Both U.S.S.R and U.S.A. want to abandoned the Space programme also there Birth control program. Because the American men are not able for service, and the Politic of Both Russia and America seems somewhat in uniting Both German Scientist and give Germany few years to produce such devastating weapon as Moon Rockets and Sun Rockets and other Planet Rocket, what a Rocket a white Rocket, the fears of wars, has cause the white Races of the war began to be re writing their home work weather to finally try the liquidation upon the Scientist before they in Both Camp Communicate when to accidentally set off one of the fire that so often kill. So many people in the East and Middle East, people who America say they are suppose to be defending, what an accident.

I an I need not ask what will happen tomorrow, if we do not go to Ethiopia. The King shall appear in the midst of the Judgement Seat and woe be unto those who for got God Selah. you need learn about, a group of people who's father is God. priest, parson, and all men of the clergy say God is their father which is a fact, but does they know God as they say they do. The Earth Most Strangest Man the Rastafarian only say Set these people totally free from all interference. I mean the people who really and truly love freedom. How much it means to those who profess that they know what is Complete freedom. Man say total freedom can not come but people began to realize

### A Look at This Man.

This man learn many racial lesson through personal experience. Colonial Racist telling me ~~other~~ people that they are Monkey and some times I even feel the Boots of some. A Man with many interest in life one who always learn a little tit bit of the history of my immediate family it pains to tell how one have to come from so far and who work so hard to bring about a real understanding of the Home yearning time. who knows when one will be face with reality as I was sitting one day thinking of a story my Mother told me in lieu of lunch and dinner one summer day. My Mother was an Asthmatic, yet she was so simple and good. Having five ~~children~~ four Boys and a Girl who died when she try to be Cleopatra, she was a natural Beauty to look at, five feet seven inches, with a 32 33 stats. tall flowing wool hanging down but the Iron Comb from the fire expose her to a cold which she could not survived. She died and left my Mother with four Boys, and she being confuse at time would sit for hours crying some times ~~she~~ lead the whole house hold in crying

These period is when the clock start shows the signs of preparing meals for her four baby Boys and her self, she would choose a story goes. Juan everytime I Remember how a Blackman lawyer Rob me of all that Miguel left and not even food for the children but God is God as she wipe her eyes. When your father came from Cuba he had everything but your grandmother believe that she could handle Cubans as women always handled Jamaicans, One day while the rain was coming and I was inside the kitchen she not living with us came to visit me (but it was raining she stood by the door knocking but I did not hear.) Miguel was a sleep but hearing the knocking on the front door he awoke and opened it, immediately she grabbed him in his collar and like a old warrior buck him flat to the ground protesting that he heard her knocking and would not let her in out of the rain, when my mother heard the commotion and ran inside through a sidedoor to see what was going on all she could get was the same treatment two days time Miguel + Mada Planao was on the boat to Cuba. never ever put his feet on these shore again and she stobbs, I develop a more dislike for this grandmother and never really visit her until sent by my Mother. I loved my mother

I and I observed that Science have a great important part to play in the affairs of the world today. So also is the Idea, of God. Science introduces the concept of Evolution and even come up with the theory of creation and evolution. What I and I have to say about America Astronaut reaching the Planet Moon when one should Recall the visit of H.I.M. to Berlin by the invisation of World noted Evangelist Preacher Billy Graham. What H.I.M. had to say about The Age of Science and God.

ONE RACE ONE Gospel, ONE Task.

Since nobody can interfere in the realm of God we should tolerate and live side by side with those of other faiths. However if the Threat is posed we shall not fail to resist with Courage any such incursions. Many wonderful appliances are produce to make life more and more comfortable. The Rich powers are vying with each others to Conquer the Moon and the Planets. Knowledge is increasing in a bewildering manner but what will be the end of it all, we should be careful that the results thus achieved by Mankind should not meet with the fate of the Tower of Babel, the works of those people of old that came to pieces in their hands. Man had made himself and his wisdom the beginning and end of his aim in life. We are convinced that the end of this is destruction and Death. It is our conviction that all the activities of the children of Men which are not guided by the Spirit and Council of God will bear no lasting fruit and will therefore come to naught. Weather the ~~world~~ or the Nations of the world are aware of this warning? Will the Scientist accede before it is too late? No one just now, but this may serve as a reminder. If it was overlooked. Nothing more certain than the effects of the warnings of H.I.M. Haile Selassie I. God and History will Record the

Judgement of those who bow to force or forces.  
 Imposition of Scientific data upon a morally decline  
 world is nothing but deceit which will have to be force  
 down upon a people to accept, and when such people show  
 total rejection the forces will be imply. Then not like  
 William Tell or Cromwell who's God only appear here and then  
 But like Ethiopian Patriots and that's what we are, have  
 to take on the challenges of life associated with these  
 Racial problems. Emperor Haile Selassie I is the 22<sup>nd</sup> head  
 of the world oldest independent state; a 3000 year old  
 Nation that emerged when England and France were  
 unconceived and the United States inconceivable.

#### RASTAFARIAN TEST.

I an I try to bring the doctrine and Philosophies of God  
 through Christ down to the Return Christ that sits upon  
 King David Throne which is in Ethiopia in the person of  
 Haile Selassie I King of Kings and Lord of Lords, Conquering  
 Lion of the Tribe of Judah, The Elect of God. His Imperial  
 Majesty's Continues to demonstrate the Silence by I an I will  
 not withhold the tongue. As David said in the Psalms  
 of I speak not of thee oh Jerusalem may the tongue cleave  
 to the roof of my mouth" let us with glad some minds  
 praise Haile Selassie I for he is kind, for his mercies shall  
 endure ever faithful ever sure. The faith of the Rastafarian  
 movement have been tested over these past ten years of J.L.P  
 Administration I an I over come the tests for we are  
 confident that good will overcome evil so it is with  
 the Rastafarian Situation. By I an I attitude to meekly  
 wait and murmur not, the hand of time come up  
 in the movement favour.

The Zionist movement got the necessary help support and cooperation of many countries who claim that the Jews had suffered sufficient to be settled in Palestine, From I began to wonder if Racism is the theme that settle the Jews or upon the white line the toes of the Jews are put.?

1963 Saw the J.L.P. making a massacre of the Movement in St James and adjoining parishes outskirts of Montego Bay Carol garden to be exacted. On the early morning of April 11<sup>th</sup> 1963 being Holy Thursday and the lent season always need Blood as Sacrify the Holy Blood of the Rastafarians was requested from inside the Vatican The Mafia Pope John xxiii invoke the spirit of His Babylonian Angels to kill the Saints of the Most High Haile Selassie I It was reported that a white man who should be living in Kingston and staying overnight in a Motel in Carol Garden Montego Bay the Biggest Tourist Resort area in Jamaica. The police said they went to the Motel in answer to a call that burglar are busy in the area, when the police arrive at the Motel they found this white man who was lying alone beside his Motorcar appearing to be dead from Machete wounds. It was said like in real man man fashion the Rastafarian hid and attack the police who had summon reinforcement from Montego Bay, five police men reported got wounded Service Station set afire and here is what cause The police and people form a impasse and began hunting any Rastafarian in St James or neighbouring parishes killing, beating, and burning all that belong to Rastafarians. when the Report was made in Kingston. Sir Alexander Bustamante Prime Minister and Commander of the Army Helicopter it

Down to Montego with his Defence High Command  
 The Army was on the Road heading for Montego  
 Bay in Armour, Cars and Soldiers Lorries Tank  
 like Impliment of Destruction and this was a massacre  
 It began the 11<sup>th</sup> of April 2<sup>30</sup>am and lasted until the  
 Sun Rose high the next day over one Thousands  
 Rastafarian was killed and hundreds had to  
 take to the mountains to escape from the genocide  
 of the Resurrected Nebucanezziah and his fascist Satellite

The Radio made an announcement about uprising  
 in Montego Bay which could effect there tourist  
 trade which was building up in an around 1963.

Never in the History of Jamaica did the Radio's bear the  
 importance that it did on the 11<sup>th</sup> and 12<sup>th</sup> of April 1963.

As soon as the Announcement of an uprising in Jamaica  
 Foreign Corresponding Journalist began to despatch Reports to  
 there respective countries only to find the Radio's coming  
 under political fire. The Announcer of the Program and  
 the program director was fired, and their Union N.W.U.  
 Call a strike which brough much publicity to the  
 Card Garden massacre that went on through the night  
 in the bushes where many of the Defence force men  
 cried heavily when confessing under a peace Cup of Herb.  
 How many poor innocent brethren he had to bury in  
 the bushes. I an I Couldn't believe for there was no  
 Report in the Newspaper that many brethren got killed  
 the entire area was Sealed off from the public  
 as soon as the military started there operation  
 so it was military secret - the Peace Cup expose.

I an I view the situation as a test to see how much resistance I an I in Kingston could offer. I an I discuss at various meetings what was going on in Jamaica between the police and Rastafarians. Since the Police trying to get sympathy from Society, Society was in great sympathy with them for the opposition was still as a mouse about the massacre, but the Union got involved through these T.B.C. workers who was fired. Demonstrations marches and threat of organize violence. The P.N.P as Parliamentary Opposition said nothing about the killing more than it was unconstitutional to bring out the Army under such operation. No one to represent those brethren who were charged with all the charges in the Book. I an I being non political did not expect any one of them to offer their services although there was much speculation to one politician who try to identify himself with the Rastafarianism and all Africa Question in Jamaica politically trying after black voters. Faith prove itself a substance and prayer prove itself the Rod of Correction. Bustamante both eyes had to be worked upon and he had to take his bed from that time on. we pray and prayed for the I an I know that the Judgement of the Lord is sure Righteous altogether. One day Bustamante went to the Caymanas Park Race Track as soon as I an I set eyes upon him, I an I ask Jah Rastafari to show himself for here comes Nebucanezziah while the Jamaican National Anthem was played it began to rain and before the Anthem finish Jah speak with a lightning Rod that rip up the Jamaica Flag that flown on the Grandstand top that hang over the head of Bustamante. He was carried away blind.

The Politician in all areas where the Brethren live began to eye I an I with Suspicion. They began to tempt the youths with luxury and the Big denominations of the money in circulation with advice what to do with the money in building Social Relationship amongst other young Brethren who intend to serve the Lord with his whole heart. Believe it or not many of these youth went the wrong way and got killed many lost, no surprise.

They are numbered among the careless Ethiopians who are doom to go down with Babylon many who watch these youth operate taught that they are trained to go inside to expose. I an I got as much information from them to satisfy I an I of the Transition in Colonialism between Britain and America forcing out Canada with Britain so the triangular warfare become another Saviour, although no one decide to pay any special attention to the movement now the Social Economical warfare between the Commercial Sector also, with the Chinese being cited to be spending more of the yank dollars pretending to be carrying on Hong Kong business here. Then the Arabs always going on like he has white and do not Respect nor protect the Rights of the African but add to the exploitation of the African Race through merchandizing.

Oh the changes began to be felt in 1964 for here where they wanted Independence without have to deal with the Question of Repatriation but I an I manage to control our anxiety because I an I know Britain would have to try and manoeuvre to save or try save what is her Capital in Sugar and Banana I an I charge Britain before she decide to skip out, for fear of Collaboration and fermenting Subversion by siding with both Political to defraud I an I of the Rights to be Carried back to Ethiopia at I an I request, It was said Victoria grant was Commercialize to assist in resettling those would want to go back to Africa.

The Colonialism in Africa then was the alibi used to keep us here until the prophecies of Issiah was fulfilled, when His Imperial Majesty came to Jamaica in 1966 apart the prophecy fulfilled. Jamaica saw God appear coming into a thick cloud of darkness and lifted up with him his Sons through his Majestic powers of Magnetism Jamaica Court saw for the first time multiple of changes, Protocol was broken down and here is where the Court wept and say at was His Imperial Majesty who bitterly weep when he look out of his Aircraft and saw the rising stars of Ethiopia that throng the Airport to meet him, who all bear his name Rastafari. Take a look at the situation, it was a queen bee surrounded by the workers of the Apine it was like take upon the Shoemakers magnet not until the eyes of all saw what was to come

did they remember that I an I always say our father Our Father we always say when we pray. Some people who do not know the good of meditation could not accept a father so humble as Haile Selassie I Emperor of Ethiopia. What some people fail to realize is the struggle set before a people which is beyond their control. I an I have to gain the inspiration through meditation so we be able to give consolation to the disturbed minds of a broken and confused generation. I an I may interpret the King of Kings coming to the west Indies as a special significance to the Brethren. The one noticeable feature of the Rastafarian is fashion in the growth of his precepts. yet they are more to the strangeness of the Rastafarian behaviour. The movement consist of various elements. Such elements has been created by political propaganda. The strangeness of the Rastafarian Mannerism can be sum up into three words 'They are Africans'

- (1) one of the Elements of the Rastafarian is a sense of awareness that the composition of the Movement base upon accepted principle of The Bible and Christian Ethos.
- (2) The movement is wide in there Social living Standard & pattern. all these add to noticeable practises of Africans and the political propaganda pattern which its inherited through Colonialism.
- (3) The knowledge of the Movement of its poverty which is attributed to existing struggle of Colonial peoples.
- (4) The awareness of the Culture and Traditional pattern that existed within the movement.
- (5) The movement Realization of the lack of Education in the true sense of Education.
- (6) The Elements of Peace & Love
- (7) The Elements of Fanaticism by calling only upon the name of Rasta and leave Farsi which is the Vision

Because the Rastafarian Movement have certain strange action I an I are most time become quite strange even to our own people

### Elements of the Movement.

The Bible taught I an I how the Love of God Manifest through the Love of his Son who taught I an I how to love and recognize love. By our understanding of the dispensation of love we are accused of supporting a Criminal Element. we will admit that we are very Sympathetic to one who become a victim to the Circumstances of law, Colonial repressive laws; not as an accomplice but one will notice that the Criminal is public Enemies number one. This person who is branded a Criminal and began to experience the reward of his various temptations that lead him into a world of Crime lost the sense of Love + Peace in his self and if he can only get some one with the touch of love to even talk to him a change is eminent that's what we believe, call it what you may, only God knows the love of God. The Doctor will give evidence of demunitive mentalities in certain specify case where the accused person is probably from a nobility or a son of Century or he may be a political Robot-haircari as the case may turn out to be. There is also an Intelligent element, This element is the most feared not because they want to take over Jamaica but it involved a lot of things. (1) They can interpret Govt movement and action without having to attend Seminars. They also can implement and save guard. They are the one's who carry the program of positive Resistance, They are the organizer of the movement, they can used their knowledge to the disadvantage of Govt, They can also influence the strata of the Society that is considered as the apple of the eye of these parents.

These are who attend the very same School and High Schools of that Section of Society which classes themselves as elites. I and I are blamed for introducing them to the Smoking of Ganja and the preaching of this new yet old Gospel that the King is God. Truth it is to say Our influence is liken unto our Song when fully under Our Ganja Communion.

THE SONG

Rastafari is mi God and mi King  
 Rastafari is mi God and mi King  
 oh yes Rastafari Oh. yes.

This element of intelligencia have the greatest part of this work of Resurrection of a Culture and Tradition. The people who claim that they are denied the Right of controlling these children because the children choose to come and serve the living God. People need Freedom of movement Expression and freedom of opinion that can be express without interference so also with children and grown ups. The freedom I and I offer every one is felt even by the words of Love. I and I take every thing with the word of Love, other part of the Element began to become anxious of the blatant disrespect of ones Right in expressing his opinion without interference, children enjoying the freedom of self expression get the desire of importance and feel ~~for~~ the desire to be great. Some became great when left to develop the knowledge that come from those who are despised and rejected by an element of Society who children fall victims to the said social element that the parents speak against daily and exposing the interest of the movement to their children not realizing.

The Ganja Element is the most referred to and a violent, Element which is attach or attributed to Ganja users. The Smoking of Ganja in a pipe of peace will have to be recognize by every living Soul. Ganja used as tea or vegetables will be more appreciable later on when the world have to accept it. Take a close up view of our Communion. We hear going to used the correct name **Herb. Herb is obtain Suru well prepared The pipe is well cleaned: Set with water in the horn and I an I even give Thanks. with Right hand index and thuid finger raised and recite.**

Prince's hast come out of Egypt  
 Ethiopians now stretches forth his hand unto God.  
 Oh God of Ethiopia Our Divine Majesty  
 Thy Spirit hast come into our hearts; leads us.  
 Help us to forgive, that we may be forgiven.  
 Teach us love loyalty on earth as it is in Zion.  
 Endowed us with wisdom knowledge and Understanding  
 to do thy will.  
 Thy Blessing to you that the hungry be fed,  
 the Naked be clothed,  
 The Suck Nourished, the Age protected and  
 The infants Cared for.  
 Deliver us from the hands of our Enemies  
 that we may prove fruitful in these last days.  
 when our enemies are past and decay, in  
 the depths of the Sea in the depths of the Earth  
 or in the bowels of a Beast  
 Oh give us all a place in thy Kingdom  
 for ever, Selah.

let the words of our mouth  
and the meditation of our hearts  
Be accepted in thy sight oh Lord  
Thou art ~~the~~ strength and I Redeemer  
That sit and Reigneth in the hearts of man  
Forever Selah.

Fire is here brought in play to like the kettle  
which is drawn from the pipe of peace and pass around  
in solemn drome and Religious style. Round and Round  
the pipe goes until it is finish. Then I am I say.

I am I thank thee Lord for this food  
But most of all through Jesus Precious Love  
let manna to our Soul's be given  
This Bread of life send from Zion  
Through the powers of the most wise God Rastafari  
Our living father. Selah.

Some of the youth that is attached to the movement  
only learn to pray amount his Brethren who taught  
him to pray. Some part of the Rastafari movement  
has develop an attitude to stop at Rasta, and  
leave fari, making the name inconsistent with  
the vision. and as it is written, 'where there is no  
vision the people perished. Fari alone is a righteous  
vision of this twentieth Century for he his the living God.  
and we see his children with understanding Our parents  
become jealous The youth parents. is more jealous  
of the apple of their eyes who is obviously  
taken away by the God of Creation.

The Imperial Majesty Haile Selassie I Emperor of Ethiopia visit to Jamaica was only the happening of the end of Babylon. Somewhere along the line people began to realize that our Doctrine and philosophies have to be taken into consideration. Our Lord Oye God Our Saviour came we went to him they who never believe also came to see him but none knew that there was a question of who he is and where he lives. So much things has been said of him yet now ask him the things that was puzzling them. His Imperial Majesty is the Sower who sow the seed of Collective Security and people Collective Security no longer rest in Gums. His Imperial Majesty also brought the seed of International morality is at stake. What are the Collectiveness of the International Morality that is a stake. It may be the certain realization of the Black man that something is happening to him beyond is control. The compromising system of those who believe everything is alright because they feel like they are alright. Those who like to see the Colonial System go on under the very same disguise. As one who represented the Movement in Africa 1961 I believe firmly that our Repatriation would be a must for the spirit of truth told the Govt to let us go. They not realizing how serious things can be for them. Not until the Prime Minister and his Deputy and other members of the Cabinet die in short succession before their J. Govt began to give serious thought to the Movement. While we were in Africa we were unable to negotiate because the level of the mission was of an unofficial nature. But we made our own observation and contact which satisfied our desire, by showing their willingness to do something as soon as Ethiopia program

get on the way. How did I decide to use the opportunity  
 of the land grant at She-shamance to coordinate our  
 Brethren organization into the Ethiopian World Federation  
 organization. Only to find that George Bryan and  
 Estella Buchell as International Executives began to work  
 against the Rastafarian and try to break up the contacts  
 between the Peppers and other members of the E.W.F. Inc.  
 we in Jamaica of the E.W.F. Inc. experience some  
 of the most various mal administration within an  
 organization. During our organization of the Rastae  
 into the E.W.F. Cecil G. Gordon who operate as our  
 removable president and International Vice President  
 All of these members of the Federation who are not  
 Rastafarian could not see H.I.M. meaning of  
 granting lands to Black people of the west they  
 did not even know who are the Black people  
 of the west. They began to believe the land grant  
 are specifically owned by an individual so they  
 are preventing people with pioneering spirit from  
 going upon the land and so by so doing have  
 kept back the land development. The Earth's most  
 strongest man realize by his force of carrying the  
 program of repatriation it has brought the sense  
 of awareness that it took many years of hard  
 work of organizing bring to the consciousness  
 of the Blackman today in the western world.  
 As the most strongest man probe earth he find

Time Run out on the Pipers Time also Run out on

 Moses Aaron Kaleb Joshua and even Marcy's Garvey  
 was sent to gather I an I people but was hinder by  
 Colonialism. His Imperial Majesty Come himself, who shall  
 phuck I an I out of His hand. The people in America  
 of African Origin was caught up by the time Rastafari  
 Brethren travel Internationally. Louis Lomax tried to put  
 myself and Malcolm X on one of his controversial program on  
 his T.V. Circuit, Malcolm X was to come and condemn the  
 Rastafari Brethren and the Earth Most Strangest man should  
 come and tell the world about the Rastafari God and  
 the things that we are doing to go back to Africa.  
 The Black ~~Muslim~~ Moslem policy was to get five separate  
 state in America. My self and Malcolm X had a social  
 meeting before the T.V. program finalize, but the  
 social discussion has add admiration to the Book Store  
 at 125<sup>st</sup> and 7<sup>th</sup> Ave 1118 Miesmax Repatriation Book Store  
 was like a theatre as I an I realize that such meeting  
 could be used to bring to the Black People of America  
 a message where hope play a great part and seems to  
 find an answer to the question, if the American  
 Government fail to meet the Moslem demands  
 what would be there alternative. I brought that  
 answer. Africa is the only land for the Black man  
 when the Black man all realize that Africa cannot  
 refuse her son when she can so identify her son.  
 Malcolm X invited I down to Temple<sup>th</sup> when we  
 finally broke off the T.V. engagement program.  
 This was the first time Malcolm X began to feel

free and friendly. I was unable to go at the  
 Temple #7. for other meeting engagement kept me  
 away, but I notice many relative change in  
 Malcolm X from that day in July of 1961. until the  
 day he was Gun down Malcolm began to show he changed.  
 Brother Malcolm began to wear a beard and his  
 doctrine was now directed to a back to Africa program  
 Malcolm went over to Africa and the System  
 now began to seriously fight Brother Malcolm.  
 Elijah Mohammed did not want Malcolm to  
 change his policy of the Moslem demand for  
 an impossible separate state of America.  
 It was not only Malcolm X who changed this  
 Black struggle and set it in the Right course.  
 Brother Martin Luther King was doing his own  
 Religious thing until the Earth most strangest man

 your own personality be your true self was the  
 message Love one another regardless of various  
 political or denominational indifference for  
 Africa and Africans are facing a problem of  
 misunderstanding who is his real enemy.

I am I waited upon the time when our True Enemy appear killing, because they become afraid of what the Blackman began saying about power. The word Black Power is a terminology that DR King student Brother Stokely Carmichael and Brother Rap Brown.

The Coloration of this type of Power can not be fully understood so let's color the American Dollar and call it Green Power, Color the American Administration as White Power, and let us Challenge this Black Power. I am I pointed out to those who advocate Arm Rebellion in their bid to disrupt the internal Security of the State that is good when you are thinking of calling the Court attention to your problem, only to understand that when the U.S.A Court ask for problem and get them they can solve them. I am I know America would prefer to see I am I going home to Ethiopia more than stay and pray that the last of the drag of the dragon is dragged to the table of Realization. They are met face to face with realities: This Blackman African, Ethiopian, Negro, any name we are called by also realize that now is the time for Confrontation. It is a known fact that Repatriation is the unfinished Business of the African Element in the west. After all is said and done the Republic of Guyana already broadcast on the very first day that Country become a Republic on 26<sup>th</sup> February 1970, a call for Commonwealth Caribbean Citizen be migrated to Guyana to come to that Country and develop the untapped Minerals. This is where Green Power is playing an off setting part to Repatriation to Africa. Neither of the people of the Caribbean nor the America realize that

It where the Caribbean Revolution look possible.  
 I an I advocate to be sent to Ethiopia through  
 the Economical Commission on Refugee of the  
 U.N.O. I an I problem only become a problem  
 when people treat the Subject, with out the intention  
 to do something to Elevate the Situation. I an I  
 know that the Internation crises will causes some  
 Court to start thing of Changing there Policy to more  
 moderate approach to the Subject. The Same Rights  
 Free men enjoy I an I know I an I should even  
 start to see the hope of enjoying freedom. Ethiopia  
 do not show that it is suffering from overcrowded  
 population nor do Ethiopia unable to feed her  
 people if all nation should acced to the Call to  
 recognize the depth Internation morality has  
 fallen and is sinking deeper down in the  
 bottomless pit of Hell. What place Education has  
 taken in the western world? What will the History look  
 like? How can those who pretend to help refugee  
 from seeking what type of help and assistance the  
 freedom loving people of the world want and try  
 help them get what soever they wanted when the Case  
 is realized as the Earth most Strangest man as  
 stated it. I will try and direct I thought to the  
 Subject of Repatriation of the Rastafarian  
 movement and the Black people of the west.  
 The Time is not in any special one favour.  
 Time wait for no one and will passes you by.

Shashemance is in the Province of Orussie where this land is granted James and Helen Piper both Members of the E.W.F. in America they are from Monsterrat a west Indian Island in the Caribbean as Jamaica an operate similar to the people of Jamaica. James Piper was made administrator of the land Grant, with the understanding that the International Headquarters in New York would cooperate with the Landgrant administration in Development of what should turn out to be a pilot settlement, for black people who desire would ultimately base on returning home to Ethiopia. H.I.M. know the time would come when the people will have to come. The Pipers have to stay so long without anyone joining them for over 14 years with little outside assistance and the lands are too big for only a pair of people as the <sup>sole</sup> occupier. Not until brethren of the Rastafarian movement began to find themselves on the landgrant before the Pipers realize that the land grant is for the yet unborn. I am I Historian in the sense of making history explode more possibilities of securing more lands for more people for we carry the seed to the field and sow it into the soil of Black ears. who start give consideration to the Clarion Call. Africa need Black people in the west more than Black people need Africa. One important point to mention in Ethiopia the lands are pioneer project lands with every test of hardship and hard work as a beginner. Not many people can be easily acclimatize to a situation where their living standard are much higher and understood by them where they are coming from. To build a landgrant into a community to some people we are escaping from our responsibilities and many more charges because we want to go to Ethiopia.

Brethren of the Rastafasi movement in England decided to leave for Ethiopia George Antia, left London 1961, to Ethiopia while ~~Herold~~ Johnson left London to Accra Ghana in 1960 and members of the fact funding mission to Africa arranged that he be sent to Ethiopia then Brothers from New York Gladstone Robinson went in via Ghana. Then Noel Dyer came from the Bahamas, Brethren in Jamaica began communication with the Pipers who sponsor them. Going to Ethiopia on a each way ticket which can be worked out to be a permanent resident. Then all necessary papers will be arrange by immigration officers who will refund your oneway ticket and here is where the Pipers exploit the Brothers in there refunded passage money. Seven Brothers arrive from Jamaica, things went on well until the discovery was made to the exploit of the Brothers through there refund. Six more Brethren went and now Pipers realize people will be coming now to occupy the lands. Pipers set himself and his administration in a big trouble with the Ethiopian Govt, by share crop lease the entire lands to Nobilities who are using these lands for political purposes. Pressure was put upon Pipers and Here again the Earth most straupest man make a bigger brake through the problems that was set in now becomes the answer to a question, where will the Rastafasian will be settled when Repatriated? A Commission was set up to look into the disputed administration of the Federation land-grant and the discontents of the Brethren, Jamaica Prime minister was called and he went out to Chashemane and found out what was the cause for the confusion!

MR Shearer Reported to His Imperial Majesty was. He saw and heard from both Sides, MR James + Helen Piper Administrators of the Land Grant at Shashemane. And a group of about twenty Rastafarian Settlers. According to MR Shearer it didn't cause any problems for findings other lands to settle the Brethren upon. But MR Shearer went further to say although His Imperial Majesty said there is no limit to lands that can be made available for the Brethren to come and settle upon. Brethren most not believe that they are coming here to pack upon it. What MR Shearer means no one knows but we hope to be told some day. One important aspect to the Rastafarian Recognition of time, I an I know that now is the time when strange things have to happen, that can not easily be comprehended by lay people. but the Principalities of the world are in turmoil to seek the hidden wisdom of the earth most strangest man, The Rastaman. A Seed which serves the Generation and began to serve the yet unborn of our Race of people.

The heterogeneity of the Rastafarian Movement can somewhat be attached to the independent opinion of the individual which is a freedom of one's opinion without interference. One's mind function upon the type of meditation one cultivate under certain environment. Peace and Love is a value, not inseparable virtues, but a virtue which embraces conditions. Peace is a condition, which is applicable, and most needed in the world.

One complex which is wrongly treated is the prejudicial manner of Jamaica people toward demand needed most. The Rastafarian find him self envelope in this environment of class prejudice. It is not so easy to get prejudice people to understand when such people live for generation in this environment of class prejudice. This theory is always denied within the more orderly compromisers. Although the history of Jamaica was written in a certain manner bringing Christopher Columbus to be the Spanish Discoverer of Xamyka Columbus for all we know is an European; what if he was from Rome? just another European. The Jews in Jamaica claimed that they were the first to arrive in Jamaica; Could Columbus be a Jew?

who really are the Jews and where they are from? Jew-land?

Jamaica Independence of 1964 produces an Aesthetic of Significant to Modern or Mad Jamaica History. The Aesthetic signify the Society arrival and Recognition in that order.

Could the Spaniard the JEW'S 'Could This be Columbus?'

The Spaniard by occupying Xamyka Rule the ARAWAKS until they were extinct; but the Maroons which was brought in from Africa was Specialist in Hunting the Spanish Slave masters had to use Slaves without placing them in Chains. for the 167 years of Spanish Occupation of Xamyka the Spaniards produce two characters: An Indian he found and An African he bought and brought. both were the true producers of food and meat for the Boss, Here is where the Great Mafia was concentrated. The Mafia is a System where the Slaves produce the food and meat and the Boss eat and sleep with his Slave watch far off. This system remained with the Jamaica Society to day.

The British under shadow Spain throughout the Slave period. Indian was brought from India into Jamaica and more Africans was brought in from West Africa. The Answer so easily reach. Africans plantation chain slave was a bidit set to get the Maroons out of the Hills and Mountain. The Indians was brought also to Confuse the Social pattern of the Slaves which is base upon the Struggle of liberation to him the African was to go back to Africa, the Akanat runaway. The Spaniard were beaten in the plains while the Maroons held firm in the Hills, but the British reinforcement took three months to arrive the war was against them physically, but the distant to Africa was so far. While the Maroons general Contemplate what should be done after winning the war the Spanish advisers who was kept while those in the plains Runaway. The same manner the Government of Spain attack the British ships at sea the manner the British uses his propoganda in the Islands Indian and African mated and crossbreed Cooks and Nayga Indian and African was also cross by the British and breed this Cooperstone. Those from the Indians didn't have any trouble in bringing back the Confuse head with a straight hair. The breeding of the African brought this colour cast sometime a thin air. The Non-conformist job was to socially weld this type of Society together. So Education was introduce and offered to the ~~cast~~, There was a certain type of teaching to give to the Blacker ones: These Non Conformist teaching was to make or produce as the case may be a mad Society. Seen? Britain had six hundred year of parliament, so their Concentration was to make the Jamaican Society into parliamentary democracy. The Treaty with the Maroons, was to keep them off the main. Now they are confine to the Mountains the Committee can think how to take off the chains.

Africa was too far away distant, so He sign the Treaty  
with Britain to stay in His Hills TAX FREE, Unmolested  
How long will this Treaty last. oh it only for 300 yrs  
300 years will be long enough to build a fleet of ship that  
will take all the African Home back to Africa.

N.W. Manley P.N.P. Government abolished the Treaty of  
Tax free-Concession at the End of the 300 years, 1956, etc.  
what a coincidence: This same P.N.P. Government  
attempted to undertake Reparation at the British request  
Manley claim that he was glad to know the Movement  
was not united: The University Survey Team Report  
That the Rastafarian Movement is heterogeneous  
This was a good gesture on the part of the Government  
who has wrongfully blame the Movement with  
Subversion and make fascist attack upon members  
of the Movement, unprovoked Police Raids which many  
time end in killing brethren of the Movement

Giving Consideration to the intelligence of the Slave Generation one have to paint a picture with the type of perspective easily identified. The Spaniard which turns out to be a Jew, Claim the first letter J, in a Transformed Xamyka, The A which represent the Arawaks the oborigine of Xamyka, is in Canada and on the Reserved lands in Arizona. The M, really mean Malatoes a force Rape breed, the Arawak women would kill themselves whenever the whiteman fuck them, So this alone answer that no crossing coming from Arawak, Spanish prostitutes was brought with the Maroons or Soon after to be put out to African who would cross them. So therefore the M, Represent MAROONS mixed being Malatoes; The British African Slaves was next in line So A, represent African, the British Indian came after So I, they say is for Indians; C, Represent the Hong Kong Chinese, and a more Sophisticated A for Arabs a disguise Frenchman wine-ing upon the shelves. Now Jamaica is spelled we can look upon the type of people Representing these So call, class tribe. The Jews Church, the Roman Church, and the Church of England are the main Reservoir or Banks of this Society, finances: Two ants, one the Slave the other the Chain The Slave do the work the chain hold the Slave in check. This Slave will, can be broken, the chain once off and he can be Cooperatative as the Maroons or the Indians? The British Said The Indians was brought to Replace the Arawaks, and the Africans to opposed the Maroons, Both created Contrast; The British already dismantled the Indoo and Voodoo worship, has to rely upon his banker The Parson, Priest, and Missionaries who's job was to deceive people and teach them fear, beat the Culture and tradition Language and all out and indoctrinate and excommunicate There is nothing left to be done to bring more Confusion To this Slave Situation. all Questions are answered.

The Realities of Social and economic policies often is Realize by Rastafarians who are the Earth Most Strangeest Man. To follow closely the affairs of the era will Show and Continues to Show that the entire Caribbean Hemisphere is envelope into a massive Bearded Revolutionary ideologies.

There is Speculation weather the Jamaica Government Can do anything about who want to go to Ethiopia under the conditions which are set in the Rastafarian declaration. Some observers Knowingly of the unpresidential attitude of the over grown movement. we all have to beed in mind if the Rastafarians can Solve the problem which their Doctrines has Created. Many Questions remained to be answered of the Rights of an individual with a Mask on or Something else in mind Such Question may not be Answered in its true perspective. If one ask. Does The Rastafarians Have the Right to be sent to Ethiopia The answer maybe another Question. why they have to be sent? Get this point straighten out in your mind.

The History of the Rastafarian Claim under review Shows:

- They are Right in Claiming Ethiopian Nationality
- They are Right in Claiming Ethiopian Citizenship
- They are Right in wanting to be Carried back to Ethiopia?

The military strategy of our Slave masters is what poses the Question? But strategies only becomes Confusing when the realities are not realized. How real are these Realities? Very much real.

The Rastafarian is not only one man with one ideas or thoughts The Rastafarian is not a political group or attach to a political movement. The fact about Victimizing The Rastafarian is clear enough to see through But the Big Question is here; Will the Bearded Revolution have anything to do with the Rastafarians?

A prelude to the Real Complex of the Rastafarian Demand is. If those in Authority ever look upon the operational Demand. what is wrong about such demand? Those in Authority knows that they will have to operate these plans that is given by the Rastafarians: I an I eyes have now been fixed upon the temptation of taking sides with propoganda which is aimed to destroy Society. The Real Escape Complex of this situation is trying to be hidden behind political squabbings. Sociology prove a Classical and geographical over crowdedness, which becomes a social attack upon the elite private life: In other words giving a certain sect of the Society the opportunity of seeing good and gracious living. it is a fact that not all concern inherit the legacy of their slave-masters. Some even came after and make their own contribution. But, this does not changed the situation and this type of complex serve the most outrageous misunderstanding of man's conceptions. Real Complex can even cause blindness of the universal mind eyes, that often causes one to view pessimistic, a Real Complex situation.

In all former Colonial Society there is a Reality of free schools & thoughts. Minds can be found that is enable to open other vision of the inner eyes of the mind. Useless one thing about trying to escape the truth and logic of the Rastafarians Demand for nothing shorter will be accepted totally but with taken for granted that your understanding is now coming face to face with one of the surprising realities of creation. pessimism only see Repression and Suppression of Truth and Right. Political psychologist will argue that time change, when people change Government, so all Treaties and laws of the pass can or is subjected to changed. This brings the Real Complex when one mind is compelled to admit that force can prevent the changed which is to come at a time when some just ready to enjoy legacies of the unjust.

Realities can be describe when discovers and Some fail to admit  
 Real Social discoveries. Let us follow closely the Real Complex of life.  
 Social changes has been Recorded in the Annals of History.  
 Some of these Social changes take forms while others form pattern  
 Still many more follow fashion. Our experiences has taught us many  
 lessons of unappreciated hypocracies. The Real Complex Reality which  
 Im trying to discribe is what The Rastafarian Now Demand of  
 The world. Peace and war are two Real atmosphere in man.  
 Commercial Economy of war made industries that instigate  
 war and this is man's Real man, with academical qualification  
 These are (the talker of peace but the instigators of war.)  
 These are the first class of this Complex Society. The Elites,  
 the overlords but above all they, are not God. They sustains the  
 institutions of learning they who's money uphold and make Cost,  
 They are the One's that Create these systems in and out of favour  
 They shapes and limits Social Economy of the Society life  
 They made the class out of Glass, A mirror is a glass that  
 often gave who look in it a surprise to see who the mirror shows  
 a picture of Real self. Sometimes not liking your own Countenance.  
 This is facing with some one who can frightened you, yourself.  
 when these overlords are frightened by themselves they take Brandy  
 trying to restrain the body quake Some even take other drugs form.  
 Some became drunk and can not stand to Rule, so he need a  
 middle man. Some one who can actually pass to be in this class  
 So a class system is born from out of the circumstances  
 of a Complex Real self confrontation of looking into a mirror.  
 This second class or middle class has to be trained by a system.  
 your marks can be high as well as low, so the middle class have  
 to have three different middle class, a upper middle class  
 a middle middle class and a middle class.

Oh the upper middle class can even be made managers of the Company with the hope of a Directorate when fully trained. Taking into consideration that the family-tree can bear fruits not so fit the middle class system must be complex. From this type of middle class come the contrast between hope and faith love and hate war and peace

These systems become barriers between a society which is now being composed by out of the real self people the overlords. He hypocritically

tells you when he's under wine that in a little time you will be in his position. Who have faith in this hope become a carbon copy of his boss. only to find that this kind of talk is classified as wine talk (snake talk)

in the society church. The voice from the pulpit bellows away about the three conditions of Heaven - Hell - Purgatory, which is I an I interpretation for the three middle-class, Haven - Purgatory - Hell.

To be or live like your boss you are in Heaven. (Haven) an excellent condition. The hope of the upper middle class is to reach his boss instead

of being his own boss as the snake talk intimate. This middle class system is in a germically system of the Germans. We see two world wars Kaiser the Wilhem, and Hitler the fascist Nazi leading Germany into both world wars

Look and see if you can identify who is leading the Germans into the final world war. The wall between Berlin is no different than the imaginable walls between the Vietnamese or Koreans people.

These systems are germs and the virus is spreading far and fast and the earth now is covered with the systems

Neither Russia or America can deny that both Kaiser and Hitler, both German warlords, has trained or indoctrinated the same German scientist to develop destruction for those who do not, I repeat, do not think like them the Germans.

I an I know the virus of the Germanic ideologies, not only contaminate Europe but has more contamination for America. A warning went unheeded causes grave concern to America now they began to realize they too may have to back up now

when Britain held the handle of the Razor and I am I the Blade being called a Spade reaches very near of Justice that I am I see in this twentieth Century. How we expect to be Repatriated before these German Scientist Job of destruction be Completed. I am I love I am I Race that's a fact, but not to Hate other Races.

The General misunderstanding of these Suspicious Classes of the Races, only find confusion and more confusion of the people. Useless the people try to continue to misunderstand Reality useless we blame it upon mentality, and poverty, needless we classify economy for we are face with it Real Realities.

How Real is the Land Ethiopia? How Strange is the man Rastafarian? How Real His The Emperor Haile Selassie I King of Kings and Lord of Lords? How Meaningful is the Constitution of The Empire of Ethiopia? How Meaningful are the articles of Rights in the Charter of the United Nation? How does one accept one to behave or React when he learns of yet another System, Truth? How one can understand what is War and Peace? or if there is any real difference? when will the defeated pride of Conceitedness in man be fool Realize and accepted? when will mankind forget the immortality of H.I.M. Haile Selassie I Emperor of Ethiopia Speeches in Both Geneva<sup>1936</sup> and New York (1963) Now Mankind is called to all these attention lets see if there is any thing I am I can tell you to help you see Reality for in the mind eyes. when the Second world war started one of the most known Resist Sir Harold Mosley write the Biographies of Haile Selassie as one who Shape events than waited upon. Another window of Complex looking into Reality. Many Nations is involved in this slave trade, that's why it becomes International, that's why the United Nations knows about these things, that's why they make applicable articles of Rights that coincide with individual Government Constitutions.

I and I began to see why Ian McLeod Secretary of State for the Colonies in 1960 said the Back to Africa business is somewhat technical and those to be contacted, they can not get to them. Stop look for someone behind a mask and face the Real people who share these rightful views of earth's creation. It is more easy to deal with Repatriation from the standpoint of where there is an outlet, the fact finding mission causes other missions to go to Africa to look for possible other outlets to ~~absorb~~ her over crowded population problem.

People had been speculating about which party would deal with this Repatriation to Africa. The P.N.P under Norman Manley 1961 sent a Delegation of ten, to five free African states, The present T.R.P. Government under Hugh Shearer, Hugh Shearer both meet the Lion of Judah in New York in Jamaica and went up to meet him in Ethiopia. The most important argument came from the Jamaica Prime Minister was about the Settlement of Rastafarians in Ethiopia on his Return to London on his way back from Ethiopia he immediately send his Deputy High Commissioner to Ethiopia to deal with a Court to Court proposal of Settlement.

Many things have to be taken into consideration when thinking about Settlement. How much Rastafarians want to be settled in Ethiopia one hundred and forty four thousands Seal with the Seal of the living God, and multitudes following first lets make way for the first figure of 144,000. they are here of course and the multitudes are there of course - NOT by guns and bombs, but by Reason with understanding that mankind shall escape the holocaust of their own damnation. Both Political Party Leader went to Ethiopia to convince themselves that the King of Love will shine a special light upon them. what are the Historical Record of the two former political leader in Bustamante and Manley, Busta Blind Manley Dead. The light may shine or may not shine for us.

Both Political leader are like horses enters into a Race which one will win no one knows Both intend to try and used the Rastafari brethren and those Back to Africa adherents to win Political Power in there next General Election which can be any day now. I an I alway ask ourselves Certain Questions when they are ask to us through Suggestion. How Can Govt deal with Such Case with all these Complications. A note here, Personally I discover both government apply I psychology. Manley ask I to advised a Committe which he set up to deal with this back to Africa Mission on its Return. I did not give thought to what could be done, by advising these people who did not convince I that they seriously intend to do any thing to help. what would convince I more if ~~not~~ had notice in Africa his agent was working for the peace and understanding of this back to Africa affair. All concern knew other Black people who are equally interested in going to Africa to build Africa from the ruins of the Colonial occupational pludder. I did not satisfied that they knew much about the Conscious thinking of the African people. We knew that some black people is totally satisfied with there present Condition being unable to even think of other Condition that will face them, through others deliberation and Demonstrations which totally involve all black people. It did not take long to involve all black people. Readers will agree now that Black Power activities began to involve all black people Even if you are a ready made Prime Minister or Even Governor General. So Serious is the present Black Power situation, it poses another Problem which if not capped now more trouble can brake out among the people of African descent in these lands of tribulation?

Man most cherished goal is achievement. Such achievement come from discovery through Education. Since man possess the ability to Reason by Reason mankind will come to the real conclusion if things are to happen in the world that will bring Everlasting peace upon earth, Mankind have to out live deceptions. Man must stop deceiving himself about doing Good by start and continue to do people evil by trying to destroy what legally is the Right of a people and a Nation to choose for themselves what is best for them. If the Question is ask in this manner. If Africa is the Answer to the Rastafarian dissatisfaction and if going to Africa will solve such Problem, yes is the answer for Black Power will be fully realized in Africa and the Black Power demonstrated in Africa must affect Blacks outside of Africa. Here is far off vision of Realities. It took years for whole Nation of people get to understand what are the direct movement of the Nation.

All Race and Nation know by now that when Africa began to claim these people then Black Power will mean much more to America and Britain the two Main Countries which insist that these Nation can not do with out these other Races and being a Nation build up with other Races economy and people of other colour and Nation both America and England have to be checking upon what shall be done next to catch up with the Monster of Realism. African Leaders are called upon by these events to take particular Notice of the Movement action and the Government Counter action against the back bone of African Realism which is wrongly Concepted as African Racism. Realism is much different from Racism but both <sup>have</sup> specific attachment which can be describe as of something different, understanding is the only South Survival of mankind Believe it or NOT, try to know.

what the Rastafarian is doing is <sup>to</sup> get the awareness of this vision of know the truth about thyself across to all people who seems that they know nothing of them self. it take time but that's all we need is time and all will understand.

The resistable force of black intelligencia already being mobilize the work is much lighter Mentally. Govt start to make offers of go anywhere you want to go without thinking where people really want to go. Some African Leader would welcome his people Home Coming many African Mother and Father heart is aching longing and yearning to see their Sons and Daughters Coming Home The Real Problem is who really want to go now or when you really want to come if your mind can then changed since there will be no choice of going when other are gone.

If we are set up like those who hold me for 400 year and dont fully let go will be hardheaded enough that only Hammer, hammering down the top of the Head to see if the strike of the hammer can come in contact with Conscience. The white House now hold the handle of the Razor. I an I still hold the blade. To capped it all.

I an I can see no other means to the end of I an I fellow Brethren dissatisfaction. I an I want to be Repatriated to Ethiopia His Imperial Majesty Haile Selassie I accept such desire by offering limitless lands for our resettlement. Money Money and more money needed for such Resettlement. Help Help and more Help have to be extended to the program The world is involved in this task of Resettling I an I

The faith of the Movement still remain in this voice of prophecy: "BRING my Sons from a far and my Daughters from the ends of the Earth, Even everyone that is called by my Name" called by which Name? which name I an I are called: "Rastafari" I an I are those people.

I an I need no force of Arms to Simple say give up.  
 I an I remove from one stage to the other in philosophies and  
 doctrines. The African people abroad had answered the Clarion  
 Call of the Earth Most Strangest man. The Rebel Christian.  
 The Schools The Churches The Universities all Govt institutions  
 of teaching and learning are called upon to Study these  
 factors of Realities. I an I do not preate to approach it less  
 Simple than chose between Right and Wrong when find out.  
 This Right and Wrong knowledge causes mans understanding  
 to unite when face with the Realities of Peace and War.  
 Man have to war within and without himself to approve and  
 disapprove of the Conditions that create such situations  
 that lead to these problems of Misunderstanding. I an I is  
 not going to the Promise land that did not coincide with the  
 text, 'In my fathers House there is Many Mansions' If it  
 were not so I would have told you 'To see through the glass  
 at the realities of I an I through Law will enable all  
 people to come forth Representing truth. Then only then  
 there will be peace. Count the statement of the  
 Warner of 1963, We africans will fight if wek be  
 and we shall win for H.I.M. is confident of good  
 over evil.
